FOR three years we have fought persistently and desperately to secure a sufficient number of cars for our territory. For three years you have been extremely patient and courteous with us, and no one could possibly appreciate it more than we do.

We know, oftentimes, you have thought it rather strange that deliveries could not be made in less than six or eight months. However, all the time we were putting forth every effort day and night to secure cars for you.

Our territory has always been underestimated, and through special effort we have been fortunate in getting the Ford Motor Company to allow us a special allotment of cars for November, which will take care of you, at least temporarily.

We cannot, promise, however, a continuance of prompt delivery after this month, therefore, if you want a Ford Car, we advise placing your order at once, as the usual rule of rotation will apply in delivery.

A PASCAGOULA INTERVIEW

Mr. Bosarge Tells His Experience.

The following brief account of an interview with a Pascagoula man eleven years ago, and its sequel, will be read with keen interest by every citizen.

Albert Bosarge, Dupont Ave., Pascagoula, says: "I strained my kidneys by lifting and was laid up for a few days. The kidney secretions were unnatural and painful in passage. I felt tired and played out most of the time. I tried a number of different remedies, but wasn't relieved until finally I read about Doan's Kidney Pills and bought some. I felt better right away and when I had taken two boxes of Doan's my kidneys were normal, my back didn't pain and I felt fine." (Statement given May 21, 1908.)

On January 2, 1918, Mr. Bosarge said: "The only time I have any trouble with my kidneys now, is when I catch cold. I get Doan's Kidney Pills right away, however, and they never fail to give me the same good results."
