TO THE VOTERS OF CHICKASAW COUNTY:

On account of having a slight operation on my foot, I shall be unable to get out for some time, and it will keep me from making as thorough canvass as I should like. I hope to be among you soon. I have also been detained assisting Mr. Moffat in making the assessment this year. Being unable to ride horseback, I shall be compelled to go in a buggy, altogether. To my friends—Speak a word in my behalf and I assure you that there is no candidate who will appreciate it more than I. I hope to see each and everyone of you on the grand rounds. Now in conclusion I would say it will do you no harm to vote for me, but will do me lots and lots of good. "PLEASE SIR," so on the 3rd day of August don't forget the name

Ed H. Chennault.

MR. HILLER GILFOY ANNOUNCES FOR CIRCUIT CLERK

In this week's Hummer we are announcing the candidacy of Mr. Hiller Gilfoy for the important office of Circuit Clerk of Chickasaw County.

Mr. Gilfoy is now unable to make a thorough canvass of the county and sincerely hopes that the voters will kindly consider his present condition with a good word down the line.

His father was once a prominent Representative of our county and known by everybody as a man of honest ideals and high intellectual power to do the right and best things for his people. His son is the ditto of his father and no man can say aught against him. High morals, kind to his People, neighborly and friendly—tell in a few words the inner self of Mr. Hiller Gilfoy.

For some years he was a groceryman and made good in that calling. Now he is convalescing from a severe sickness of several months. Wearing a plaster cast over his body only a few people can know just how much he suffers day and night. But we are to say that his health is much improved and before many weeks he feels that he will be a well man. His legion of friends hopeful hope for that desired rejuvenation.

The Hummer believes that he is qualified for this position and earnestly asks your careful consideration of his claims on the big election day.

J. B. GLADNEY PASSES AWAY.

The many friends of Hon. J. B. Gladney will be grieved to learn of his death, which occurred at his home here June the 12th. Mr. Gladney was one of Houston's oldest citizens, having been a resident here for more than fifty years. At one time he was one of the leading lawyers of the state, but declining health caused him to give up the practice of his profession. In 1892 he was appointed postmaster by President Cleveland and served four years in that capacity. After which he retired to private life, devoting his time to his farming interests. Too much can not be said of this honored old Soldier, for Houston never had a more beloved citizen than J. B. Gladney. We extend our sympathy to the bereaved family.

ELLIS HARRIS FOR SUPERVISOR.

By the authority of Mr. Ellis Harris The Hummer is hereby announcing his candidacy for the office of Supervisors Beat Two.

Mr. Harris, or "Ellis" as most of the people know him, throws his hat into the political ring and challenges all his opponents to a fair fight before the voters with ballots as the weapons.

He is a progressive farmer and is now building up one of the best farms in the Houlika community. As he knows how to mind his own business in a successful way he feels now that he is capable of making an efficient supervisor for the people of beat two. Sufficient in judgment, proficient in education and well worthy to be supervisor is this new candidate for your consideration.

The Hummer believes that he is qualified and cheerfully commands his action in announcing his name for this important office. We ask that the voters hear his claims on the grand rounds.

PROGRESSIVE DOCTOR WILLIAMS.

The Hummer boys visited the farm of Dr J R Williams this week, and saw the big out field of the doctors', also saw the oats cut, tied into bundles and stacked with modern, labor saving machinery. The oats showed up fine considering that he did not get the seed in the ground until the last week in November, having gathered a crop of corn and peas off this land late in the fall, it caused him to be late in getting it planted—in March he sowed Lespedeza among the oats and has as fine a field of Lespedeza as we have seen growing in this county. He will cut the Lespedeza this fall and sow to oats. We want to commend his progressive spirit to help build up the lands of our county. The doctor believes in the farm and is now making a good start in the line of diversification and we hope to see others take the initiative—for our future depends on the well tilled, well willed and filled—all get together for the common good.

RESOLUTIONS OF RESPECT.

Whereas, Death has again penetrated the sacred precincts of our Forest, and claimed as his spoil one of our most substantial and esteemed Sovereigns in the person of H. Aston Flynn, one of the most loyal and faithful members of the Order of the Woodmen of the World, who was punctual in his attendance at the meetings of the Camp, who was enthusiastic for the welfare of the Order, and who was an appreciated officer of Houston Camp, No. 165:

Therefore, Be it resolved by Houston, No. 165, W. O. W., at Houston, Miss., that in death of Sovereign Flynn, our Camp has lost a valued and honored member, and the Order at large, one of its most ardent and enthusiastic supporters; That the town of Houston has sustained an irreparable loss, and the county and State, one of its most valued citizens. We who knew him can testify to his sterling qualities. We know that he was a man of convictions, that he always had the courage of his convictions. He never straddled a proposition, but always took a stand on one side or the other, and was not afraid to let the world know just where he stood. He arrived at his conclusions by his own process of reasoning, and never held to an opinion or belief just because some one else did. He was an independent thinker and doer. He was a fine business man, and had proven his efficiency to such an extent that his employers regarded him as almost indispensable. He was loyal to his friends and never lost an opportunity to serve them when occasion required. He was a manly man, just, sincere, and charitable.

Resolved further, That, we, the members of this Camp tender to his bereaved family our genuine sympathy in this their darkest hour, and assure them that we consider them as our wards, and that we shall deem it a privilege to serve them at any time we can. Resolved further, that a copy of these resolutions be spread on the minutes of this Camp, a copy be sent to the family of the deceased, and a copy be presented to our town papers with a request for publication.

Committee.

To my Friends: I take this method of notifying you of my entering the race in the "On To Frisco" contest. When buying from merchants, or going to the movies, save your votes for me. Anything you may do for me will be highly appreciated.
