Hot Water Bottles.

We don't claim that the Esquimo uses a hot water bottle but he would if we were running a drug store in Greenland; because we would call his attention to our complete line of these goods at bottom prices. We are liable to have some Arctic weather this winter—cold enough to make people think they're on an iceberg. It will be a good time then to think of our hot water bottles.

MARIETTA DAILY LEADER

SATURDAY, DEC. 12, 1898

PERSONAL AND LOCAL.

—Caldwell has been in total darkness several nights the past week on account of the electric light company refusing to run the plant at the price paid for each light. The Republican says the Council to erect a building and put in a plant owned and operated exclusively by the town.

—Willard Swingle, of Marietta, has sold his interests in the Cat's Creek oil field, and which was in litigation, to Longfellow Brothers, of Macksburg, for \$9,000. The title of the case was Swingle vs. Vaughn and was settled. Messrs. Horton & Kuntz represented plaintiff and McGinnis & Leland defendant.—Caldwell Journal.

—The paving on the Third street fill between Putnam and Butler streets will be completed today. Third street is now one of the finest thoroughfares to be found in any city of Marietta's class.

—A Caldwell dispatch says the people of Keith neighborhood are much wrought up over the filing of a breach of promise suit by Miss Caroline Jordan, a highly respected young lady. The defendant is Mr. R. A. Archibald and the amount claimed is \$5000. The plaintiff alleges in her petition that Archibald not only failed to fulfill his promise to marry her, but deceived and deserted her and married a Miss Shattuck, of Keith.

—James Spear, who resided near Cambridge, lost the top of his head by the accidental discharge of a gun while he was hunting.

—Mr. John Weber died at his home on Eighth street Thursday night of consumption. He was 75 years of age and had been ill for some time. Funeral Saturday from St. Mary's Catholic church.

—Mr. A. D. Follett has been reappointed to the State Board of Examiners of applicants for admission to the bar. In addition to serving another term as examiner, Mr. Follett is honored by appointment as Chairman of the Board, which position he is qualified to fill with distinction.

—The Barlow M. E. Aid Society will give a social at the paragon New Year's afternoon and evening.

—The death of Mrs. Eliza Leming, mother of Dr. Leming, of this city, which occurred at Rushville, Ind., was caused by cerebro spinal meningitis, or spotted fever.

—At the meeting of the C. B. Gates W. R. C. Friday evening the following officers were elected: Mrs. M. McMillen, Pres.; Mrs. John McCallister, Senior Vice Pres.; Mrs. Lapham, Junior Vice Pres.; Mrs. Steen, Chaplain; Mrs. McKenney, Guard. Mrs. Meagle was chosen to represent the Corps at the Chillicothe convention, and Mrs. Ada Meagle, alternate.

—Charles Dewees met with a painful accident Friday while removing the skin from a cow. The knife he was using slipped and cut a large gash in his left hand from the palm outward over the joint of the index finger.

—The business houses of the city are, almost without exception, enjoying a gratifying increase of trade which is probably the beginning of one of the most prosperous holiday seasons they have ever had.

—Miss Julia Hiekok will entertain a small party this evening in honor of her guest, Miss Grace Thomas, of Washington, D. C.

—Miss Selma Wolff and Floyd Pfaff were guests of friends in Parkersburg Friday.

—Mrs. C. W. Holz has just received an elegant and well selected stock of cut glass for Christmas trade. See it.

—Mrs. F. S. McGee, of Belpre, is the guest of Commissioner McGee.

—The County Commissioners have completed the work of their regular December session and adjourned.

—Squire Rathbone, of Belpre, was a business visitor in the city Friday.

—A petition was in circulation Friday to secure the lightest sentence possible for Frank Devo, who was convicted of shooting with intent to wound. The paper was freely signed by many citizens. Devo has already lain in jail five months and it is the general opinion that that length of time ought, if possible, to be deducted from his sentence.

—The moulding department of Nye's foundry closed down Friday, but will resume operations Monday.

—Rufus C. Dawes returned Friday from Columbus, where he attended the meeting of the State Board of Commerce as a delegate from the Marietta Board of Trade.

—A marriage license was granted Friday to William A. Place, of Decaturville, and Louisa Lowe, of Veto.

—A Common Pleas Court Friday George Weisand was arraigned on the charge of indecent exposure and pleaded not guilty. His bond was fixed at \$100 and his trial set for December 22d.

—The meetings which have been conducted by Rev. Mr. Risden have been well attended and a great work accomplished.

—Leave your order for fine groceries with us. It will receive prompt attention. Goods delivered to any part of the city. WHARF & THOMAS, 158 Putnam St.

