MARIETTA DAILY LEADER
 THURSDAY, SEPT. 17, 1896

PERSONAL AND LOCAL.

—Cambridge will begin the task of taking three straights from Parkersburg today.

—The Parkersburg baseball team arrived over the B. & O. S. W. at 6:40 last evening and left on the C. & M. this morning for Cambridge, where they will play a series of three games.

—Mrs. Harry Lucas left over the B. & S. W. at 11:25 Wednesday night for Washington, D. C.

—A delightful private dance was given at Wehrs' Hall Wednesday night in honor of Mr. Frank Letchaw and sister, of Hiltzohly, Pa. Ten couples were present and enjoyed a most pleasant evening.

—The brilliant success of the Republican meetings being held nightly throughout the county and the interest manifested by the voters everywhere is sufficient cause for congratulation. At Barlow Tuesday evening Judge Cutter, Prof. Farlow and R. C. Dawes addressed a splendid McKinley club meeting and were well received. At Cutler the same evening W. H. Leeper and R. A. Underwood spoke to good audiences and at Macsburg John L. Locke and W. H. Henning, Jr., had the ear of a packed house.

—The last game between Marietta and Barnesville was easily won Wednesday by the home nine by a score of 14 to 7. Collins was in the box for the visitors and held the Marietta sluggers down to 19 hits. Jack Taylor pitched a good game for the locals and but seven hits were made off his delivery. Many fine plays were made during the game, but both teams ran up big error columns, Marietta having 5 and Barnesville 8. What the fans want to know now is how Barnesville ever defeated Marietta.

—Mrs. R. A. Underwood left Wednesday on a visit to friends at Columbus.

—Dr. J. L. Mason, of Stafford, Monroe county, will remove to this city October 1st. Dr. Mason is a brother of City Engineer W. P. Mason.

—Among the departures Wednesday for Gallipolis, where the reunion of the Army of West Virginia is now in progress, were Capt. J. G. Barker, Capt. S. L. Grosvenor, Hon. G. A. Wood and M. L. Stacy.

—The banner across Front street at Republican headquarters was down Wednesday and when it went up again there was attached to it, in large, bold letters, the query: "Have you heard from Maine?"

—Will Shafer, of McConnelsville, and Harley Smiley, of Beverly, arrived in the city last evening and will attend the shooting tournament today.

—William Grass is confined to his home on Second street by injuries received Wednesday morning by an accidental fall. He will be laid up for several days.

—Mr. John Tonkin, of Oil City, is in Marietta on business.

—Mr. Leo Wolf, of Wheeling, is in the city, registered at the Bellevue.

—Wednesday evening at the home of the bride's parents, Mr. and Mrs. Arthur Metcalf, were united in marriage Mr. L. A. Ziegler and Miss Lucy Glines Metcalf. A large number of guests were invited and the wedding was one of much elegance. The happy young couple are well known and the Leader joins heartily in the universal congratulations.

—Mrs. E. E. Regnier left yesterday for Delaware, Del.

—The organization of the Democratic County Executive Committee is as follows: Charles Richardson, Chairman; John D. Hollinger, Vice Chairman; C. A. Ludey, Secretary.

—The annual meeting of the Choral Society will occur this evening, at Andrews Hall, at 7:45 o'clock. It is desired that there be a full attendance.

—Crushed limestone for ballasting the new electric line, is being put into the ditch prepared on Second street. It will make a capital roadbed. Several carloads of rails have arrived.

—Mrs. James Nixon, of Ironton, sister of Dr. Samuel Hart, is the guest of Dr. and Mrs. Hart.

—The construction work on the new electric railway is proceeding with refreshing vigor. The lime stone ballast began coming in Wednesday and hereafter two car loads per day will be received, that being the capacity of the crusher at Amesville. Six carloads of steel rails arrived over the C. & M. Ry. Wednesday morning.

—A Christian Endeavor social will be held next Tuesday evening at the home of Capt. S. S. Stowe, up the Muskingum.

—Misses Kathryn Gear and Carrie Wilhelm left Wednesday for Granville, where they will enter Shepardson College.

—The Paris, Ky., nine will open a three days series here today and Marietta must get back to her best form to win.

