

SUNDAY, APRIL 1, 1900.

River News.

The river at this point is 11.5 feet and is rising. The City of Pittsburg has left Portsmouth and is due here some time today on her way to Pittsburg. She will leave there Tuesday for Louisville. The Edgar Cherry, recently purchased by the Pittsburg Transportation Company, passed up yesterday morning en route to Pittsburg. The Keystone State passed up last evening with a fair trip for Pittsburg. The Kanawha was the afternoon boat yesterday for Pittsburg. The Greenwood went down at 6 o'clock last evening for Charleston. Today's boats are the Lorena for Zanesville and the Virginia for Cincinnati. The Joe B. Williams has left Louisville for the south with a tow containing over one million bushels of coal. On her last trip south she did not take as large a tow as this one, and sank half of it at New Madrid, Mo., entailing a loss of about \$100,000, a small loss for the combine. Capt. Wm. Haptonstall, of Middleport, is one of the pilots on the Williams at a big salary. Her tow will cover two acres. Gallipolis Tribune.

C. R. Richardson's Report of Yesterday's Markets.

Oil City Exchange, 12 noon.—Certificates unchanged. Credit balance 1.63. New York Stock Exchange, 12 noon.—Stocks were generally strong with the exception of sugar, which displayed irregular tactics and was feverish throughout the two hours. There are many conflicting reports on the stock which influence the market and cause such violent movements. It is generally believed, however, that the dividend rate will not be further reduced. The weekly bank statement reflects much better conditions in the money market. The statement is as follows: Reserve increase, \$4,018,850. Loans increase, 3,280,900. Specie increase, 3,025,000. Legals increase, 2,915,900. Deposits increase, 7,700,200. Circulation increase, \$75,900. Chicago Board of Trade, 12 noon.—Wheat was firm until the last hour, when it became easier. May closed at 65 3/4; July, 67 3/4. Corn, oats and provisions steady. Cars today: Wheat, 20; corn, 361; oats, 141; hogs, 22,000.

Real Estate For Sale. A good house and lot on upper Fourth street, \$3,000. A small farm of 15 acres with new 4 room house one mile from corporation line, for \$1,300. A good 6 room house, lot 25x120 feet, on Franklin street, \$1,600. A 15 room brick dwelling on Gilman avenue on easy terms, \$17,000. A No. 1 mercantile business in good location.

Sarah E. Wheatley. Miss Sarah E. Wheatley died Friday afternoon at 3 o'clock at the home of her sister, Mrs. E. H. Richards, 422 Second street. Death was the result of a stroke of paralysis.

Mrs. I. W. Andrews. Mrs. Andrews, whose failing health we have noted, died at her home, 509 Fourth street, shortly after noon Friday, the 31st, of pneumonia.

Will Not Work Here. Speaking of Miles Harper, who was acquitted on the charge of murder at McConnelsville last week, the Herald says: "Mr. Miles Harper has expressed his determination to work in this locality until all his indebtedness is cleared up and then in regard to his future, his plans are uncertain."

Sold Oil Rights. At the door of the Court House at 1 o'clock yesterday Sheriff McCallister sold the oil rights on a farm near the infirmary to J. P. Ward for \$485. The property was appraised at \$500 and the sale was made in pursuance of an order of the Court in the case of John Mills et al against Leroy L. Brown et al.

"The City of New York." This great scenic production was presented to a fair house at the Auditorium last evening. The people in company are all well up in their parts and held the audience remarkably well. The elaborate scenery was very effective in showing off some of the strong points of the play.

There will be five evening concerts, one on each evening of the Festival, and two afternoon concerts, on Thursday and Saturday.

The great choral work will be performed at the evening concerts. The afternoon concerts will be devoted to orchestra work and to solo numbers by some of the artists engaged for the Festival.

Twenty-seven years have elapsed since the first Festival, and the biennial recurrence being now considered as one of the important events in the city's history of the growth of education and culture, little explanation of the purpose of the Festivals need be given. Each Festival has been marked by an increasing value in the programs, which as a whole are a wonderful record of what may be accomplished by an earnest and determined effort to make the greatest musical works familiar and attractive to all.

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

A SPELLBINDER.

'Tis spring, 'tis spring, The poet doth sing; Like wise the man with the hoe and the rake, The little blue jay Is thinking that way No now is the time for your own stomach's sake To take the thing That goes with spring. And that alone Is Cranberry Tonic.

For a good bracing tonic Get the best to be got, And that's Cranberry Tonic For it goes to the spot.

Cranberry Tonic

is a tonic bitter, pleasant, agreeable and warm in natural fire that snaps into glowing sparks, tingling the nerves with the hot glow of rejuvenated blood. A tonic for the weak, stimulant for the aged, the sickly child or delicate mother should take Cranberry Tonic. Young girls need not be dosed with unwholesome drugs that ruin the stomach. For that merky or palid complexion take a tonic that will stimulate the nerves with energy born of hope, and that tonic is Cranberry Tonic.
