

## THE ELECTION

### In the Dominion of Canada for Members of Parliament.

### The Result Was a Complete Overthrow of the Conservatives.

### Manitoba School Question Aroused Much Enthusiasm and Excitement—Double-Headed Policy of the Conservative Party on That Issue.

TORONTO, Ont., June 24.—The general election for the dominion parliament took place throughout the dominion Tuesday and the contest was probably the most hotly contested and in some respects the most bitter in the history of Canada. The result is the complete overthrow of the conservative government, led by Sir Charles Tupper.

While the tariff question was the most important issue of the campaign, the Manitoba school question aroused a greater degree of enthusiasm and excitement, and a leading feature in the election was the double-headed policy of the conservative party on that question. Many conservatives running as supporters of the government on all questions except as regards its Manitoba remedial legislation. Three cabinet ministers in the Tupper government were defeated viz: Hon. A. R. Dickey, minister of justice; Hon. L. O. Taillon, post master general, and Hon. A. Desjardines, minister of public works.

Hon. Wilfred Laurier, the liberal leader, was elected for two constituencies. Dalton McCarthy, leader of the independents, was also elected for two constituencies.

Hon. Peter White, speaker of the house of commons, and Hon. A. B. Angers, ex-minister of agriculture in the Mackenzie Powell cabinet, was defeated. Hon. David Mills, ex-minister of the interior in Alex Mackenzie's cabinet, was also defeated. The vote at midnight stands:

Liberals 111, conservatives 79, independents 8; patrons 4. There are still 11 constituencies to hear from, but it is conceded that Mr. Laurier, liberal leader, will on the assembling of the house, have a clean majority of 68, irrespective of the independents and patrons. There was much excitement throughout the country; but the voting passed off quietly.

### The Weather.

WASHINGTON, June 24.—Ohio—Thursday fair; light southerly winds.  
Kentucky—Thursday partly cloudy weather; southerly winds.  
West Virginia—Showers Thursday; southerly winds.

A large number of persons have taken refuge in the British consulate. The massacre is ascribed to agents of the porte, who were paid to provoke a demonstration on the part of the Armenians which might serve as a pretext for a general slaughter of Christians.

## FOR SILVER.

### The Ohio Democratic Platform Favors the White Metal.

### Messrs. Thurman, Finley, Holden and McLean Elected Delegates-at-Large.

For Alternates, Messrs. Decker, Hoppie, Degner and Connell. For Secretaries of State, Chilton A. White, For Supreme Judge, E. K. Blondin, Cleveland.

COLUMBUS, O., June 24.—Delay in reaching an agreement in the resolutions committee delayed the opening of the Democratic state convention till 10:30 o'clock Wednesday morning. Chairman M. A. Smalley, in calling the convention to order, made no speech, simply reading the list of temporary officers selected by the state committee.

Upon assuming the duties of temporary chairman, W. A. Taylor addressed the convention at some length. At the conclusion of Col. Taylor's speech Reuben Turney, a delegate from the Seventeenth district, secured the floor and said he was glad to see this spontaneous expression of disapproval and repudiation of Grover Cleveland, and that Benedict Arnold of the democratic party.

He was hissed down and took his seat. Upon motion of a delegate, A. W. Patrick, of New Philadelphia, who was styled a veteran free silver man, was invited to the platform. He made a short speech in which he reminded the convention that he, with others, made a hard fight one year ago for free silver and was turned down. He prophesied that the need for a free silver crop was then sowed, and this occasion proves it. He was enthusiastically received.

The committee on permanent organization presented its report immediately following that on rules, which was adopted without amendment, and a committee sent to escort the chairman, Gen. A. J. Warner to the hall.

In taking the chair as permanent chairman Gen. Warner made a short speech. His only criticism of the present administration was in that it had created an enormous debt in a time of peace. He said he believed Maj. McKinley was honest in his money theory, but he could no more bring prosperity to the nation that way than he could lift himself by his boot straps.

