HOW IT SPREADS.

People are Talking All Over Marietta. This Report Comes From Eighth Street.

How it spreads. Can't keep a "good thing" down. Ever notice how "good things" are imitated?

Doan's Kidney Pills cure sick kidneys. Cures all kidney ills. Hundreds of citizens testify to this. Here is a case in point:

Mr. Rudolph Rudig, of Eighth St., near City limit says:—"I am a painter by trade and I think that the chemicals used in my work is unhealthy. I worked in the varnish room at Lobdell's shop for a long time and could not notice the bad effect more while working in a closed room than I can when working in the open air. My kidneys have bothered me for about three and a-half years, at times I suffered severely and was unable to work and have been off as much as three weeks—part of the time being unable to get out of bed, and having such dull steady aching across the loins, and sharp tinges of pain when I attempted to move. I have been examined and treated by a physician. While he stated that the kidneys were effected he failed to do anything for me. Then I tried other medicines and obtained the same results. I got a box of Doan's Kidney Pills down at W. H. Styer's drug store on Front St. They not only relieved me after taking a few doses but I believe they made a cure of it, for I am working hard all the time and have no return of it. Doan's Kidney Pills are a wonder."
