—Another break, and one which gives the officers even more concern than the first one, occurred Sunday morning at the Ice Harbor lock. The immense hole under the upper end of the floor had been filled with gravel and stone until it was thought safe to turn on the head necessary for lockages. The dredgeboat Malta and fleet were locked through Saturday and the steamer Lexington Sunday morning. The latter boat was hardly out of the lock and the lower gates closed when the pressure started a washout directly under the West wall of the structure and the water began boiling through the gaping holes in the floor at an alarming rate. The lock was filled and the pressure removed before any additional damage was done, but the second break will be one very difficult to repair and there is a possibility that navigation will be shut off for several months to come.

THE TALK OF THE CITY.

It is of Interest to Our Readers Because It Refers to Marietta People.

It's astonishing how good news will spread. From every ward and street we hear of our people talking about the workings of the little conqueror. Merit and honorable methods receive their just reward. So many cases are cropping up that it is next to impossible to tabulate a few in hand and give them publicity for the benefit of our readers. Our representative obtained the following statement of facts in a personal interview. They are true in every particular and no stronger evidence can be obtained than home endorsement:

Mrs. Philip Suder, Greene's Road, beyond the city limits, says: "I have had the rheumatism for the past 4 years so severe that I was helpless. About all I could do was to sit in a wheeled chair and keep my eye on the children. If a medicine could be found that would cure me it would have a great reputation about here, as my sickness is known to everyone and I have been treated by all the doctors around here; sent away for medicines; was at Mt. Clemens, Mich., but still I am helpless. My husband still knowing the nature of my sickness is always on the hunt for anything that is likely to help me. He got a box of Doan's Kidney Pills at W. H. Styer's drug store on Front St. I did not take them with the expectation of them curing my rheumatism but to relieve my aching back. They did this as well as correct other symptoms of kidney complaint. I think Doan's Kidney Pills a splendid remedy for the kidneys and recommend their use to anyone suffering."

Doan's Kidney Pills are for sale by all dealers. Price 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

A Remarkable Old Lady.

Mrs. Elizabeth Emerson Le Retilly and daughter, Mrs. Buchwalter, and two little sons are visiting their cousin, Mrs. E. S. Bailey.

Mrs. Le Retilly is the daughter of Timothy Emerson, brother of the late Caleb Emerson, of this city; she lives near Chillicothe, and is quite a traveler for one of her years having passed her eighty-eighth birthday. She remembers quite well when her father's family moved from New Hampshire to Ohio in 1818. "The journey was made in a baggage wagon bought of General Hull, who then lived in Newton, Mass., and was one he brought home from Detroit after his inglorious surrender in 1812."

Tom Watson in Denver.

DENVER, Col., Sept. 19.—Hon. Tom Watson, of Georgia, populist candidate for the vice presidency, arrived here Friday morning. He was taken in charge by ex-Gov. Waite. Mr. Watson declined to be interviewed. His voice is almost gone and his throat sore. He made a speech at the Coliseum hall Friday night.
