MARIETTA DAILY LEADER

THURSDAY, FEB. 20, 1896

PERSONAL AND LOCAL.

—Little Trixie.
—Mrs. Ebinger, Second street, has as her guest Miss Clara Ryan, of Woodsfield.

—Mrs. W. G. Bartholow will remove next week to Columbus, in which city Mr. Bartholow has purchased a residence at a cost of \$4000.

—Theo. H. Morrison is located at Wichita, Kas. He is engaged by a large law-publishing firm in its investigating department.—Ohio.

—The Relic Room will be open to visitors on Saturday afternoon, Feb. 23d, from 1 until 8 o'clock.

—The Marietta Fruit Package and Box Company has taken in a new member in the person of a Mr. Marquis, formerly a merchant at Lathrop.

—The Diamond Pants factory was compelled to shut down Wednesday on account of a stoppage in the water pipes that flooded the engines and other parts of the building. The difficulty was removed and work was resumed in the afternoon.

—Mayor Palmer started his nomination petition Wednesday and will be a candidate for re-election to the office which he now holds. Fifty names are required on a petition to nominate a person for any city office. Aspirants are coming out slowly, but there is plenty of time left.

—After an illness of many weeks of dropsical affections, Mr. Jacob Wommer died Wednesday morning at his home on upper Second street. He was a native of Germany, having been born in 1833, and had been a resident of this city for 50 years. He leaves a wife and four children, the children being Mrs. George Putnam, Mrs. Edward Meisenholder, Elizabeth Wommer and Fred Wommer. Mr. Wommer had long been one of the best known and most highly respected citizens of the city and his death will be mourned throughout a wide circle of friends. Funeral from the residence Friday afternoon at 2 o'clock sun time.

—Application for authority to sell at private sale the property of the Marietta Planing Mill Co., assigned, was granted in Probate Court Wednesday. The amount of the appraisement is \$14,000 in round figures. The liabilities of the firm aggregate about \$13,000.

—Mr. D. B. Torpy has returned from a business trip to Charleston, W. Va.

—The steamer Lorena arrived down from Zanesville Wednesday morning and left for Pittsburgh with a good trip. When the new draw span is swung upon its pivot it will mark an era of revival in the Zanesville-Pittsburgh trade that years ago was one of the most profitable known to river men.

—The two-fifths interest of T. W. Moore and D. B. Torpy in the National Hotel property was sold yesterday to N. Moore, John Kaiser and A. L. Gracey, who have had an option on it for some time.

—Deputy U. S. Marshal Mason arrived in the city Wednesday.

—George Wieser was in Parkersburg Wednesday attending the funeral of John Fraine, who was formerly in Mr. Wieser's employ.

—Mrs. Cynthia Spaulding, of the West Side, notice of whose death appeared in Wednesday's Leader, was a woman widely known and greatly beloved by all who enjoyed her acquaintance. She was 74 years of age and had lived in Harmar since 1840. The four children left are Mrs. J. T. Duff, Mrs. C. W. Jenvey, Mrs. L. B. Fuller and L. W. Spaulding. Funeral Thursday at 2 p. m. from residence on Knox street.

—Next Saturday being Washington's birthday the banks and postoffices will observe it as a legal holiday and consequently will be closed.

—The Blennerhassett Hotel, at Parkersburg, has changed ownership.

—The Choral Society at Parkersburg has disbanded. The reason given is that there is no hall in our sister city of sufficient size to justify a concert.

—J. J. Graham, who was arrested at Waverly on Monday by Constable Fox for fighting, was tried yesterday before Justice Jones. He was fined \$5 and costs, \$10 in all, and in default of payment was sent to jail. Kilgore, who was arrested at the same time was released, the charge being dismissed as it was shown that Graham precipitated the fight, having threatened to cut Kilgore, who protected himself by knocking down his assailant.—Sentinel.

—The discharge of a conductor, two brakemen and the suspension of a fireman and engineer created something of a sensation in Z. & O. R. circles Wednesday. It is reported that a barrel of beer in a car marked empty is the cause of the removals and suspensions. The employes concerned were members of the local freight crew.

—It looks as if they had the assailant of Lulu Wetherell, the little Parkersburg girl. A darkey tramp, Jim Sherman, was arrested at Unionville, and is now in jail at Parkersburg. Several witnesses, including the little Wetherell girl, identify the fellow as the assailant.

—Reserved seats on sale at the Marietta Book Store for Little Trixie.

—Little Trixie Saturday night.

—Henry Knoch has begun work on his new house on upper Third street, near Camp Tupper.

—Mr. Rath. Cuthbert, an aged resident of Fifteen, is ill of general debility, complicated with grippe, and is in a critical condition.

—Mr. J. W. Walters, formerly of Marietta and now a successful business man at Columbus, was in the city Wednesday calling on old friends.

—An oil well driller named Fusick was severely burned Tuesday afternoon at the Plummer well on Calf Creek, by an ignition of gas. His clothes were almost entirely burned off of him, and but for his presence of mind in running to the river and jumping in he no doubt would have been fatally injured. His condition is not considered critical.

