## Number 1.

# The Houses That Burn Down Are Generally Those That Were in "No Danger From Fire."

Some people do not insure because they have "never had a fire." People that have "had a fire" always carry insurance, although under the "law of averages," they are in less danger than the owner who has *always* escaped.

Better see us at once about that property.

# FISHER-BROWN INSURANCE AGENCY.

General Insurance Agents. Phone 918.  
 Agents Thiesen Building. Offices Second Floor.
