DEMOCRATIC THUNDER FROM PENNSYLVANIA!

Judging from the news received yesterday, we have no doubt that the Keystone State has gone democratic by a sweeping majority, and that Gen. Paeker has triumphed over David Wilnot and all his Black Republican and Know Nothing legions.— This is a great political victory.

Nothing definite from the western States. Dubuque, Iowa, is reported to have given 900 majority for the democrats, which may be regarded as a favorable omen from that State.

THE CONCERT.—We remind our readers in this vicinity that there is to be a Concert of vocal and instrumental music at the Court House on Friday evening the 16th inst. No doubt it will be well worth attending, as Mr. Syler is an accomplished musician and we have heard that the ladies and gentlemen who will assist him are also excellent performers and singers. Go by all means.

CHINESE SUGAR CANE.—Some interest is now manifested in reference to the experiments with Chinese Sugar Cane. Persons who have raised a small quantity of it in this neighborhood give it all the virtues which have been claimed for it. Mr. Pearly Brown, Fair day, gave us a taste of molasses, made from this cane, which was about as good as the article known by the name of sugar house. The stalks yield abundantly of the juice.

Mr. E. SWEPSTON has left at our office a specimen of the "Black Potato," the seed of which was brought from Canada, and which he thinks is better than the Neshannocks and other potatoes in common use hereabouts.

IF YOU WANT FRESH OYSTERS—and if you don't w pity you—just call at Swebston & Shockey's Saloon, where they may be had dished up in a style to suit the taste of the verriest epicure.

Messrs. Harpers & Brothers, extensive publishers, have suspended. Their House is reported to have a surplus of upward of \$1,000,000.

The New York and Erie Railroad Company did not pay their laborers at Bergen tunnel last Friday. There was great excitement, and the track was torn up.

Otero, Democrat, has been re-elected Delegate to Congress from the Territory of New Mexico by four thousand majority.

ALL HAIR!!! SOMETHING FOR THE MILLION. PROFESSOR WOOD'S HAIR RESTORATIVE.

WE call the attention of all, old and young, to this wonderful preparation which turns back to its original color hair that has become gray, and restores to it its natural beauty. We call, then, upon the bald, the gray or the diseased in scalp, to use it; and surely the young will not, as they value the flowing locks, or the winking curl, ever be without it. Its praise is upon the tongue of thousands. Waterford, Mass., July 25, 1855. PROF. O. J. WOOD: With confidence do I recommend your Hair Restorative as being the most efficacious article I ever saw or have used. Walpole, and other preparations of the day, all without effect. Since using your Hair Restorative, my hair and whiskers, which were almost white, have gradually grown dark, and I now feel confident that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching, so common among persons who arrive frothy.

North East, Pa., March 9, 1855. SIR: In consequence of having had my hair several years past, not only gray, but perfectly white, have cut it short, and worn caps to hide it from view; but some three months since I was induced to use your Hair Restorative, and I must, in justice, say that its effects were almost miraculous; for it has changed my hair gradually to all its former splendor as to color, and left it so soft and glossy as to be more soft and glossy than it ever was, when under the influence of the finest oil. I earnestly, therefore, recommend it to every lady as decidedly the best preparation for toilet use of any in the world. BETSY SMITH.

PROF. WOOD: Having experienced the magic effect of your Hair Restorative, I drop you this upon the subject. About two years ago my hair commenced falling out and turning gray; I was fast becoming bald, and I met a friend who used your restorative and spoke so highly of its virtues, I was induced to try it, although I had but little faith as I had before tried so many other remedies. I commenced using your remedies in January last. A few applications fastened my hair firmly. It began to fill up, grew out and turned back to its former color (black). At this time it is fully restored to its original color, health and appearance, and I cheerfully recommend its use to all. Chicago, Ill., May 1, 1854. J. D. HOES.

Milford, Worcester Co., Mass., Nov. 15, 1855. PROF. O. J. WOOD.—Dear Sir: I take pleasure in paying testimony to the magic effects of your wonderful Hair Restorative. As far back as 1850, my hair commenced falling out, until the top of my scalp became bald and smooth as glass, and it has continued to fall for many years, notwithstanding I have used many celebrated preparations for restoration. Seeing your advertisement, I was induced to give your medicine a trial, and to my utter astonishment found it after a few applications, that my hair became firmly set, and grew a glossy and beautiful appearance; and by the time I had used a quart bottle my bald head was covered over with a young and vigorous growth of hair, which is now from one to two inches in length and growing fast. Yours truly, HENRY GOODRICH.

New York, Oct. 2, 1854. PROF. O. J. WOOD.—Dear Sir: After reading the advertisement in one of the New York Journals of your celebrated hair restorative, I procured a half pint bottle, and used it for a great length of time, and I can say that it has done more for me than I can describe. I have no doubt, permanently set, and I have no doubt, permanently set, and I have no doubt, permanently set. You have permission to refer to me all who entertain any doubt of its performing all that is claimed for it. MISS FEENEY. 253 1/2 Greenwich Avenue.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. It restored my hair where it had fallen off; it cleans the head and renders the hair soft and smooth—much more so than oil. MARY J. ATKINSON. Louisville, Nov. 1, 1854. Sent at 114 Market st. St. Louis, Mo., 216 Broadway, N. Y., and by all Druggists everywhere. All kinds of Family Patent Medicines for sale on the best terms at Prof. Wood's establishment, 114 Market st., St. Louis, Mo.

Sold by all the Druggists in the place. Sept. 12, 1857.—5-8m
