Splendid lot-sale at
THE CITY OF
COMMERCE.

THE UNDERSIGNED, Commissioners of the Hernando Rail-Road and Banking Co. would respectfully invite the attention of the Public in this and the adjoining States, to the extensive sale of the lots in the CITY OF COMMERCE, to commence on the 29th of October next, and be continued until this valuable property shall be entirely disposed of.

The City of Commerce is situated on the Mississippi river, about 420 miles above Vicksburg, and 40 miles below Memphis. It is in the State of Mississippi. Its commercial importance is now removed beyond the fears of the most skeptical. Her future destiny is obscured by no doubt and uncertainty but is plainly marked out and foretold in its growing reputation and brightening hopes. Nature herself has designated the site, and the energy and enterprise of the citizens of North Mississippi have already built up a goodly-looking and promising commercial mart. As a proof of this we would merely mention that there are several extensive wholesale Dry Goods and Grocery establishments, actively and profitably employed at this point, together with the agency of the "Mississippi Importing," and "Mississippi Shipping" Companies, although it was but yesterday that Commerce sprang into being. The stupendous Rail-Road chartered at the last session of the Legislature commencing at Mississippi City on the Gulf of Mexico, and stretching along the whole length of the State, has its northern terminus at the CITY OF COMMERCE on the Mississippi river, and, will no doubt, have an eastern connexion viz., Pontotoc, with the celebrated Rail-road from Charleston to the Miss. The Hernando and Commerce Turnpike, leading from the interior of North Mississippi to this place, will be entirely and handsomely done in time to accommodate those who may honor the sales with their attendance. A charter is already procured from the Arkansas Legislature, and the stock subscribed, for a Turnpike from a point immediately opposite Commerce to Little Rock in that State. The landing is most EXCELLENTLY surpassing in a decided degree that at VICKSBURG, or Memphis; indeed, she may boast of very great advantages over almost every City on the Mississippi in the convenience cheapness and facilities for the receipt and shipment of Cotton and Goods. It is probable that ten thousand bags of Cotton will be shipped from Commerce during the approaching business season. The Hernando Bank possesses the right under her charter, to locate a branch at this point.

TERMS.—Twenty per cent of the purchase money will be required to be paid down; the balance in twelve and twenty-four months, with good and approved security.
