## "Nuxated Iron Put Added Power Behind My Punch" Says Jack Dempsey—Tiger Of The Ring

Heavyweight Champion of the World Tells A Secret of the Training Which Helped Get Him Into Such Superb Condition That He Was Able to Whip the Mighty Jess Willard and Prove Himself

**THE SUPERMAN OF THE AGE**

Jack Kearns, Manager for Dempsey, Jimmy DeForest, Chief Trainer, and Others Give Opinions How Nuxated Iron Helps Strengthen the Nerves, Restore Wasted Tissue and Build RED BLOOD, STRENGTH and ENDURANCE.

Since his overwhelming victory at Toledo when he wrested the World's Championship title from the Gotham-like Jess Willard, Jack Dempsey has been the most successful fighter in the history of the sport. He has won every fight he has entered, and his methods employed in training him to such superb condition, that Jack Dempsey has been called the "Superman of the Age."

every thinking person that if a man as physically fit as Dempsey should consider it advisable to take Nuxated Iron, how much more important it is for the average man or woman to see that there is no lack of iron in the blood. To help make strong, lean, red-blooded Americans there is nothing in my experience which I have found so valuable as organic iron—Nuxated Iron.

Manager Jack Kearns who closely watched from day to day the progress of Dempsey's training in which Nuxated Iron played a part and who predicted Dempsey's victory over Willard.

Jimmy DeForest, Chief Trainer, tells here why he believes the use of Nuxated Iron by Dempsey contributed to his success.
