Extra Seed Potatoes Free.

We have just received from New York a limited quantity of a “Barb New Potatoes” that will not be for sale, but will be distributed for seed only to our FERTILIZER CUSTOMERS. It is claimed for this potato that it

would be the nearest to nature with the help of its goodness.

Nothing is more

as we are to associate our name with anything that is not thoroughly reliable, you can rest assured that this seed will prove successful.

We have been given some attention as those made in person at the store.

This is so because it will mature early, do you good and cost you nothing.
