PASCAGOULA PROOF.
Should Convince Every Pascagoula Reader.

The frank statement of a neighbor telling the merits of a remedy, bids you pause and believe. The same endorsement by some stranger for a way commands no belief at all. Here's a Pascagoula case. A Pascagoula citizen testifies. Read and be convinced.

Chas. T. Martin, section foreman at International Ship Yard, Dupont Ave., says: "About four years ago my kidneys got out of order and caused a lot of trouble. My back ached constantly and pained right through my kidneys. Often my back was so sore and painful I could hardly keep up. I heard about Doan's Kidney Pills and began using them. A few boxes of this medicine rid me of the trouble after other remedies had failed."

Price 60c, at all dealers. Don't simply ask for a kidney remedy---get Doan's Kidney Pills---the same that Mr. Martin had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Mr. M. M. Watkins returned Thursday from New Orleans, where he went to attend a meeting of Grafonala agents of the Southern district.

"The Farmer's Worst Enemy---Rats. The Farmer's Best Friend---Rat-Snap."

These are the words of James Baxter, N. J.: "Ever since I tried RAT-SNAP I have always kept it in the house. Never fails. Used about \$3.00 worth of RAT-SNAP, a year and figure it saves me \$300 in chicks, eggs and feed. RAT-SNAP is convenient, just break up cake, no mixing with other food." Three sizes, 35c, 65c \$1.25. Sold and guaranteed by Young's Drug Store, Rodrigue Economy Store.

Irresistible in Business.
"The good-natured man with a well-balanced mind is irresistible in business; he goes around flashing his cheerfulness to right and left unconsciously. He does not need to be easy to be good natured. He can be firm in his convictions, and immovable from his principles, and yet he can assert himself in that quiet, sincere way which wins the respect even of his opponents."---From The Northwestern Buzzer, published by Northwestern Electric Equipment company, St. Paul, Minn.

Alienists' Test.
It is a common thing for an alienist to demand a specimen of handwriting in order to help him determine whether his patient has delusions, is insane, or is carried away by certain emotions or any abnormality. And there is a reason for this. It has been proved many times that there is a distinct relation between the nerves of the brain and those of the hand, so that a man's writing reflects his mental temperament.

Bank Has Special Right.
There is only one national bank in the United States which does not have "National" as a part of its name. It is the Bank of North-America, in Philadelphia. A special act of congress is required to permit a national bank to operate as such without indicating the fact that it is a national bank in its name.

CARD OF THANKS.
We wish to extend our most grateful thanks to our friends and Father B. O'Reilly for kindness shown and sympathy extended during the last illness and at the death of our beloved husband and father. Thanks to all for the many and beautiful floral offerings.

TO THE SACRED MEMORY OF EMILE H. KREBS, SR.
Died November 24, 1920.
In a near and silent graveyard Where the trees their branches wave, Sleeps a kind and loving father In his cold and silent grave.
He bade no one a last farewell, He raised his hand to none; His spirit flew before we knew That he from us had gone.
Yet we hope to meet him, When the days of life have fled, And in Heaven we hope to greet him, Where no farewell tears are shed.
Sadly missed by
WIFE, SONS AND DAUGHTERS.

West Point Instruction.

Our Country's Motto.
"E Pluribus Unum" was first suggested as the motto of the United States by Benjamin Franklin, John Adams and Thomas Jefferson, in August, 1776, they having been appointed a committee to choose a design for the great seal. It is claimed by some that the motto was suggested by a similar inscription used by the Gentlemen's Magazine, a popular publication of that time. It first appeared on coins in New Jersey in 1786, when copper money was issued by that state.

Important News.
Jack's little playmate, Ben, was called home to God, so Jack was told when Ben died. A few nights later when Jack was saying his prayers his mother heard, "And please, God tell Bennie that one of his rabbits died today."

Living Creatures That Are Immortal.
In the Protocols, as Weissmann and others have pointed out, the regenerative processes are so perfect that natural death need never occur; the stable mortal parts of the colloidal substratum can be reduced and restored piecemeal, and the creature never grows old. It is probable that the same is true of a simple animal like the freshwater hydra, which may also be credited with immortality.---New York Herald.

"I Got Real Mad When I Lost My Setting Hen," Mrs. Hannan.
"I went into the hen house one morning and found my favorite setter dead. I got real mad. Went to the store, bought some RAT-SNAP and in a week I got six dead rats. Everybody who raises poultry should keep RAT-SNAP." Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Young's Drug Store and Rodrigue's Economy Store.

Marriage of First Cousins.
First cousins may marry in Alabama, California, Colorado, Connecticut, Delaware, Florida, Georgia, Idaho, Iowa, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Montana, Nebraska, New Mexico, New York, North Carolina, Rhode Island, South Carolina, Tennessee, Texas, Utah, Vermont, Virginia, West Virginia and Wisconsin.

Sod Filter for Sewage.
French experiments have found ordinary sod an efficient filter for sewage.

You Guard Against Burglars, But What About Rats?
Rats steal millions of dollars' worth of grain, chickens, eggs, etc. Destroy property and are a menace to health. If you are troubled with rats, try RAT-SNAP. It will surely kill them---prevent odors. Cats or dogs won't touch it. Comes in cakes. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Young's Drug Store and Rodrigue's Economy Store.

Good Way to Clear Land.
In the novel method of clearing land adopted by a Minnesota farmer, the underground roots are burned away, freeing the stump above ground for use as firewood. At one side of each stump an excavation is made in the ground, and from this a hole is bored through the roots to a stovepipe set upright in the ground on the other side. When a fire is kindled in the excavation, the draft set up through the roots and the pipe causes the roots to be slowly consumed, until the stump may be toppled over quite unharmed.
