**MARIETTA DAILY LEADER**

FRIDAY, JULY 3, 1896

PERSONAL AND LOCAL.

—Dr. John Boyd will preach at the  
 County Infirmary Sunday afternoon  
 next, at 3 o'clock. Neighbors invited.  
 —The Ladies of the Harmar Congre-  
 gational Aid Society, because of the  
 change in the 4th of July program,  
 will not serve lunch, but will give a  
 supper at the church Thursday, July  
 9th.

—Mr. Walter Booth, of Toledo, is in  
 the city.

—Born in this city, Thursday, July  
 2d, to Mr. and Mrs. Philip Becker,  
 Fifth street, a son.

—The ladies of the Presbyterian  
 Church will have their monthly Mis-  
 sionary Tea at the church at 2:30 this  
 afternoon. An interesting program  
 will be had and all are invited.

—Mr. Fred Perkins is occupying his  
 new house on Washington street. It  
 is in one of the finest locations in Ma-  
 rietta, and is one of the coziest little  
 houses in town.

—Dr. Frank Hart has completed the  
 improvements on his house on Mus-  
 kingum avenue. He has built a sub-  
 stantial and beautiful veranda at his  
 front door, and the whole house has  
 undergone at the hands of Mr. Wallace  
 Scott a painting in buff, with the  
 mortar spaces pencilled in black. The  
 house looks fine, and gives the appear-  
 ance of having just stepped out of  
 Milwaukee.

—Hon. D. B. Linn, of Zanesville,  
 died in that city Wednesday evening,  
 the 1st instant. Mr. Linn was a gradu-  
 ate of Marietta College, and will be  
 remembered by many old friends in  
 this city. He was the founder of the  
 Zanesville Signal, and he served with  
 distinction in the General Assembly of  
 Ohio.

—Misses Carrie Strecker and Salina  
 Pearce left yesterday afternoon for  
 Chautauqua to spend several weeks.  
 They went via Z. & O.

—Dr. Arthur Payne left yesterday for  
 Xenia.

—Mr. H. S. Saroni has just finished  
 the composition of a march that he has  
 written and arranged especially for  
 Arnold's band. By those who have  
 heard the same in rehearsal it is said  
 to be most dignified and stirring. It  
 will be first rendered next week at the  
 open air concert in Muskingum Park.  
 The name of the march is "The War-  
 rior's Return." Mr. Saroni is at work  
 now on a waltz for the band, the  
 title of which is "Autumn Leaves."

—The celebration of the Fourth to-  
 morrow, in this city, promises to be a  
 great success. The committee of the  
 Trades and Labor Council, who have  
 the celebration in hand, have worked  
 arduously, and we hope they may have  
 a pleasant as well as a big day for the  
 fun.

—Judge Sibley granted a new trial  
 yesterday to Fred Petrie, who was con-  
 victed at the last term of court.

—Colonel John H. Riley has been in  
 Pittsburg for several days on a busi-  
 ness trip.

—Mr. John M. Landon left Thursday  
 with his family for Pittsburg, where  
 they will spend a few weeks visiting  
 friends.

—Mrs. W. M. Morse and daughter,  
 Laura, have returned from an extend-  
 ed trip west.

—Arthur H. Cole is here from Hunt-  
 ington, recuperating from injuries re-  
 ceived by an accidental fall.

—Iviva Smith was released from the  
 county jail Thursday, having been  
 serving out a sentence of imprisonment  
 for sending obscene matter through  
 the U. S. mails.

—The fire department will make an  
 exhibition run tomorrow evening at  
 7:30.

—Concerning the big storm in the  
 East End of the county last week the  
 Matamoras Mail says: The iron bridge  
 at the mouth of Mill creek is down.  
 The pier on the north side fell, taking  
 the iron structure with it. The plates,  
 rods, &c., are lying in the creek, twisted  
 and bent into an indescribable mass.  
 The bridge a quarter of a mile above  
 was also washed away. From the head  
 of the creek to its mouth was a perfect  
 torrent, carrying with it trees, rocks,  
 logs and brush, but no houses, we are  
 pleased to say. The loss to farmers is  
 very heavy. Vast fields of splendid  
 corn were washed out or covered with  
 stone, earth and drift. Meadows were  
 ruined, the hay lying flat, and wheat,  
 already cut, was carried out by the  
 wild waters of the creeks and branches  
 to the river. The soil in many fields  
 was washed off, leaving clay and rocks  
 bare. The loss cannot be estimated.  
 The run back of town was Mill creek  
 repeated, only on a smaller scale. The  
 water broke over at Shultheis' and  
 came down Main street in a torrent,  
 bringing with it a great deal of sediment  
 and drift, which was deposited along  
 the streets in many places. The water  
 rushed through Karcher's blacksmith  
 shop, and was nearly on a level with  
 the floors of Heddleston's store.

