The action was taken at the solicitation of the business men who are desirous of a celebration. The preliminary outline of the program embraces racing, fireworks, divers sports and a picnic. Committees have been appointed to take charge of the various departments of the occasion and it is the avowed intention to make the celebration one of the biggest things of the kind in the city's history.

—Messrs. Eugene Minshall and Laurence Dana went out the T. & O. C. E. Friday to do some surveying.

—Hon. and Mrs. A. W. Glazier, of Belpre, and Mrs. Dr. S. S. Adair, of Beverly, were in the city Friday, being on their way to attend the funeral of Mrs. Henry Glazier, who died at Amesville Thursday.

Mr. Strecker's nomination paper is being circulated by friends and already has more than the required number of signatures. The universal opinion is that he will make a splendid councilman.

—The death of Wallace Chamberlain, a well known old soldier, occurred Friday morning at his home, Putnam and Seventh streets. Deceased was 58 years of age and a victim of bowel trouble. —The mysterious disappearance of Arthur Dickerson upon the eve of his marriage to Miss Agnes Browning, which has been noted recently in the Leader, is still the chief topic of interest in Waterford township. The theory that the young man was foully dealt with has given way to the general belief that for some inexplicable reason he deserted his bride-to-be and has left the country. Rumors are rife as to the cause for such action, but none of them has sufficient foundation to justify its publication.

WARREN BERRY ROBBED.

Goes Against Parkersburg Sharks with the Usual Result.

The Parkersburg Journal of Friday evening says: Warren Berry, the well known oil man, had \$200 taken from him last night, and was attacked by a gang of toughs, who attempted, from all appearances, to take his life.

Berry told his story and made his accusations to Detective Mehen and that officer went before Squire Jones and swore out a warrant against John Mc Nerney and Charles Johnson, charging them with running a gambling house. Other warrants will also be issued, alleging more serious charges.

Berry was drinking a little and dropped into Johnson's saloon, where he took several drinks. He then went upstairs into a room and sat down to a little game of draw poker. He was beating the game and was over \$60 ahead when the gamblers piled him and struck him with chairs. Berry, who is a big, brawny, athletic fellow, made a fine defense against the toughs. During the fight some one took \$200 from his overcoat, as well as the \$60 worth of chips, which he had on the table. He says they said they would kill him and tried to do it, he thinks. He finally succeeded in getting out of the den alive. He was badly bruised and cut on the hands, arms, shoulders, and head. He laid the matter before Detective Mehen, with the result that warrants were issued.

Mr. Berry is well known in Parkersburg. He is a jolly good fellow and is never on the lookout for trouble. He is a wealthy oil man and regrets that the affair became public.

Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. The U. S. Gov't Reports show Royal Baking Powder superior to all others.

When love knocks at a woman's heart he usually comes in disguise. Doesn't want it known what he's up to. If she knew all about the little rascal, would she let him in? That's a question.

Women are apt to look upon love as marriage as purely a matter of sentiment and affection. That is pretty nearly right; yet there is a practical side to it too; and the best way to preserve the ideal aspect of marriage and maternity is not to forget the practical part of it. A woman cannot be a thoroughly happy wife and mother unless the distinctive physical organism of her sex is in a healthy and vigorous condition. The best friend that woman ever had is the "Favorite Prescription" of Dr. R. V. Pierce, Chief Consulting Physician of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. The "Prescription" is a perfect and infallible remedy for every form of "female weakness." It cures by restoring health and strength to the internal organism, which cannot be reached by "local applications," thus the cure is radical, complete and constitutional.

Dr. Pierce's eminent reputation as a physician of wide learning; and his special knowledge of the delicate and intricate organism of women, accounts for the unparalleled confidence, which women place in his "Favorite Prescription," over every other remedy. Its use obviates the necessity of dreaded "examinations" and the stereotyped "local treatments."

Dr. R. V. Pierce, Dear Sir— I suffered fourteen years with female weakness, nervousness, and general debility, trying everything I could find to help me—all to no avail. I then heard of Dr. Pierce's medicines and although I was thoroughly discouraged, I thought I would try once more to find relief. I took your "Golden Medical Discovery" and "Favorite Prescription," and too great praise cannot be given for the rapid relief they gave me. I am now free from the former troubles. Very sincerely yours,

Mary J. Stewart.
