## Hot Water Bottles.

We don't claim that the Esuimino uses a hot water bottle but he would if we were running a drug store in Greenland; because we would call his attention to our complete line of these goods at bottom prices. We are liable to have some Arctic weather this winter—cold enough to make people think they're on an iceberg. It will be a good time then to think of our hot water bottles.

Sunday with the papers in his pocket. He will go direct to Little Rock to secure the Arkansas Governor's signature to the requisition and thence to Huntington to secure his prisoner. A telegram received Sunday evening stated that Barker had made two ineffectual attempts to escape and an effort would be made on Tuesday to secure his release by habeas corpus proceedings.

—C. A. Bukey is contemplating a musical treat for Parkersburgers. If he brings it to pass—and the chances are that is assured—the soloist will be Mary Louise Clary, the celebrated contralto. Music lovers of this city will have a rare treat when this eminent singer comes.—Parkersburg Journal.

—A custom, which was in vogue years ago in designating engines will soon be brought back into use on the O. R. R. —At the Marietta-O. U. game of football at Athens on Saturday the latter team succeeded in scoring against Marietta for the first time. Athens scored a touchdown and kicked goal in the first few minutes of play before the boys of the blue and white fairly got their eyes open. After that it was a different story. The final score was 22 to 6 in favor of Marietta. The next game will be with O. S. U. at Columbus on Saturday of this week.

—A Sistersville special says: "For some time past Secret Service officers of the government have been under the impression that counterfeiters were at work in some of the river counties of this State in the vicinity of this city. Last Sunday an officer of the government detective force came to Wheeling and had a conference with Sheriff Franzheim, with the result that the sheriff was able to point to Sistersville as the probable location of the crooks, and suggested a certain house in this town as a good place to look. The officer came here Tuesday, and yesterday examined the premises pointed out. He found the crooks had skipped several days ago, but he discovered bogus five, ten and twenty dollar gold pieces and some imitated silver dollars and halves. The coins were good imitations, and it is thought that the fraudulent gold pieces were worked off in especially large quantities before the election, when there was a craze for gold among many people. Eastern talent is believed to have been engaged in the work."

## YES, THERE ARE OTHERS,

But so Different. It's Proof That Counts and That's What Marietta People Want.

There are many of them. Read about them every day. Do you believe all you read? We think not.

Why? Well, perhaps you know differently. Hard to endorse a statement in Marietta.

Of a man in St. Louis. Bad backs are numerous. So are Kidney cures. But do they cure?

That's the all-important question. Claim is one thing—proof is another. Claim means what the manufacturer says.

Proof means what the people say. The people say, Doan's Kidney Pills cure Kidney ills. Who are the people?

Why Marietta people—What other endorsement is proof? Mr. J. W. White, of No. 301 Washington St., says:—"My kidneys have been my weak point all my life and my occupation, a painter, is hard on these organs. I have had a number of attacks of kidney trouble but the last one was very severe and I was forced to do something to get relief. I got a box of Doan's Kidney Pills at W. H. Styer's drug store on Front St. My back was in such a condition I could hardly get around. It felt as if unjoined, when I stooped or lifted anything. After I had taken one box all signs of the disorder disappeared. I found Doan's Kidney Pills very easy to take and more effective than such."

Doan's Kidney Pills are for sale by all dealers or sent by mail on receipt of price, 50 cents per box, 6 boxes for \$3.50. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
