

MARIETTA DAILY LEADER

SATURDAY, AUGUST 15, 1896

PERSONAL AND LOCAL

—Mr. and Mrs. W. M. Dearth and son, Willard, of Marietta, came up to this place last Friday on a visit to Mrs. Dearth's mother, Mrs. Mary Parker. Mr. Dearth left the first of the week to resume his trips on the road, but Mrs. Dearth and son will remain here several weeks.—Beverly Dispatch.

—Our good friend, Mr. Frank T. Fowler, of "Fowler Bicycle" fame, of Chicago, writes The Advance that he will visit the scenes of his boyhood days in Beverly within the next thirty days. Mr. Fowler has had phenomenal success since he left Beverly and it will do our people good to come in touch with him. He caught the infection of "hustle" in Chicago and is now one of the solid men of the Windy City.—Beverly Advance.

—The new steamer Leroy, built by Captain Oscar Webster to revive the old Zanesville and Parkersburg trade, will be given her trial trip up the Muskingum today.

—Mr. Grant Curtis and Miss Lizzie Woodin, both colored, were united in marriage by Squire Palmer Wednesday evening.

—Miss Daisy Clark returned Friday from Zanesville, where she has been visiting friends for the past week.

—Dr. John W. Simpson has returned from Cincinnati and will fill the pulpit at the Congregational church tomorrow morning.

—Since the big electric crane at the boiler works plant has been in operation the work of unloading and setting machinery has proceeded rapidly. Friday afternoon the machine for bending plates, weighing 30 tons, was unloaded from a car, and the electric crane, built for carrying only 15 tons, it lifted the great load easily.

—The Leader is indebted to Adam Wagner, for a number of fine peaches sent in.

—A cablegram from Mr. and Mrs. Fred E. Wittig was received Thursday morning, stating that they had arrived at Southampton safely. Mr. and Mrs. Wittig will probably remain in Europe three months.

—Bids for refreshment privileges at the Washington County Fair will be received until 2 p. m. at the office of J. C. Brennan, Secretary.

—The Jolly Five Camping Club will go into camp this afternoon about a mile below Beverly and expect to be gone about two weeks.

—Magnani & Co., the Putnam street fruit dealers, have just received a carload of bananas.

—Those who desire to speak with Madame Adona, the Clairvoyant, should know today is her last day in Marietta. She is certainly a mystery of mysteries.

—Rev. J. W. McMaster will preach at the County Infirmary tomorrow, Aug. 16th, at 3 o'clock p. m.

—Milton Dye and George Young will open a butcher shop in the Harmar House on the West Side this morning.

—Hon. Theo. F. Davis is building a stone retaining wall along the Front street line of his Campus Martius property.

—Rev. C. E. Dickinson will preach at Rainbow Sunday morning at 10:30 a. m., and at the Devo School House in the afternoon.

—Miss Emma Stevens, who has been attending the Normal Institute, will spend Sunday at her home at Gracey.

—Four hundred members of the Parkersburg Epworth League enjoyed an excursion up the Ohio as far as Waverly on the steamer Barnsdall Friday evening. A number of them stopped off in Marietta until the boat returned.

—Mrs. Jane Burchett, wife of John Burchett, attempted suicide Friday evening by swallowing a half ounce of laudanum. She has been separated from her husband for some time and has been living at the Globe House on Ohio street. Shortly after she took the poison Dr. Smith was summoned and the prompt administering of an antidote saved her life, though she was unconscious for several hours.

—The many friends of Mrs. C. J. Vanvaley, who has been seriously ill, will be pleased to learn that she is recovering.

—The teachers who are attending the Normal Institute will enjoy an outing at Blennerhassett next Saturday.

—The McKinley Glee Club met at the office of J. C. Brennan last evening and adjourned to meet with the main organization Monday.

—Miss Clementine Bedillion, who has been attending the Normal Institute here, left Friday to visit at her home at Wade over Sunday.

