Four Americans From the Gunboat Marielos Lured Ashore Near Iloilo by a Flag of Truce—One Killed, Three Wounded and One Captured.

MANILA, Oct. 25.—The insurgents around Calamba and Angeles have bothered the Americans lately with their repeated attacks, like most of the Filipino attacks, consisting of shooting a lot of ammunition into their opponents' camp from long range. Maj. Cheatham's battalion of the 37th infantry, three companies of the 21st infantry, a battery of the 5th artillery and a Gatlin gun sallied out Monday morning from Calamba, drove the Filipinos from their trenches and pursued them for three miles, inflicting heavy loss on them. One American was killed and three were wounded of the 21st infantry.

Lieut. Ferguson, with 20 scouts of the 25th regiment, reconnoitering near Labao, encountered a party of mounted Filipinos. He killed six of them and captured eight, with ten rifles.

Four men from the gunboat Marielos were lured ashore, 18 miles from Iloilo by a flag of truce and the insurgents killed one of them, wound one and captured a third. The gunboat was unable to fire for fear of wounding the Americans.

The 2d battalion of the 19th regiment, Maj. Beebe commanding, embarked for Iloilo Monday to reinforce the troops.

WASHINGTON, Oct. 25.—The war department has received the following cablegram:

IMPORTANT CONCESSIONS.

Canada Gives up some Rich Gold Country, Skaguay and Dyea in Exchange for a Seaport.

LONDON, Oct. 25.—The interior department is enabled to give authoritatively Canada's final proposition for a permanent settlement of the Alaska dispute. It is very different from her former demands, and was delivered to United States Ambassador Choate by the Canadian minister of marine and fisheries, Sir Louis Henry Davies, late the night before the latter sailed, and dispatched Tuesday to Washington by the officials of the United States embassy. It is as follows:

That the boundary line be arbitrated upon terms similar to those imposed by the United States and Great Britain over Venezuela, particularly those provisions making 50 years' occupancy by either side conclusive evidence of title, occupancy of less than that their period to be taken as equity allows under international law. That, as a condition precedent to and absolutely preliminary to arbitration, Skaguay and Dyea would be conceded to the United States without further claim if Canada received Pyramid harbor.

In other words, Canada gives up much of the disputed gold country in return for a seaport, but stipulates that she must get the latter before she agrees to arbitrate the boundary line.

Yule fell back from Glencoe to form a junction with Gen. White, and camped last night 16 miles south of Dundee without seeing the enemy. He has since been reported safe at Wasebank river.

"The Boer wounded are being treated the same as the English, and it is believed the Boers will reciprocate."

The Room of a New York Widow Entered and Hobbed of \$50,000 Worth of Jewelry and \$25,000 in Money.

LONDON, Oct. 25.—Late Monday afternoon it was announced that a sensational burglary had taken place Sunday at the Savoy hotel, London, where the room of Mrs. Stockwell, of New York, widow of a New York jeweler, was entered and robbed. Mrs. Stockwell has been staying at the hotel for some time with a nephew. The apartment was entered while they were at dinner. On returning to the room Mrs. Stockwell found the door locked on the inside. An alarm was raised and the door forced. The room was found empty, but it had been thoroughly ransacked.

The management took prompt measures, had the hotel doors closed, summoned detectives and searched all strangers and servants. Nothing, however, was discovered. The burglars had escaped, the thick fog enabling them to get away.
