PROCLAMATION.

PULVERMACHER'S Hydro-Electric Voltaic Chains! A NEW and NOVEL mode of applying a powerful remedial agent, so constructed as to be worn under the garments, next to the skin, producing a constant uninterrupted current of Electro-Magnetism, effecting IMMEDIATE RELIEF from the most acute pain, and also a permanent cure of all

NERVOUS DISEASES. It seldom has failed to furnish almost instant relief, and a FINAL PERMANENT CURE by being used according to direction, to the following diseases:

Rheumatism, Uterine Pains, Gout, Sciatica, Palpitation of Heart, Paralysis, Periodical Headache, Painful & swelled joints, St. Vitus' Dance, Neuralgia of the Face, General Debility, Disease of the Spine, Pains of the Chest, Deafness, Blindness, Hysteria, Dyspepsia.

All Diseases that are caused by a deficient amount of Nervous Fluid, are greatly relieved, if not permanently cured simply wearing the chains for a few hours each day.

BE IT UNDERSTOOD that it is not claimed that it cures all diseases, but only those for which it is recommended, and moreover, we boldly claim and defy, that no medical agent of any kind has performed so many cures during the last year, of those diseases just named as

PULVERMACHER'S ELECTRIC CHAINS. And to prove this assertion we defy any person to produce so many well authenticated certificates of Scientific Physicians and intelligent patients as may be found in a pamphlet of 36 pages, to be had gratis of the agent in this Town.

The Electric Chains were first introduced in France in 1850, and after being subjected to the most thorough and rigid trials, by the first medical men in Paris, they were found to possess strong and marvellous powers in relieving pain, wherever applied, and by their influence were introduced into the hospitals of that city, and also secured by letters patent by the French Government.

They are now introduced in almost every Hospital in England, Germany, Austria, Belgium, and patented in those countries, where they have become the MOST POPULAR CURATIVE AGENT IN THE WORLD!

They were first introduced in the United States about one year since, and went through with the same trial as in Europe, and were at once introduced into every Hospital in New York, where they are now in daily use, effecting even more wonderful cures than had ever before been awarded them. They are highly recommended Prof. Valentine Mott, Van Buren, Post, and others, who have published their views of their power and value in several of the medical journals in that city, and are also in the daily practice of recommending their use to patients. A full account of their opinion may also be found in every pamphlet, and sent to the address of any person in the State, applying (post paid) to the agents. The Chains can be sent by mail, with full description for use.

Price of Chains, \$3 and \$5. Physicians are politely invited to call and examine their construction, and pronounce upon their merit.

ONE WORD MORE TO INVALIDS. No person need fear that they will not accomplish just what it is claimed they can do, and all persons who have become disgusted with a constant pouring down of patent nostrums (bottled swill) are kindly and politely invited to give them a trial.

CHAM TO LADIES. Ladies who are enfeebled, an requested not to wear them for a great length of time, for by so doing, miscarriage is frequently produced.

N. B.—One Chain will last for years and lose none of its electric power by use, can be applied to either adult or child. For sale in all the principal cities in the U. S. J. STEINERT, Gen. Agt.—N. Y.

All communications (Post paid) addressed to S. S. DEMUTH, McArthur Ohio, Agent for Vinton and adjoining Counties, will receive prompt attention. June 30, 1854.—ly