—Dr. Daveny, an eye and ear special-  
 ist from Huntington, is in the city,  
 with a view to locating here.

—Rufus Steele has introduced a new  
 feature in the Park concerts in provid-  
 ing camp stools for those who want to  
 sit.

—A lawn fete was enjoyed last eve-  
 ning in the yard of the Congregational  
 church.

—The open air concert in Muskingum  
 Park last night called out a tremen-  
 dous body of people, and they  
 swarmed up and down the premises,  
 listening to the delightful strains of  
 Arnold's band. Vehicles of every kind  
 lined up the street for rods in front of  
 the band stand.

—Robert Swingle, a C. & M. brake-  
 man, got three toes mashed, which had  
 to be amputated, in alighting from a  
 B. & O. freight train near the crossing  
 of the two roads at Cambridge. He  
 had boarded the train while going to  
 the C. & M. Shops to save walking, but  
 in stepping off, tripped and his foot  
 caught under the wheel with the re-  
 sult stated.—Caldwell Press.

—The case of James H. Oliver  
 against the Board of Education of  
 Lawrence township, to recover salary  
 claimed to be due for teaching two  
 months school, was decided Thursday  
 in favor of the defendant by Judge  
 Sibley. The case will be carried up to  
 Circuit Court.

—Near Lathrop the first of the week  
 two young men named Beecher Mat-  
 thews and Charles Goddard engaged in  
 a friendly scuffle for the possession of a  
 loaded shotgun. The weapon was dis-  
 charged and both were seriously in-  
 jured, the charge passing through the  
 calf of Matthew's leg and lodging in  
 Goddard's thigh.

—The Big Four Cycle Co. have opened  
 up a bicycle livery and will have  
 new wheels to rent at 25 cents an hour.  
 Their tandem rents for 25 cents an  
 hour also, and is a beaut. We call at-  
 tention to the reduced prices on their  
 sample wheels as advertised in our  
 columns.

—Thursday afternoon William Hill,  
 aged 16 years, while employed on the  
 work of tearing down the old Ward  
 building, was struck by a piece of fall-  
 ing timber and received severe contu-  
 sions on the shoulder, arm, hand and  
 side. His escape from fatal injury was  
 very narrow.

—Miss Frieda Naas and Miss Stella  
 Blum, are guests at the home of M. S.  
 Luchs, Third street.

—Work on the construction and in-  
 stallment of the plant of the new Ma-  
 rietta Boiler Works is progressing rap-  
 idly under the supervision of Mr.  
 Hughes. The east wall of the main  
 building is completed and the west  
 wall is in an advanced stage. The  
 slate roof is nearing completion. The  
 engines boilers and big pumps to sup-  
 ply the hydraulic power are already  
 placed and steam will be raised next  
 week, when the work will be hurried  
 to completion and the plant put in op-  
 eration at an early date.

—Raynald Lodge No. 82, K. of P.,  
 will give a picnic at Blennerhassett  
 Island on July 8th, having chartered  
 the steamer Barnesdall. Schlicher's  
 band and orchestra will accompany the  
 excursionists. The steamer will leave  
 the wharf at the foot of Front street  
 at 9 o'clock a.m.

—Mrs. D. W. Pickering left Thurs-  
 day to visit relatives at Seville, O.

—Miss Lucinda Schimmel left Thurs-  
 day morning for Mansfield on a visit to  
 her sister.

—The freight houses of the Terminal  
 Railway Company will be closed July  
 4th. A delivery of all the perishable  
 freight will be made early Saturday  
 morning.

—Miss Ella Shepherd was taken to  
 Athen's Hospital Thursday for treat-  
 ment at the hospital for the insane.

—The poles for the new electric road  
 and incandescent plant have arrived,  
 and will be placed in position at once.

