Carl of Thanks

While all are deserving of the generous appreciations of our people for their good work in our recent fire, I believe the record of fire service which our Boy Scouts have made has been overlooked. They reported on the scene early in the action, proffered their services, and they worked all the afternoon, far into the night and some of them all night, in fighting the fire, saving and protecting property, and in otherwise serving the city. I am sure that I represent the best sentiment of the community when I say that all our people are grateful to them for it.

Respectfully,
D. S. McClanahan,
Mayor.
