NOTICE.
GREAT sale of Morus Multicaulis TREES, grown in Mississippi, warranted genuine and infinitely superior to those raised at the north by forcing, which exposes the buyer here to delays, dangers and injuries, which often occasion great loss. Sale on Election day Nov. at the Court House in Holly Springs, on terms to suit purchasers giving good security. This sale offers great inducements to buyers, as from the Silk alone \$300 clear, per acre, may be realized the first year, as easy as to grow corn, without neglect of other crops, besides raising the trees for which there must be sale for years. It being stated by Judge Constock on careful inquiry, that there are not trees enough in the U. States to supply the small State of Connecticut.
Private purchases may be made of the subscriber by addressing him a line at Holly Springs, or call at his store, corner of LaGrange and Memphis street H. S. On the day of Sale the subscriber will be prepared with an address containing some facts respecting the profits of the Silk culture which he hopes will open the eyes of the people of North Mississippi to the riches her soil contains.

GREAT SALE OF REAL AND PERSONAL PROPERTY AT
Commerce,
MISSISSIPPI.
WISHING hereafter to confine my attention to the commission business at Commerce, I propose selling on the 2d Monday in November next, and succeeding days, (if fair)
500 LOTS,
which will include the highest land in the town, and the best low water landing. I trust the persons wishing to purchase, will examine the lots and satisfy themselves as to the business prospects of the town, without suffering themselves to be influenced by the interested suggestions of ignorance or malice. The approaching shipping season will demonstrate to the most skeptical, that the local advantages of this point must secure to it the trade of the whole of north Mississippi, one of the most productive portions of our country. I purpose also, selling at the same time (unless sooner disposed of) my PLANTATION
adjoining the town, containing 800 acres of land, 300 in a high state of cultivation, unsurpassed by any tract of land even in the Mississippi bottom, and 83 very likely acclimated NEGROES; 20 horses & mules, 300 hogs, 70 head of cattle including six yoke of oxen, 2 wagons, 20 ploughs, set of blacksmiths tools, &c. &c. Terms, all sums under \$100, cash—for personal property, one half cash, remainder at the end of the year, for town lots 20 per cent cash, remainder at 1 & 2 y. for plantation one third cash, remainder at 1 and 2 years, notes payable in Bank, with two approved securities, will be required in every case before the delivery of the property—a discount of 10 per cent per annum, will be allowed for cash.
BADEN PROLIFIC CORN.
I shall have during the months of October and November next about 600 bushels ready sacked, which I will sell very low for cash. I shall also have at the same time, 8000 bushels common corn, ready for the early southern market, which I wish to sell to steam boat owners, or others, for cash or short acceptances on New Orleans.
It may be convenient for me to have the sale some weeks earlier, if so, due notice will be given.

There are two sweepstakes opened to be run over this course on Monday and Tuesday of the meeting. The first, a two year old with 70 lbs.—\$200, entrance—mile out. The other for 3 year olds, according to rule; 86 lbs.—mile heats—three or more to make a race—in each race half forfeit to close—on or before the 15th of September next.—Entries to be addressed to the proprietor at Holly Springs.
