Did You Ever Notice

That if you want a really good cigar you must go to a good drug store to get it. This seems odd, perhaps, but it's so. A good druggist has to be a particular man. He never takes any chances. He exercises the same skill in buying cigars as he exercises in buying drugs. He sells good cigars because he buys good cigars. We make a specialty in this good drug store of the Roig cigar. There is none like it in the city. It is sold for 5 cents and is equal to any 10 cent grade and actually better in some instances.

ASSIGNED.

The Well Known Firm of Jenvey & Allen Driven to the Wall.

It is with profound regret that we announce the financial embarrassment of the well known dry goods establishment of Jenvey & Allen.

Somewhat crippled in a financial way by the retirement from the firm of Harry Knox they managed to stem the tide and carry on a large and seemingly prosperous business. On purchasing the interest of Mr. Knox about two years ago they made an arrangement with the wholesale firm of Black, Grant & Co., of Zanesville, to carry them and never to push them without sufficient notice to arrange matters to their satisfaction. But notwithstanding this promise they took snap judgment on a note for \$6,800 and placed same in the hands of Sheriff John S. McAllister to close in on them. This he did late Friday night and the store is now in the hands of the sheriff.

Appreciating the difficulty which they were in and in justice to all their creditors, they deemed it their duty to make a general assignment, which they did, and John S. McAllister was named as assignee. Their assets are placed at \$10,000 and their liabilities at the same figure.

Messrs. Jenvey and Allen said in an interview that they would be able to pay dollar for dollar. Their assignment, coming as it does at a time when the dull season is passed and the fall trade opening is certainly very unfortunate, and their many friends regret that it was necessary for them to take such a step, and it is hoped that matters can be so arranged that they will be able to open their doors to the public in the near future.

Jenvey & Allen are well and favorably known, both in a personal and business way, and have enjoyed a large share of patronage in this city. They commenced their business under the firm name of Knox, Jenvey & Allen in the fall of 1893. Mr. Knox retired in the spring of 1896, since which time the firm has been known as Jenvey & Allen.

TYPEWRITING.

If you wish to have any typewriting done, call on Miss Schrader at 'quire Richards' office.

"Time is up." Without their realizing it, death stands beside many a man, waiting while the man's watch briskly ticks away the few remaining hours of his life. When a man feels run down and out of sorts and knows that he is overworking himself, he should call "Time" himself. His life is more precious both to himself and his family than the few dollars he will gain by sticking to his work or his business. A few days rest and a little right treatment, and he will be robust and ready for a fresh start in his work. When a man is run-down, the best medicine in the world for him is Dr. Pierce's Golden Medical Discovery. It is the great appetite-maker. It will make a man "hungry as a wolf" and it will attend to it that the life-giving elements of what he eats are assimilated into the blood and carried to all parts of the body, to build up new and healthy tissue. It makes firm flesh and strong muscles. It builds up the flesh to a healthy standard, but does not make fat people more corpulent. It tones the nerves and invigorates the liver. An honest dealer won't offer you an inferior substitute for a little extra profit. "Allow me to express my gratitude to you for the benefit I have received from your wonderful Dr. Pierce's Common Sense Medical Adviser," writes Miss Rachel A. Jones, of Thomsville, Rankin Co., Miss. "I must say that it is worth more than its weight in gold. I have gained more information in perusal of a few pages than twice the \$1.50 which you formerly asked would be worth to me. You are doing a good and grand work in informing the people of the world away upon receipt of only 21 one-cent stamps, to cover cost of mailing. For the above book address the author, Dr. R. V. Pierce, Buffalo, N. Y. For French cloth binding send 10 cents extra, thirty-one cents in all. Constipation kills energy. Dr. Pierce's Pleasant Pellets are a safe, sure, speedy and permanent cure for constipation. One "Pellet" is a gentle laxative, and two a mild cathartic. They never gripe. Unscrupulous druggists sometimes offer substitutes claiming that they are "just as good."