—The Parkersburg Journal has the following: Carl Chamberlain, of the Jackson, who has been spending his vacation at Marietta, returned today. L. P. Hill, manager of the Oil Well Supply Co.'s store at Marietta, was in the city today on business. The remains of Miss Maggie McGee, who died at Glenville yesterday evening at 8:30 o'clock, arrived here today accompanied by the bereaved father, W. F. McGee, and L. J. McGee, Mrs. George Leavitt and Mrs. Stepler, and were taken to New England for interment.

—Leonard C. Lawton is at Belpre today on business.

—One of the best wells in the Waverly field was struck a few days ago in the Berea sand on the farm of T. B. Hines just above Waverly. The well is said to be making 200 barrels but this is probably exaggerated. It is nevertheless a good well and is different from the other wells in the field which are all in the shallow sand.—Sentinel.

—The game between the Mariettas and Buckschoes at Zanesville Friday resulted in a victory for Marietta by a score of 5 to 3. Sam Taylor made himself the hero of the game by batting out two home runs. Batteries—Marietta, Purcell and Taylor; Buckschoes, Jones and Young. Hits—Marietta, 9; Buckschoes, 6. Errors—Marietta, 4; Buckschoes, 2. Box score: Marietta, 5; Buckschoes, 3.

—Seasons' Medals and Felix C. two good Marietta horses, will participate in the races at Urbana next week and were taken to that place Friday by Trainer Biggs.

—The City Transfer Company lost one of their most valuable horses by death Friday evening.

—Mrs. C. W. Richards is visiting friends near Lowell.

—Miss Lizzie Mass has returned home to East Liverpool after a pleasant visit with friends in this city.

—At a special meeting of Council Friday afternoon it was decided to require contractor Berry to put but two inches of gravel on Third street, as the material with which the street is filled is of the same character as ordinarily placed under brick paving. Action of Council was necessary as the City Engineer had instructed Mr. Berry that without it he would have to follow the specifications literally and put on the six inches of new gravel required.

—Frank Ketter, who has been spending his vacation visiting friends in Marietta, returned to his duties in Columbus Friday.

—The Beverly Advance says: Mr. Link C. Russell is a student in the law office of Jas. Brannon, Jr., and will attend law school at Cincinnati the coming fall. His instructor is highly pleased with his student's rapid progress in legal lore.

—Squire Palmer attended the reunion of Company G, 36th O. V. I., at Salem Thursday.

—Mrs. William Hardwig, of Kansas City, is the guest of her mother, Mrs. Regnier, Fourth street.

—Mr. Donald P. Hart, of Boston, will be here Monday of next week to visit his parents and see friends.

—Jesse Barker, of Tennessee, is the guest of his brother, Capt. J. G. Barker, up the Muskingum.

—Beverly has a Republican Club of 114 members. It is called the "McKinley Protection and Sound Money Club." The name is too long, but its aim is all right.

Women go on, heedlessly ignoring the dangers that lie right in the path of their thoughtlessness. They neglect little warnings until they get used to them. The warnings become louder and louder, and still they do not heed them. Their sickness increases like a snowball rolling down hill. The sickness comes on gradually, and they get used to it gradually, but it ruins their lives just the same. One woman in a hundred, perhaps, is perfectly healthy. Sometimes her weakness is inherited, sometimes acquired by carelessness. In every case, care and Dr. Pierce's Favorite Prescription will give her new life and strength and vitality. It will fill out the hollows in her cheeks, bring color to her lips, brighten her eyes, and make her really and truly a woman. The "Favorite Prescription" is of inestimable value at three stages in the lives of every woman—when the girl becomes a woman, when the woman becomes a mother, and when the mother becomes incapable of maternity. At these times it gives safety and strength. It is the only medicine now before the public for woman's peculiar ailments, adapted to her delicate organization by a regularly graduated physician—an experienced and skilled specialist in these maladies. It cannot do harm in any condition of the system. Its sales exceed the combined sales of all other medicines for women.

Every woman should have and read Dr. Pierce's Common Sense Medical Adviser, a great book of a thousand pages, profusely illustrated which will be sent free on receipt of 21 one-cent stamps, to pay for mailing only. Address, World's Dispensary Medical Association, No. 662 Main Street, Buffalo, N. Y.
