Side, left Thursday for her home at  
Portland, O.

—Charles Otto and family will leave  
next week for Cleveland, where they  
will embark for a trip on the lakes,  
with Duluth as their objective point.  
It is a grand trip and will certainly be  
enjoyed.

—Otto Bros. are putting in a fine  
new hydraulic passenger elevator. It  
is modern and up-to-date in every re-  
spect.

—B. E. Stoehr's new house on Fifth  
and Warren streets is beginning to  
show what a fine home Mr. Stoehr and  
his family are soon to enjoy living in.  
Built of brick, and of a broad-gauge  
city style, the house will be an orna-  
ment to the city.

cause of mud. Today the game will be

a few weeks at Atlantic City.

—The Ohio Valley base ball league  
will be composed of the paid teams of  
Sistersville, Marietta, Zanesville, Hunt-  
ington, Charleston, Ironton, Ports-  
mouth and possibly Parkersburg. The  
latter team may not become a member  
of the league on account of the ill will  
existing between it and other nines. A  
meeting to perfect the organization will  
be held at Marietta this week. It is  
proposed to schedule a series of 42  
games, each team to play six games  
with each other team, beginning July  
27.—Enquirer. As the most of the  
clubs don't seem to want Parkersburg  
in the league, why not Cambridge? We  
have as good a club as the cities named  
above and if we could not wind up the  
season at the head of the list, we would  
be very near it. Besides, if Cambridge  
could get in the league, it would insure  
good clubs to play against as all the  
above clubs have good reputations for  
ball playing.—Cambridge Jeffersonian.

—Dr. Mullin was taken in charge by  
the authorities Thursday night, being  
in a pitiable state mentally. It was  
first noticed Wednesday that his mind  
was unbalanced, but it was thought he  
would recover in a short time. He  
grew worse, however, on Thursday  
and the only thing left to be done was  
to take charge of him.

—W. M. Baker, of Grandview, this  
county, is suffering from a severe in-  
jury received in a peculiar and un-  
usual manner. About two weeks ago  
he was attacked by a young cock,  
which struck him viciously in the face,  
one of its spurs penetrating the orbital  
plate of the frontal bone above the  
right eye to the depth of half an inch.  
The spur broke off and the attending  
physician overlooked the piece. Mr.  
Baker suffered intensely from the  
wound until a few days ago, when he  
came to this city and the foreign sub-  
stance was removed by Dr. Gallagher.

in the city today visiting friends.  
Speaking of the proposed plan to make  
Putnam Military academy a feeder for  
the college he said that project would  
probably not be consummated this  
year. The resignation of the president  
of the college and other matters con-  
cerning the policy of the institution  
were such as to render the accomplish-  
ment of the plan inadvisable. It is  
probable however that the union may  
follow next year.—Zanesville Courier.

—The Annual reunion of the sur-  
vivors of the gallant 123d O. V. I. will

**EAST LIVERPOOL BEATEN.**

Taylor's Curves Too Much for the Boys  
From up the Ohio.

In the game with East Liverpool at  
the Athletic Park Thursday afternoon  
Jack Taylor, of the Mariettas, gave  
one of the finest exhibitions of pitching  
ever seen here. The visitors made but  
six hits off his delivery, seventeen of  
them striking out. His brother Sam,  
the Marietta catcher, also distin-  
guished himself by knocking the ball  
over the right field fence for a clean  
home run. The Marietta boys had  
their batting clothes on and pounded  
out 16 clean hits, the East Liverpool  
team being compelled to change  
pitchers twice during the game. Fol-  
lowing is the score:

**Marvelous Results.**  
From a letter written by Rev. J.  
Gunderman, of Dimondale, Mich., we  
are permitted to make this extract: “I  
have no hesitation in recommending  
Dr. King's New Discovery, as the re-  
sults were almost marvelous in the case  
of my wife. While I was pastor of the  
Baptist Church at Rives Junction she  
was brought down with Pneumonia  
succeeding La Grippe. Terrible parox-  
ysms of coughing would last for hours  
with little interruption and it seemed  
as if she could not survive them. A  
friend recommended Dr. King's New  
Discovery; it was quick in its work  
and highly satisfactory in results.”

**THE STRUGGLE OVER.**

Chief Disbrow, of the New Brighton,  
Pa., Police, Makes a Public  
Statement of Interest.

A well known citizen of New Bright-  
ton is Mr. Edmund Disbrow, and old  
resident and a public official. As chief  
of the police, he is recognized as a cap-  
able and efficient officer. If the state-  
ment of anyone carries weight with it,  
surely none could be stronger than that  
of Mr. Disbrow. Said he to our repre-  
sentative: “Kidney trouble has, during  
many years been a source of a great  
amount of misery for me. From my  
back I suffered most; I had a dull,  
heavy pain and soreness in the small of  
my back, which was at times very se-  
vere; I would get so stiff as if I had  
been working hard; I lost my grip, for  
my nervous system seemed affected  
also. I would have such a general  
feeling of languor that I did not feel  
good for anything; the urine would  
come very frequent by spells, and this  
was more especially noticeable if I  
caught cold. I heard in several ways  
about Doan's Kidney Pills, and I finally  
decided to give them a trial. I went  
to the drug store of Harry L. Scheppe,  
where I found them highly recom-  
mended. I obtained a box and com-  
menced their use. I can truthfully  
say that all of the words of praise that  
I have heard about them does not do  
any more than do them justice. Since  
using them I feel like a different man;  
the pain in my back was very quickly  
removed; the urine was corrected, and  
the feeling of lassitude has left me;  
my nerves seem to be better, for I can  
now hold as tight a grip as I ever could  
in my life. I hope that many others  
who suffer likewise will only give  
Doan's Kidney Pills a trial.” It would  
be hard to produce any better endorse-  
ment of merit than the statement of  
Mr. Disbrow. It will surely disarm  
the skeptics.