—The "Helen Bridges" failed to cast  
 off early last evening because of a  
 blown out gasket. The fault of no-  
 body, of course, but a disappointment  
 to both people and crew. She is a great  
 craft, for the purposes designed, and  
 we hope she will return to our city  
 soon.

—Taylor, Locke, and Williams, of the  
 Nelsonville team, have been signed by  
 the Marietta management.

—A jolly party of excursionists en-  
 joyed a ride up the Muskingum last  
 evening on the elegant steamer Helen  
 Bridges, returning at eleven o'clock.

—Miss Isabella Moss, of Parkersburg,  
 is the guest of Miss Ethel Pape, Second  
 street.

—Miss Carrie Strecker left Thursday  
 afternoon for Chautauqua.

—Miss Minnie Barnes, of Barnsville,  
 is the guest of relatives in the city.

**A New Tandem.**

Ever ready to keep abreast of the  
 great cycling procession Messrs. Hagan  
 & Schad have received an elegant Ariel  
 tandem wheel which they will add to  
 their bicycle livery. The machine is a  
 combination, with drop frame in front  
 and diamond frame in the rear. It is  
 beautifully finished in dark maroon,  
 with all the latest improvements, and  
 geared to 70 inches, the most desirable  
 for tandems. It is one of the finest  
 examples of the bicycle builder's art in  
 the city.

While inspecting the machine the  
 Leader man took a peep at Messrs.  
 Hagan & Schad's new bicycle repair  
 shop in the rear of their store. The  
 shop is thoroughly equipped with all  
 the latest machinery and tools, includ-  
 ing a vulcanizer for rubber tires and an  
 oven for re-enameling. Many speci-  
 mens of their work at re-enameling old  
 wheels were seen and it gave evidence  
 of highest skill. The workmen in the  
 repair shop are all experienced repair-  
 ers and with the complete equipment,  
 are almost able to rebuild a good wheel  
 from a pile of scrap iron.

**Two Lives Saved.**

Mrs. Phoebe Thomas, of Junction  
 City, Ill., was told by her doctors she  
 had Consumption and that there was  
 no hope for her, but two bottles of Dr.  
 King's New Discovery completely cured  
 her and she says it saved her life. Mr.  
 Thos. Eggers, 139 Florida St., San  
 Francisco, suffered from a dreadful  
 cold, approaching Consumption, tried  
 without result everything else then  
 bought one bottle of Dr. King's New  
 Discovery and in two weeks was cured.  
 He is naturally thankful. It is such  
 results, of which these are samples,  
 that prove the wonderful efficacy of  
 this medicine in Coughs and Colds.  
 Free trial bottles at W. H. Steyer's Drug  
 Store. Regular size 50c. and \$1.00.

**THE REASON WHY**

Every Why Has a Wherefore and 'Tis Well  
 to Look For It at Times.

In these days people want to know  
 the Whys and wherefores.

The 19th century man is a natural  
 skeptic. The why and wherefore of such is  
 plain.

He reads statements of supposed  
 facts. He is told that every ailment of man-  
 kind can be cured.

He has an ailment and tries some  
 panacea. It fails; he tries another with the  
 same result.

Such experiments make him look  
 askance at future claims. Often the fault is  
 his, but he don't see why.

He may have a backache or perhaps  
 a lame or weak back.

He used plaster or liniments, they re-  
 lieved him for a time, but failed to  
 cure the trouble.

This is his fault; the why is that he  
 did not know the wherefore of his  
 aches.

Had he known that the kidneys were  
 the cause. That backache generally means kidney  
 ache.

That the kidneys must filter the  
 blood constantly. That failure to do so immediately  
 affects the back.

That backache is only the first step  
 toward many kidney disorders. Urinary troubles follow.  
 Retention of urine. Excessive urine.

Diabetes—Bright's disease. Doan's Kidney Pills are positively  
 specific for all kidney complaints.

The aching back has no greater enemy  
 than Doan's Kidney Pills—not injur-  
 ious to the most delicate constitu-  
 tion. Do not act on the bowels, but  
 direct on the kidneys. For sale by all  
 dealers. Price 50 cents per box, or six  
 boxes for \$2.50. Sent by mail on re-  
 ceipt of price by Foster-Milburn Co.,  
 Buffalo, N. Y., sole agents for the  
 United States.
