Farm Mortgage Loans

We make loans on improved farm lands, in Louisiana and Mississippi, up to 50% of a conservative value. Interest 7%, 7 1/2%, or 8%, according to size of loan, payments to be made at time of year convenient to borrower.

Liberal Terms
Loans will be made to mature in 3, 5 or 7 years as desired. No loans will be made for less than 3 years, but we will make the last payment mature in 8 or 10 years. We make no charge for an inspection fee, traveling expenses, or for examination of abstracts of title by our General Counsel.

Prompt Action
We give immediate attention to all applications. If the loan seems to meet our requirements, one of our inspectors will promptly visit the property WITHOUT any COST to the applicant. There are no unnecessary delays in closing loans accepted by us.

Abstracts of Title
It will be necessary for applicants to furnish abstracts of title, with the opinion of an attorney acceptable to us that they have a good title to the property. Immediately upon receipt of the abstract and the local attorney's opinion, the title will be examined at our expense by our General Counsel in New Orleans. The day approved, we will send the local attorney our check and blank forms to close the loan.

Service and Advice
We wish to give service and advice to the farmers of Louisiana and Mississippi in solving their financial problems, and will be very glad to have them write for application blanks, or call on us for consultation at any time.