—The Cambridge nine, with Armstrong in the box, defeated Zanesville Wednesday by a score of 9 to 1.

—The steam roller is doing great work on Third street. Its thirteen tons press down very hard, and must make a fine foundation for the gravel.

—Civil Engineer Edmund Moeser, of Zanesville, in charge of the Muskingum Improvement, was in the city Wednesday inspecting the work of stopping the leak under the floor of the ice harbor lock. Lockkeeper Savage has made considerable progress toward filling the large hole washed out. As soon as the middle gates for the lock are completed navigation between the Ohio and Muskingum may be resumed and the work of repair proceeded with more rapidly. Excepting this break the Muskingum between this city and Zanesville is now in excellent condition.

—Sheriff Hutchins, of Morgan county, was in the city Wednesday on his return from Athens, where he placed in the State Hospital for the Insane, Eli J. Wise, of McConnelsville. The Sheriff reports the Republican organization in Morgan county to be in first class shape.

—Mr. E. C. Goodno, of Topeka, Kas., has arrived to attend College and is an addition to the senior class.

—Mrs. Kate Devol, widow of the late Josiah Devol, of Muskingum township, is very ill—it is thought dangerously so.

—A pleasant surprise party was given Mrs. Jacob Rech, 114 Seventh street, it being Mrs. Rech's. An elegant supper was served and after a pleasant social evening her delighted guests took leave, wishing her many happy returns of her anniversary day.

—J. W. Danley and fifteen others of Co. L, O. V. C., Major Thomas' escort, left Wednesday to attend the reunion at Millersburg.

—Mrs. Sibley, mother of Judge H. L. Sibley, died at his home on Fourth street shortly before 12 o'clock Wednesday night, after a protracted illness of paralysis. She had been in a critical condition for several months and was far advanced in years. Judge Sibley is at Woodsfield, Monroe county, holding court and arrangements will not be made for the funeral until his return, though the remains will probably be taken to Racine for burial on Friday.

—Frank Caylor, employed as a slate roofer by Forester & Nelson, the building contractors, met with a serious accident Wednesday afternoon. He had been at work on the roof of the Doan house, on the West Side, and attempted to descend by sliding down the roof of the building onto the porch. He miscalculated his speed, however, and when his feet struck the eaves he was thrown headforemost to the ground falling through the joists of the porch. He alighted on his face, which was badly cut and bruised. He was not thought to be seriously hurt, but during Wednesday evening his condition became alarming and it is feared that he is injured internally.

—The property on Front street occupied as a cigar store by Chas. Hutchins was sold Wednesday to Morris Luchs for \$4,500.

—At six o'clock last evening began the Hebrew Day of Atonement, which is being observed by the organization in this city.

—A well known Bradford oil man who wagered a Mariettian \$75 against \$600 that McKinley would not carry Ohio, lost his nerve last evening and withdrew the bet.

Is there any reason for dodging and ignoring a great and vital fact simply because a few undecided, misguided people have antiquated ideas of what constitutes morality and modesty? Reason and honesty say—certainly not. Men and women are attracted to each other because they are men and women and because it is right and necessary that they should be so attracted. The things that make a man attractive are the characteristics which are his inherent manliness—by the strength which makes him a perfect man. The same is true of woman. There is strong attractiveness in perfect health. There is fascination and magnetism in it. A woman cannot be entirely womanly—she cannot be a perfect woman—if she is not in perfect health. In just so much as her sickness affects the organs that make her a woman, in just so much she loses attractiveness. This is the vital part of her health. If anything is wrong there, it may result in all manner of ills all over the body. Careless, or too busy, physicians frequently treat the symptoms of this kind of disorder as separate and distinct ailments. The symptoms are many and varied, so much so that when a woman is sick in any way, the first thought should be given to the organs distinctly feminine. About 9 times in 10 the cause of the trouble will be found there. Dr. Pierce's Favorite Prescription cures all disorders of this kind. There is no guesswork about it. There is no chance about it. It is a fact that has been demonstrated in 30 solid years of extensive practice. Thousands of women have written grateful letters, who have wished the whole world of women to know the wonderful things the "Prescription" has done for them.