Chairman Hagerty, of the committee on credentials, reported all counties represented, and no contest except in Stark county. In that case the committee recommended the seating of the silver faction delegates. The report was adopted without opposition. The committee on resolutions then reported the following, which was adopted:

### THE PLATFORM.

We, the democrats of Ohio, in convention assembled, hold that the money question is the vital and paramount issue now before the people of this country, and that its early and correct settlement is necessary to the revival of business and the return of prosperity; therefore,

Resolved, That we are unalterably opposed to the single gold money standard, and demand an immediate return to the constitutional money of gold and silver by the restoration of this government, independent of other nations, to the restricted coinage of both silver and gold into standard money at the ratio of 16 to 1, and upon the terms of exact equality existing prior to 1871, such silver coin to be a full legal tender, equally with gold coin, for all debts and dues, public and private.

Resolved, That the delegates at large, this day chosen by this convention, and the delegates to the national convention from the several congressional districts be and they are hereby instructed to use all honorable means to secure the adoption of the principles contained in the foregoing resolution by the national democratic convention, to be held at Chicago July 7, and to vote only for candidates for president and vice president who are known to be in full accord therewith; and to accomplish these ends to cast the votes from the state of Ohio as a unit as a majority may determine.

The report of the credentials committee seating the silver faction delegates in Stark county, the only place where there was a contest, was adopted without opposition.

A minority report, recommending the addition to the majority of a tariff plank, a Cuban sympathy plank, and other resolutions denouncing the republican administration of the state, was presented by J. C. Patterson, of the Third district. It was promptly tabled. A motion was then made to strike out the unit rule resolution. This was also tabled. The roll of counties was demanded on the question of adopting the majority report by the opponents of the unit rule, all opposition to free coinage having apparently been withdrawn.

The following names were presented for delegates-at-large to Chicago: Allen W. Thurman, of Columbus; E. B. Finley, of Bucyrus; John B. Bookwalter, of Springfield; L. E. Holden, of Cleveland; John W. Connell, of Cadiz; John R. McLean, of Cincinnati; and Charles P. Saleen, of Cleveland.

The votes on delegates at large was McLean 615, Thurman 491, Saleen 113, Finley 823, Holden 444, Bookwalter 331, Connell 112, Campbell 4, Thomas 2.

Three hundred and thirty-seven were necessary to a choice, there being 673 votes in the convention.

Allen W. Thurman, E. B. Finley, L. E. Holden and John R. McLean were declared elected.

For alternates-at-large, W. E. Decker, of Paulding; Casper T. V. Hoppie, of Cincinnati; P. H. Degner, of Toledo, and John W. Connell, of Cadiz, were chosen.

May Feshelmer, of Cincinnati, and Thomas Powell, of Columbus, were nominated for electors-at-large.

For secretary of state Chilton A. White, of Brown county, was nominated.

For supreme judge E. K. Blondin, of Cleveland, received the nomination.

Patrick McKoon, of Cincinnati, was nominated for state food commissioner.

William Beaumont, of Licking county, was nominated for member of the state board of public works.

The convention at 5 o'clock adjourned sine die.

**Pure Food Decision.**  
COLUMBUS, O., June 24.—An important decision relative to the state pure food laws was rendered by the supreme court Tuesday in the case of the state vs. L. Draher, of Cleveland. The court held that the addition of a foreign substance to an article of food was an adulteration, even though the article added was not deleterious to the person eating it. The decision sustains the lower courts.

## ON A SILVER PLATFORM

### Gov. John P. Altgeld is Renominated for Governor of Illinois.

PEORIA, Ill., June 24.—At 5:40 p. m., Tuesday, the democratic convention renominated Gov. Altgeld by a rising vote and by acclamation. For lieutenant governor Judge Monroe C. Crawford, of Union county, was nominated.

GOV. ALTGELD.

