THE "BELLE OF THE BALL."

Would not have been half so charming if she had not been wise as well as "pretty."
The reason is easy to find: Rare Perfumes lend added charm to beauty and the above young lady was posted. Backed up her judgment, too, by supplying her "perfume wants" at the right place;

PUTNAM STREET DRUG STORE.

The "Belles" all know our stock of "society odors" is most complete.
One thing is certain—you may forget us, but the remembrance of our DELICATE, RARE and LASTING perfumes will linger longer with you than the memory of the "last rose of summer."

—Jack Taylor, recently released by Marietta, has been signed to play next season with Milwaukee. Taylor pitches good ball when he wants to—but he doesn't always "want to". Marietta wishes him good luck.

—Mrs. O. M. Lovell, who was stricken with paralysis several days ago, and had lingered since in a critical condition, died at her home Wednesday morning. The deceased was a woman of most estimable character and her death creates a vacancy not only in the home of which she was the guiding spirit, but in a large circle of friends as well. She was the wife of Oliver M. Lovell to whom she was married half a century ago, and leaves one son, George W. Lovell. Funeral from the residence Friday at 2 p. m. and interment in Oak Grove Cemetery.

—Mr. J. J. Rech and Miss Annie M. Callahan, both of this township, were united in marriage Wednesday by Rev. F. R. Crooks, at the Gilman Avenue M. E. parsonage.

—The remains of Charles J. Ford, who was found dead in bed at the Bellevue Hotel, were taken to Parkersburg Wednesday for burial.

Wednesday night a party of the light fingered gentry went on board the steamer Leroy, which was lying at Beverly, asked the fare to Zanesville, looked around a few minutes and got off. When the boat reached Luke Chute the Clerk discovered that his office had been robbed of \$75 in cash. No one knew how or where the money disappeared and no arrests could be made.

They tried to cancel a date with Youngstown and postponed their games at Wheeling to allow them to get even today, but Wheeling would not listen to it and they will play in that city as per schedule.

—The Parkersburg and Marietta teams have both disbanded and two exhibition games have been arranged for the last of this week, after which the players will go home for the winter. The first game will be played at Parkersburg on Friday for the benefit of the Parkersburg players, and the second at Marietta on Saturday for the benefit of the Marietta nine. The entire proceeds of the games will go to the members of the teams and the lovers of the national game should turn out well and give the boys who have entertained them so often a substantial lift.

—Go to the Bee Hive for your millinery goods.

—Says yesterday's Cincinnati Commercial Tribune of Engineer Jno. W. Hill, the man who planned Marietta's water works system: "Chicago recognizes that Cincinnati has one of the best civil engineers in the country in the person of John W. Hill. The Windy City is having much difficulty with its water-works system at present, as the lake, from which it draws its supply of water, is polluted far enough out by the sewage to affect the water which the supply tunnel recently built there draws in. Monday night Mr. Hill received a telegram from Mayor Swift, of Chicago, asking him to come to that city at once, if possible, to confer with him and the Superintendent of Water-Works of Chicago on the subject of improved water-works for the city. Mr. Hill left yesterday to lend them his valuable aid and advice in the matter."

Electric Bitters.

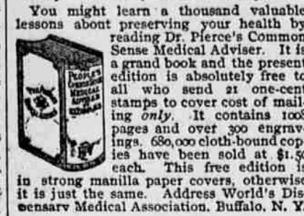

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alternative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50c and \$1.00 per bottle at Styer's Drug Store.

Marriage Licenses.

Wm. A. Cox, and Fannie E. Alzeo, of Valley Grove.
Henry Conkel, of Parkersburg, and Elizabeth Pool, of Marietta.
Frank Matthews and Sarah Shier, both of Archer's Fork.
J. J. Rech and Annie M. Callahan, both of Marietta.

When two Chinamen meet, their way of saying "How do you do?" is "How are your bowels?" It amounts to the same thing. If the bowels are in good condition the rest of the system is pretty sure to be all right. But when they are constipated, it has a half-paralyzing effect on the rest of the body—and the mind too. Headaches, dyspepsia, biliousness, nervousness, poor sleep, weakness, heart palpitation and gloomy spirits, all come from constipation. And that isn't the worst of it: It lays your system open to all sorts of serious and dangerous illness.

It isn't safe to neglect constipation and it isn't safe to use dangerous wrenching cathartics, to overcome it, either. They leave you worse off than before. What is needed is a mild natural laxative like Dr. Pierce's Pleasant Pellets. They act surely but without any violence. They regulate and strengthen the intestines to do their own work. When the "Pleasant Pellets" cure you, you are cured. You don't become a slave to their use. Take care the druggist doesn't give you something else he calls "just as good." It may be for him, but how about you?

You might learn a thousand valuable lessons about preserving your health by reading Dr. Pierce's Common Sense Medical Adviser. It is a grand book and the present edition is absolutely free to all who send 21 cent stamps to cover cost of mailing only. It contains 1008 pages and over 300 engravings. 680,000 cloth-bound copies have been sold at \$1.50 each. This free edition is in strong manilla paper covers, otherwise it is just the same. Address World's Dispensary Medical Association, Buffalo, N. Y.

C. & M. Excursions.
On account of Lodge Free and accepted Masons of Ohio at Cincinnati the C. & M. Ry. will sell excursion tickets Oct. 19 at one fare for the round trip. Tickets good returning until Oct. 23.

Consumption is the natural result of a neglected cold. Dr. Wood's Norway Pine Syrup cures coughs, bronchitis, asthma and all lung troubles down to the very borderland of consumption.

Have you earache, toothache, sore throat, pains or swellings of any sort? A few applications of Dr. Thomas' Electric Oil will bring relief almost instantly.
