### Worked Like "A Charm" In Africa

Sweet Dreams Given a Try-out in Africa Against Ravages of Mosquitoes. "Worked Like a Charm."

The president of a big New Orleans college made a trip to Africa to do some research work. He knew he was entering a country that suffered terribly from the ravages of mosquitoes. So naturally into one of his cases he slipped four bottles of Sweet Dreams.

"And in Africa," he wrote us, "Sweet Dreams worked like a charm." The efficiency of this great mosquito remedy is winning for it thousands of new friends every night. When mosquitoes are troublesome, try Sweet Dreams. No offensive odor. No stains.

### GRAY HAIR BECOMES DARK AND BEAUTIFUL

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

### INVENTIVE GENIUS MAKES CALOMEL DELIGHTFUL

Calomel, the Most Valuable of Drugs, Now Purified From Its Unpleasant and Sickening Qualities—"Calotabs" the New Name.

The medicinal virtues of calomel are in no way connected with its nauseating and dangerous qualities, as is proven by the fact that the new calomel tablet, called Calotabs, is free from objectionable effects yet retains all of the liver-cleansing and system-purifying qualities of the old-style calomel. For biliousness, constipation and indigestion, and wherever calomel is essential, the new de-nauseated calomel tablet is a practically perfect remedy.

To inspire public confidence in this new discovery the manufacturers have authorized druggists everywhere to refund the price if the customer is not "perfectly delighted" with Calotabs. Sold only in original packages, sealed. Price thirty-five cents. One tablet at bedtime, with a swallow of water. No taste, no nausea, no griping, no salts. You wake up in the morning with a clean liver, feeling fine, and a hearty appetite. Eat what you please,—no danger.—(adv.)

#### MAYHEW ROAD MATTERS.

Mr. Gus Burgin, one of the road commissioners of the Mayhew road taxing district, was in the city last Monday. From him The Dispatch learns that there is a fine prospect of a direct road from this city to Mayhew and to the A. and M. College, being realized. The road commissioners will soon undertake the construction of two miles of rock road from Mayhew west to the Oktibbeha county line, where they will connect with a rock road from the A. and M. College east to the Lowndes county line. Next spring they will build east from Mayhew four miles to where they will join the West Port road taxing district. The Mayhew commissioners are hoping the road commissioners of the West Port road district will reserve enough funds out of their bond money to build a mile and a half of road west from Mr. Wiley Banks' place to connect with this road, thus giving to Columbus a direct road west to Mayhew and the College and cutting out several miles on the trip from this city to West Point.

## Do your Jams and Jellies ever "Candy"?

Many women have been so discouraged by this trouble that they have almost stopped putting up fruit.

Yet, there is an easy, simple way to avoid it. Use 1/2 Karo (Red Label) and 1/2 sugar in your preserving syrup, instead of sugar alone.

Karo is a fine, clear syrup, with a natural affinity for the juices of the fruit.

It blends the sugar with the fruit juice—brings out all the "fruity" flavor.

You, too, will obtain perfect results this summer if you will use 1/2 Karo (Red Label) and 1/2 sugar instead of all sugar for preserving.

You will find your jelly clear and firm—your preserves rich with heavy syrup—your jams deliciously mellow and "fruity". Not a sign of "candyng".

For Cooking, Baking and Candy-Making Karo (Red Label) is used in millions of homes. In all cooking and baking recipes use Karo instead of sugar. It is sweet, of delicate flavor, and brings out the natural flavor of the food.
