His Back Hurt When He Stoopd

"Just the one box of Foley Kidney Pills relieved my backache."—J. W. Etris, Etris, Ga.

"Last year I was suffering with a terrible backache," writes W. Etris of Etris, Ga. "Every time I'd lean or stoop over or to one side, I'd have a painful catch in my back just over my kidneys. I tried medicines with no good results. I bought a bottle of Foley Kidney Pills, and just the one box entirely relieved my backache. It has been some time since I took them, so I think I am well."

Weakness, overworked, stopped-up kidneys cause stiff joints, sore muscles, rheumatism, sleep disturbing bladder ailments, biliousness and various other ills. Foley Kidney Pills are a scientific medicine, compounded to clear the kidneys and restore them to healthy action by dissolving and driving out of the system the waste products and poisons that cause kidney trouble and bladder ailments. You will like their tonic and restorative action, ready effect and quick food results.

AMUSEMENTS

"JOAN THE WOMAN."

"Joan the Woman," the superfilm being displayed at the Isis on Wednesday and Thursday is like the great Joan of Arc was, inspired. But whereas we have learned to view the world's greatest woman as superhuman, "Joan the Woman" shows her as very human indeed—a woman suffering all the emotions of womanhood, but foregoing them all for France. Here is shown, not the sanctified leading of armies by a goddess, but the suffering and travail of a woman to bear new life to a nation.

The picture is mighty, gripping, spectacular—as far above other pictures as Joan was above other women. In it is seen all the genius of one of America's greatest artists, Geraldine Farrar, the Metropolitan Opera star, gave up her operatic work for months to help in the creation of this picture, and the results have established her as one of the premier film actresses of America.

In "Joan the Woman" is all the tragedy and beauty of life. So truly is it staged and so universally fascinating is the life of the "Maid of Orleans" that we live the picture as it passes before us. The plot has very cleverly been so constructed that it connects the story with the present times.

The picture opens with a prologue. A young British soldier fighting on the western front discovers a strange sword of the XIV. century type in one of the trenches. While he is examining it a call comes for a volunteer to blow up a certain enemy trench at midnight.

The Briton falls asleep and before him passes the vision of Joan of Arc. In this vision he is Eric Trent, a gallant English captain fighting with his king to conquer France from Charles VII. He is wounded and a strange peasant maid, Joan, finds him and binds his wounds, saving his life. It is while she is examining his gauntlets that she sees the vision that takes her to the court as the destined Savior of France.

In the first battle that she fights, Trent is captured. Following the victory, her only requests are that Trent be released and that the people of her village never be taxed. He falls in love with the maid and pleads for a return of his love, and although her heart cries out for him she answers: "There is love in each heart for but one thing—mine is for France."

It is a climax of picture making.

coming toward Tulliver's office. The girls are annoyed and insulted by men hanging around the Forty Rod saloon and dance hall, run by Deacon Doyle and secretly owned by Cantrell. Tulliver rushes out to their assistance and incurs the enmity of Doyle. The next day "Truthful" states in big headlines that Doyle must go, and the following morning finds a notice on his door which states that Doyle will be in the Forty Rod saloon the following morning at 10 o'clock and that there is not a gun pusher in Arizona that can run him out of town. "Truthful" surprises Doyle and his henchmen by coming into the saloon through a rear door. From his horse he lassoes them and pulls them out of a window and down the street, out into the desert, where he tells them to keep on going and never return to Glory Hole.

That night "Truthful" is shot at from York Cantrell's room by Doyle, who has returned for that purpose. "Truthful" then drives both of them from town, not knowing that York has wronged Daisy Burton. Daisy confesses to Grace, and Grace finds "Truthful" who, misunderstanding, thinks she is the one that cares for Cantrell. He promises to bring him back and makes a hard ride to the railroad in time to intercept Cantrell, whom he forces to return with him.

Then understanding comes. Cantrell wants to marry Daisy and live a new life, and "Truthful" comprehends his mistake. Grace, with a happy face, turns toward him, with her thanks and relief writ large on her face, and sees him watching her with such eloquent eyes that an understanding is very soon reached.

"TRUTHFUL TULLIVER" A NEW KIND OF WESTERN PLAY.

In "Truthful Tulliver" William S. Hart appears at the Isis tomorrow, as a traveling newspaper editor who arrives in Glory Hole to start a paper with him is his compositor and man-of-all-work, "Silver Lode" Thompson.

Upon opening his office Tulliver is visited by York Cantrell, a smug Easterner, whose mining interests keep him much in the vicinity. They stand at the window watching two sisters, Grace and Daisy Burton,

NORMA TALMADGE IN "POPPY" TODAY.

Kept prisoner in a magnificent home in South Africa, a young woman wanders out into the garden on a moonlit, tropical night. A young man, stricken with jungle fever and half delirious, eludes his servants, and in his aimless roaming of the streets, finds his way into the retreat, the gate of which has been inadvertently left unlocked. The two fall in love at sight, and part after one ecstatic hour, not learning each other's names. The man is taken back to his bed, and for weeks is unconscious, in his terrific fight for life. When he recovers, the vision of the girl in the garden seems only a part of his delirium. This is one of the several important situations in "Poppy," a big Selznick-Pictures production which will be the feature attraction at the Isis theatre today.

The star of this photodrama is Miss Norma Talmadge, whose recent successes, "Panthea" and "The Law of Compensation," have placed her in the front rank of screen favorites. The story is taken from a play by Len Teal and John P. Ritter, which is based upon the popular novel by Cynthia Stockley. It is directed by Edward Jose, who formerly lived in South Africa, and has given the scenes a strongly realistic flavor.
