A LOCAL ENGINEER

Stops Tinkering With a Job and Finishes in a Week What He Had Been Experimenting on For Ten Years.

Before the Brotherhood of Locomotive Engineers became a powerful organization, before stationary engineers in some states required to pass examinations as to fitness for important positions an engineer and fireman and man of all work was forced to bank his fare and stop his engine on account of pounding. He tinkered at it for a day or two but the trouble was as bad as ever when he started her up again with the same result. Finally his employer was forced to call in a more competent authority and a sort of jack-of-all-trades was engaged. He poked around for half an hour or so, tightened a nut or two, eased some part that showed friction and said "she'll go." She did go much to the astonishment of the onlookers and the tinker was asked to make out his bill. It read as follows: Fixing engine.....\$ 50 Knowing how..... 10 00 Total.....\$10 50

This anecdote has nothing earthy to do with Mr. A. L. Carter, the engineer at Zolar's brickyard. We merely introduce him in this manner so that his evidence will prove that for fifty cents any citizen of Marietta who has been tinkering with his kidneys can get them properly fixed. Knowing how will surely cost the time and trouble involved in reading his statement. He says: "Army life may have had something to do with the attacks of kidney complaint I am subject to. I enlisted in the Ohio Reg. 36, Co. H., and it is possible that the cause may be traced to the hardships endured. Whatever the cause there is one thing sure I have suffered any amount of misery at times, my back aching for days at a time and along with it there was a distressing urinary weakness. The secretions scalded and inconvenienced me at night. I have taken lots of medicines for it in my time, some may have helped me when taking them and some may have helped for a short time after but I never got anything to do the work of Doan's Kidney Pills. I got a box at W. H. Styer's the druggist on Front street. They are a \$1 article. The good promises to be lasting. I advise their use to any suffering from kidney disease."

Doan's Kidney Pills are for sale by all dealers. Price 50 cents per box, or sent by mail on receipt of price. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
