Big Fire. The big fire last Sunday night was the most destructive that has visited this city in many years. Twelve buildings were consumed; twelve horses, eleven of them the property of Mr. Melvin Noble, were burned to coals, and fifteen sheep perished in the flames. Besides horses, Mr. Noble lost an omnibus, a new phaeton, four buggies, two fine carriages, all his harness, feed, etc.; his total loss is estimated to be at least \$7,000. He has the sympathy of the entire public. Mr. Noble is one of the most enterprising and business-like colored men of the city. His property was only insured to the amount of \$1,000. All the firemen, white and colored, worked like beavers.

Commencement at Shaw University.

The closing exercises of this flourishing institution were unusually interesting. On Sunday morning, May 20th, the Missionary Society of Estey Seminary held its meeting, and at night six young ministers, J. S. Lea, S. H. Wetherspoon, E. H. Lipscombe, L. T. Christmas, C. J. W. Fisher and H. M. Maloy, were ordained to the full work of the gospel ministry, President Tupper preaching the ordination sermon. Monday was spent in examination of several schools. In the evening Prof. E. H. Lipscombe delivered the address before the Georgian Lyceum, and Prof. E. E. Smith the address before the Daniel Webster Society. Tuesday evening was devoted to the closing exercises of the Estey Seminary. The essays, recitations and music were of high order, and reflected great credit upon the teachers and the students.

On Wednesday morning, the candidates for prizes in declamation made their speeches before a committee. At 2 p. m. the Alumni held their annual meeting. At night the regular exercises of the University occurred.

After music by Prof. Perry's excellent band, the audience was led in prayer by Rev. Dr. T. E. Skinner; then followed the orations, some of them of rare merit and well delivered. The speakers were J. W. Hall, of Ky.; D. A. Lane, of N. C.; T. J. Davis, of Jamaica; T. H. Bugg, of Ga.; C. S. Brown, of N. C.; W. G. Wright, of N. C.; J. E. Ray, of N. C.; J. M. Vandavell, of Tenn.; A. E. Williams, of Ga. After awarding diplomas to graduates by President Tupper, and the presentation of medals by Profs. Lea and Roberts, the class period was sung.

The commencement was a splendid success, and gave all the friends of the institution full assurance of still greater and better things.

The following students received diplomas: A. E. Williams, of Warrenton, Ga.—A. B.; F. H. Wilkins, of Durham, N. C.—A. B.; M. W. Alston, of Selma, Ala.—A. M.; R. I. Walden, of Weldon, N. C.—A. M.

The following received diplomas as graduates of Estey Seminary: Lizzie Crawford, of Lynchburg, Va.; Lucy T. Johnson, of New York; Kitty Bishop, of Raleigh; Mrs. Nat. Hunt, of Pearly, N. C.; and Mrs. Lizzie Lipscombe, of Raleigh.

Medals were awarded to B. F. Day, of Alabama, and A. E. Wilkins, of Georgia, for compositions; and to W. G. Pearson, of Durham, N. C., and S. H. Wetherspoon, of Raleigh, as debaters.

All these exercises were of thrilling interest. And well may the friends of the institution feel glad of the work being accomplished there; and the founders and those who have given generously of their means in support of the school, rejoice at its great success. At the close of the exercises addresses were made by Rev. C. T. Bailey, editor Biblical Recorder, Rev. Dr. Skinner, and J. H. Williamson.

Mr. A. J. Chesnut, of the Chesnut Brothers, gave another of his popular entertainments at the Baptist church last Monday night to a fair audience.

Mrs. Lucy Patterson left for Washington, D. C., last Monday and will spend a short while with friends in that city. Jim has to hash for himself; ha! ha! ha!

Our good(?) brethren seem a little wrathful yet.

But to tell the truth, the half has not been told, and we would advise them to keep as cool as Griffin's "deep rock," or they may hear something that will cause their ire to rise higher than the thermometer rose last Friday. We have the facts, gentlemen, and don't you forget it.

MOUNT OLIVE ITEMS.

Quarterly meeting at Winn's chapel last Saturday was interesting and passed off nicely indeed.

Mr. Giles T. Loftin is having a nice dwelling erected near the centre of town.

The health of the town is excellent and could not be expected otherwise, it having six or seven regular practicing physicians, a root doctor, a worm extractor and Mr. George Grantham, too.

There would have been quite a fire in town last Friday night but for the timely vigilance of Mr. C. K. Millard. A pile of wood containing 30 or 40 cords, stretching from the railroad warehouse to the hotel, caught fire from the train which passes about 10 o'clock at night, and at once the destruction of these buildings seemed imminent.

The crops in the surrounding neighborhood are looking well. Among the largest and most successful colored farmers in this section are Messrs. Jordan, Bennett, Ezekiel Kornegay, Council Oliver, Aaron Winn, Abram Peel and Prince Kornegay. The first named is cultivating this year about 65 acres in cotton; and corn, potatoes and peas proportionately, himself and children do the work. He hires no help.

An Address to the Members of the Industrial Association.

FAYETTEVILLE, N. C., Oct. 24, '82. It is said "It is the early bird that catches the worm." In order that we may be ready to catch as large a worm as possible, in the beautiful and attractive shape of success, it is important for us to begin the work of arranging our plans, and getting everything in good shape for the next Annual Exhibition of the "North Carolina Industrial Association." This Association is the only institution and enterprise (that I am aware of) that is organized by, and is under the entire control of the colored citizens of the State. It may then very properly be called our institution. I need not therefore say, for it cannot be otherwise than apparent to you, that the perpetuation of our institution and the success of our next annual exhibition will depend largely upon the individual, as well as the united efforts of its members, with proper and united efforts we can and will succeed.

We have the material and resources within ourselves to insure success. All that we have to do is to so arrange our plans as to bring these forces into active and harmonious operation.

The purpose of this communication is mainly to call your attention to these facts, and to solicit your earnest, active and hearty co-operation in every legitimate effort that may be put forth to build up our organization. I will do everything in my power to obtain this most desirable end; but my efforts will be in vain, unless you aid me. Let me beg you to put behind you any differences or misunderstandings that may have heretofore existed, and go to work this year and next with renewed vigor to win success. I expect to draw up a system of rules to govern us in our operations in the future. In order that I may formulate such a system of rules as will meet the approval and command the support of all, I will be greatly obliged if you will favor me immediately with your views and suggestions upon the matter.

Now, Colored North Carolinians, Members of the Association, Brethren and Friends—In union there is strength. In division, weakness, defeat, and perhaps disgrace. I, as your race pride, and rely upon your innate manliness to aid me and other officers in trying to make the next annual exhibition of the Association a success.

Very respectfully, JOHN S. LEARY, President.

EXECUTIVE COMMITTEE OF THE N. C. INDUSTRIAL ASSOCIATION FOR 1882.

J. S. Leary, ex-officio President, Cumberland; John O'Kelly, ex-officio, Vice President, Wake; J. H. Williamson, ex-officio, Secretary, C. W. Hoover, ex-officio, Treasurer, Stewart Ellison, Wake; N. W. Harless, Richmond; W. C. Coleman, Cabarrus; Stewart Hardv, Halifax; Jas. H. Harris, Wake; F. H. Wilkins, Wake; James H. Jones, Wake; Oliver Roane, Wake; George T. Wasson, E. E. Smith, Wayne; John C. Dancy, Edgecombe; E. W. Turner, Vance; W. H. Sumner, Wake; J. M. McArthur, Robeson; C. N. Hunter, Wake; J. H. Poe, Caswell; A. Tate, Wake; J. C. Price, Rowan; F. R.
