MT. SYLVAN ACADEMY
FOR MALES,
LAFAYETTE COUNTY Miss.
Eleven Miles West of Oxford and Sixty Five S. E. of Memphis.

THIS Institution will be opened for Students in a term of five months, about the first of March next.

By the liberality of the citizens of this and the neighboring counties, an excellent frame building will be ready, containing abundant rooms for recitation and other purposes; also dwelling houses for Teachers and Boarders; Out-buildings, Play-grounds, Garden, &c. for an extensive and permanent Boarding School.

The furniture of the Academy shall be of the most approved forms, combining health, comfort, and usefulness.

An Apparatus for Philosophical and other purposes; a select Library for the use of pupils; and the most valuable Maps and Charts that the Eastern cities afford, will render our advantages second to none.

This location is peculiarly desirable for a Boarding School.

It was selected by a committee, with an especial view to health, from a high and salubrious region, where no miasmata from stagnant water, or local cause for diseases of any sort can possibly be found.

The Board of Trustees takes pleasure in announcing that, for the management of this Academy, they have procured the services of Professor R. MORRIS, late of De Soto Academy, so long known to the citizens of North Mississippi, as an untiring servant in the cause of Education.

The health of Professor M. being re-established, the Trustees feel that they cannot better recommend the advantages of the Mount Sylvan Academy than to say that he will carry it on with all the skill with which his experience and talents promise.

Assistant teachers will be engaged as needed.

A Boarding House for applicants will also be ready and will be enlarged as the wants of the school may require.

Prices of good board will range from \$30 to \$40 per Session.

The Trustees wish it to be understood that they hold the Principal of the Academy responsible for the conduct and management of whatever steward he may select to conduct the Boarding House.—This will be a guarantee to those who send their sons to the Academy that every attention will be paid to their comfort in health and sickness.
