Number 25 and all other numbers divisible thereby were declared winning numbers, and a distribution made of the cash dividends accumulated, as per the plan advertised, and at the time stated Oct. 20. Ask any of the above parties if the "LOOKS GOOD TO ME" cards looked good to them? If you could have seen them smile when they received the "Cold Cash" or "Hard Coin" as these "beans" are sometime called, the above question would have been useless.

Watch this space for something new in the near future.

HOULKA LOCAL NEWS

Mr D F Bowman, supt. of the bridge crew at work between here and Algona, is in Houlika with his family this week. Mr Bowman is putting the bridges in good shape for the big winter runs and consequent heavy loads.

Mayor Elliott Parker of Houston was in town on professional business last Saturday.

Mr Dill, the efficient saw-filer who has been with Palmer-Ferguson for the past two years, has returned home after a two weeks stay in Memphis.

Mr Evans McAbee has returned from South Carolina and will make his future home with the good people of Houlika. Mr Grover McAbee and wife, we hear, will come home to good people of Houlika in a few weeks. The Hummer and their many friends are glad to hear of their home coming and we wish them future happiness and smiling prosperity.

Miss Mary Turner, the attractive and accomplished daughter of Mr and Mrs W T Turner, was happily married to Mr Thomas H Williams last Wednesday. Miss Mary has been the popular Green-Neely telephone operator and Mr "Tom Cat" as he is popularly called by everybody who knows him is a substantial farmer near Red Land. Houlika and The Hummer wishes for them unlimited joy and happiness on the matrimonial highway of life.

Miss Mollie Ivy returned to her home in Okolona via Houston Wednesday morning.

Mr Will Marion is some class when it comes to making good old sorghum molasses for some that he brought us surely must be the BEST in the world. Really, he has no superiors in this business of making "long sweetening" and if every man and woman who read these lines could just taste some of the 200 gallons he made last week, we believe he wouldn't have a drop in three days—the sale would be so quick and easy. A gallon of it would take the prize in any fair and The Hummer assures you, that is those who live in town and do not get good molasses, that if you want a gallon of triple joy and yum yum get in touch with Will Marion, Houlika, Miss. It is put up in nice gallon cans ready for sale.

To Misses Emma and Maggie Alexander, for beautiful chrysanthemums—to Mrs Mary B Paden, for beautiful cape jessamines—to Miss Modena Savely, for beautiful roses, cape jessamines and fine October peaches—to all the Marion family for beautiful roses and cape jessamines, delicious apples, chestnuts and molasses, I happily offer my most grateful thanks, once three and a billion times. R. H. R.

Mrs. Margaret S. Walker, pleasing postmistress of our growing town, motored to Houston last Friday on business. Post office receipts show a big business as usual in the fall and the volume of mail coming in keeps the force busy on the quick.

Mrs. W. T. Johnson and little daughter Ruth of Houston, were very pleasant visitors in the Harrill-Reed home, and the home of Mr. and Mrs. R. N. Boyd, last week.

Miss Nellie Rose Marion began her school at Chalk Bluff, few miles below Houston, last Monday. Miss Mary Garner of Buena Vista is her assistant and The Hummer knowing their skill in organizing and teaching a good school, extends to them now a kind word of encouragement in the great work of education.

Will pay the highest market price for produce in cash. Will also give \$2.50 in cash to the person who brings us the largest amount of produce between now and Jan. 1st, 1916.

Happy Tom Roberts came from Pontotoc to Sunday with his family. He is still on the job buying cotton and is known as one of the best samplers in the state.

Rev. F. D. Daniel, the beloved pastor of Pontotoc and former pastor of this church, will begin a protracted meeting in the Presbyterian home of worship next Monday night the 25th. It will go thru fifth Sunday and the whole town is cordially invited to hear one of the best preachers known in Mississippi pulpits. Rev. Daniel is the kind of man who thinks the "bad man" should wear a long face and do the gouching, grumbling and glumming. More than that, he believes in humming smiles that smile a mile—worth while—good "ile" and so fourthly, fifthly and sixthly. Don't make his acquaintance unless you appreciate wit right off the bat. The Houlika people still remember the good sermons he preach about the tall building, using each story as a sermon and making the building of that building characterize with the life of men and women. He will give Houlika the lion's share of brilliant sermons prepared in his Pontotoc den.

Several men from this community served as jurors in Houston this week. Most of them chug-chugged down and back every day.

Mr Harley Harris, popular captain of the University of Mississippi football team and Senior medical student, stopped by to see his parents last week.

Mr Howard, agent for Standard Oil Co., with his wife and Mr Goza, came up from Houston last Friday on business.

Miss Nora Williams, popular daughter of jolly Justice Fife Williams, is now a saleslady behind the counters of the up to date Ashkenaz store. She will be pleased to see you, sell you some good goods and give you a smile.

Dr John Walker, the best youngest get-you-well-quick in all Mississippi, has been sick for the past week with an attack of Grippe. After repeated efforts to capture him the doctor repulsed the forces of Gen Grippe with a heavy loss of sleep. In the meantime, he hopes his patients will have patience until he can get there and put'em back on grown in Mississippi. The Hummer happily awards him the medal of victory.

Miss Francis Van Horn, milliner a la expert, chic and stylish head-gearer, popular model of business activity and headquarters for becoming headwork, pleasantly Sundayed with Houston homefolks.

Mr and Mrs J A Williams motored to Okolona Wednesday. Mr Williams makes many trips to suburban towns on the go-come-fetchum Ford. Thanks to him for a big bundle of papers delivered from Houston.

PETITION FOR PARDON
 Honorable Earl Brewer, Governor, Jackson, Miss.

We, the undersigned citizens of the First District of Chickasaw County, most respectfully petition and urge your Excellency to grant a pardon to Jim Porter, negro, now serving a life sentence for the murder of Rosa Brown, a negress. We are satisfied that the negro has been amply punished for his crime. He was convicted at the October Term, 1912, of the Circuit Court of Chickasaw County. There was only one person that claimed to have been an eye witness to the killing and that was deceased mother. Jim has always been considered a good hardworking negro, and we understand has made a model prisoner. And for other reasons to be given on the hearing of this petition. Respectfully submitted, S. E. Atkinson, Walter Alexander, Joe B. Paulk, Harden Davis, and others.