—Andrew Coleman, who went to Columbus with his family a few days ago, returned to Marietta last night.

—Since the closing up of the Hughes Bros. boiler works contract the Board of Trade has been besieged with offers from various bonus-hunting concerns desiring to come to Marietta and locate for a consideration. Most of the letters have not been answered, the board recognizing that the average bonus-hunting concern is of very little actual benefit to a town. The Hughes Bros. do not come in this category, as the bonus paid them is a mere bagatelle in comparison with the amount of capital to be invested.

—The little daughter of Mrs. Ida Thompson died at Fifteen last week of spinal meningitis and was buried Friday.

—Dr. Ward, this city, attended the Knights of Pythias ball at New Matamoras Wednesday night.

—The postmaster at Alden, up the Muskingum, filed complaint before U. S. Commissioner Guyton Wednesday charging a certain lady of that neighborhood with violating the postal laws by mailing a letter bearing a stamp which had been previously cancelled. The name is withheld until the arrest is made by Deputy Marshal Mason, who is now in the city.

—It is expected to swing the new draw span in the B. & O. S. W. railroad bridge today and the section men have been notified to be here for the purpose of cutting the rails. The work of erecting the span has been done quickly and apparently without interfering in the slightest degree with the running of trains. When it is in perfect working order one of the greatest eyesores to Muskingum river navigation will have been removed.

—John Welch, of Briggs, who was fined \$5 and costs for disturbing a funeral, was released Wednesday, his fine having been paid by his brother.

—The infant daughter of Jacob Spindler, who lives on Duck Creek a few miles from the city, died Wednesday morning of cholera infantum.

—The case of Catherine Dauber against Jacob Ludwig, to recover damages for alleged slander, came to an end in Common Pleas Court Wednesday when the jury returned a verdict in favor of the plaintiff for one dollar, each party to pay his own costs. The case was an interesting one and was stubbornly contested. Mr. Ludwig was indicted for the same offense several months ago, but a demurrer to the indictment was sustained and the case ignored by a subsequent grand jury.

—The ladies of the Presbyterian church will give a State supper and social at the church on Thursday evening. Most of the states and territories will be represented by young ladies. Regular supper (25c), will be served from 5:30 to 8:00 p. m., and ice cream and cake (10c) through the evening.

—During the season of bad roads operations in the Waverly field have been practically closed down, and some of the turbulent spirits about there have been putting in their time fighting for amusement, there being no officers around to interfere with them.

—Yesterday Mr. Louis Lang sold to Miss Lizzie Gedel the house in which he lived, in Glendale. The price paid was \$950.

—May Smith Robbins and a clever company in Little Trixie Saturday night.

Watch Presentation.

Yesterday James Morrison, one of the best known drillers in this section, was presented by the members of the Deep Run Oil company with a handsome gold watch, as a token of the esteem in which he was held. The watch was one of the finest ever seen in the city and was set with diamonds. Mr. Morrison has been in the employ of the Deep Run company for a long time and they hold him in high esteem.—Sistersville Review.

Church at their church parlors, Friday evening, consisting of music by mandolin and guitar club, violin solo by Lloyd Strecker, declamations by Mr. Carl Kaiser and Miss Clara Bay and singing by choir, after which supper will be served. Saved His Life
—by a fortunate discovery in the nick of time. Hundreds of persons suffering from consumption have had the progress of the disease stopped, and have been brought back to life and health by the "Golden Medical Discovery" of Dr. Pierce.

Years ago Dr. R. V. Pierce, now chief consulting physician to the Invalids' Hotel and Surgical Institute of Buffalo, N. Y., recognizing the fact that consumption was essentially a germ disease, and that a remedy which would drive the germs and their poisons from the blood would cure consumption, at last found a medicine which cured 92 per cent. of all cases, if taken in the earlier stages of the disease.

The tissues of the lungs being irritated by the germs and poisons in the blood circulating through them, the germs find lodgment there, and the lungs begin to break down. Soon the general health begins to fail, and the person feels languid, weak, faint, drowsy and confused.

This is the time to take Dr. Pierce's Golden Medical Discovery; it drives the germs and poisons from the blood, and has a soothing effect upon the dry cough. In cases of bronchitis the "Discovery" is invaluable. "Golden Medical Discovery" increases the amount and quality of the blood, thus invigorating and fortifying the system against disease and builds up wholesome flesh and strength after wasting diseases, such as fevers, pneumonia, grip and other debilitating affections.

J. M. HITE, of Audubon, Audubon Co., Ia., says: "I took a severe cold which settled on my lungs and chest, and I suffered intensely with it. I tried several of our best physicians here, and they gave up all hopes of my recovery, and thought I would have to die. I would cough and spit blood for hours, and I soon got weak. I was greatly discouraged when I began the use of the 'Discovery,' but I soon got better. It has been five years since I took it and have had no return of that trouble since."