The platform favors the soundest and safest money known to man and, as experience has shown that this consists of both gold and silver with equal rights of coinage and full legal tender power, we demand the repeal of that republican and plutocratic legislation which demonized silver and reduced it to the basis of token money, destroying by one half the stock of real money and by doubling the work to be done by gold, doubled its purchasing power so that the farmers and producers had to give twice as much work to get a dollar as they formerly had and found it hard to meet the debts, interest, taxes and fixed charges which were not lowered. In this way the market for those things which the mechanic and laborer made was destroyed and the factories had to shut down.

### SUNDAY-SCHOOL STATISTICS.

Present Membership in the United States 12,236,630—Gain During the Year 1,262,229.

Boston, June 24.—At the late afternoon session, William Reynolds, field superintendent, read a long report advocating a complete change in organization, recommending house to house visitations, also class work and the increasing of Sunday-school literature.

In the evening B. F. Jacobs made the report for the international executive committee. Membership statistics were presented showing 132,639 schools in the United States with a membership of 12,236,630, a gain in the year of 1,262,229. In Canada and Newfoundland 9,459 schools, 746,000 members.

Hon. John Wanamaker, of Philadelphia, arrived during the day and Tuesday afternoon addressed the convention upon the topic, "The International Sunday-School Work."

### FOR BOIES

HUNTINGTON, W. Va., June 24.—B. B. Harding, delegate-at-large from this state to the national democratic convention, an uncompromising free silver man, was interviewed Wednesday morning regarding his choice for president. He said: "Boies, of Iowa, is my choice for first place, and Blackburn or Daniels for second." Mr. Harding was late national bank examiner, but his free-silver views caused a rupture with the administration, and his resignation was requested.

### LIFE CRUSHED OUT.

A Miner Killed by a Landslide in West Virginia—A Negro Severely Injured.

MONTGOMERY, W. Va., June 24.—A severe wind and rain storm passed over this section Wednesday. Immense land slides are reported at St. Clair, Edgewater, Crescent and Union mines. The trestle over Morris creek was washed away. At Crescent two houses were washed from the mountain side. Under one of them Phil Clark, a miner, was working to turn the flood from his home, and when the crash came he was crushed to death.

Grant Pinnick, colored, was severely injured.

**Indiana Democratic Convention.**  
INDIANAPOLIS, Ind., June 24.—The Indiana democratic convention recommended Gov. Claude Matthews for president, and favors free coinage of both gold and silver. B. J. ## CUBAN LEADERS

### At the National Capital Warring With Each Other.

### Senor Aguirre Makes an Attack on Senors Quesada and Palma.

### He Says These Representatives of the Cuban Junta Are Living on the Fat of the Land—They Do Nothing in the Way of Duty.

WASHINGTON, June 24.—A prominent advocate of Cuban independence, who was for some time connected with the official representation of the patriots here, sharply criticises the representatives of the Cuban Junta here, Senors Quesada and Palma, for which he declares to be their extravagant living and neglect of duty, and their alleged action in antagonizing every movement set on foot for the establishment of a republic in Cuba. Senor Aguirre said:

"The expenses of Quesada and Palma here are more than \$50 a day. When the resolution recognizing the belligerency of Cuba came up in Congress, the members who were very desirous of aiding the struggling revolutionists consulted Quesada and Palma as to what was best to be done. They informed the representatives that they did not desire the resolution to pass, what they wanted was armed intervention by this country.

So, also, when the question of the joint resolution came up Quesada and Palma fought it. They urged that a joint resolution would look like an attempt to override the president, and they did not wish it. Through Senators Lodge, Cameron and others, they killed it in the committee.

"So absolutely nothing has been accomplished for all the outlay of money by the legation.

Quesada and Palma deny the charges in toto.

MADRID, June 24.—In addition to the 40,000 troops, which these dispatches have heretofore announced would be sent to Cuba in September, 40,000 will be dispatched in October and 20,000 more before January.

It is announced that the government will introduce in the cortes a bill dealing with Cuba. Ex-Prime Minister Sagasta will support this measure. Its contents have not been divulged.