—The degree team of Mound Tent No. 322 Knights of the Maccabees, of Marietta, Ohio, has been selected by the officers of the Great Camp of Ohio to exemplify the initiatory work at the District Convention to be held in Zanesville during the holidays.

—The three-year-old child of Charles Haas is recovering from a severe attack of diphtheria.

—A marvel of choice goods for Christmas at Mrs. C. W. Holz's, 286 Front St.

—The audience at the Auditorium last evening was entertained at the opening of one of the acts by a vocal solo by a young man of Marietta caste, who is quite well known here. The singer has a very good voice and his rendition was as good as could be expected under the circumstances, for the poor fellow had a stage fright and was so nervous that he could scarcely hold his music. The gallery gods added to his embarrassment by laughing at the efforts he made to dispose of his hands by putting first one and then the other in his trousers pockets. He had the nerve, however, to respond to an encore in which he was noticeably cooler.—Parkersburg Sentinel.

—Mr. J. R. Youngblut, of Caldwell, is visiting J. L. Toller, West Side.

—Choice candies, nuts, fruits, etc., at Wharf & Thomas', 138 Putnam street.

—Hon. Chris. McKee, of Belle Valley, is in the city.

—The L. W. Chamberlain lot on Fourth street, near Montgomery, has been sold by J. A. Plumer & Son to Mr. Joseph Walters, who will erect upon it a fine residence in the near future.

—Mr. Will Brigham has returned from Washington, D. C.

—The Portsmouth and Chillicothe papers are anxious to have their respective cities represented in the new Ohio and West Virginia League and are urging someone to take hold of the matter.

But the old managers in those cities are reluctant to take hold of the venture and apply for admission to the league notwithstanding the newspaper's claim that it would pay and the people want it. The Chillicothe News says it is very hard to get anybody interested in baseball during the winter season. Both Portsmouth and Chillicothe are large enough to have representation in the league and should proceed to get on the inside before the limited number of franchises are given out.

—Mrs. J. J. Theis, Putnam street, is recovering from a severe attack of illness.

—China for decorating. All sorts of pretty things. See them at Mrs. C. W. Holz's, 286 Front St.

Condensed Testimony.

Chas. B. Hood, Broker and Manufacturer's Agent, Columbus, Ohio, certifies that Dr. King's New Discovery has no equal as a Cough remedy. J. D. Brown, Prop. St. James Hotel, Ft. Wayne, Ind., testifies that he was cured of a Cough of two years standing, caused by La Grippe, by Dr. King's New Discovery. R. F. Merrill, Baldwinville, Mass., says that he has used and recommended it and never knew it to fail and would rather have it than any doctor, because it always cures. Mrs. Hemming, 223 E. 25th St., Chicago, always keeps it at hand and has no fear of Croup, because it instantly relieves. Free Trial Bottles at W. H. Styer's Drug Store.

When buying canned corn, demand "Superior" brand, and you will enjoy the best!

There are a great many wrong ways of treating disease. It is easy to make mistakes. Doctors make mistakes just the same as anybody else. The doctors who make the fewest mistakes are specialists. They do one thing over and over and over, so that they know all that there is to know about it.

In the 30 years that Dr. Pierce's Pleasant Pellets have been sold, hundreds of thousands of people have taken them, and have been cured by them. There is no longer any possible question of their efficacy. They are the product of experience, tried by time. They are intended to cure constipation. They are good for men, women and children. They are tiny, sugar-coated granules, very easy to take, very quick in their action. One "Pellet" is a gentle laxative, two "Pellets" a mild cathartic. A great many people make the mistake of "sandbagging" their digestive organs. They take some strong and violent medicine, which creates worse troubles than it cures. Strong purgatives shock the system unnecessarily, and they do not cure constipation. Constipation is a thing that makes people listless and languid; makes their breath bad; wakes them up with foul taste in their mouths; puts black spots before their eyes; makes them dizzy; causes headache; makes them bilious; produces pimples and blotches—runs into all sorts of serious consequences. All this is cured by Dr. Pierce's Pleasant Pellets—cured absolutely, perfectly, permanently.

Send 21 one-cent stamps to cover cost of mailing only, and receive absolutely gratis, Dr. Pierce's Common Sense Medical Adviser, and find out how to keep yourself and family healthy; contains 1008 pages, over 300 illustrations and over 650,000 copies have been sold at \$1.50 each. The new edition of 500,000 copies is to be given away absolutely free. World's Dispensary Medical Association, Buffalo, N. Y.
