THE WEATHER

From now on will no doubt be stormy and bad, so that it will necessitate your carrying an umbrella around all the time. To resist such wear the silk must be of good quality and must not crack. We have a very fine umbrella we are selling at \$1.50, \$2.00 and \$3.00 that will resist the worst kind of weather and keep its color. We also have a finer line as high as \$10.00.

Raglan Overcoats

Fashion says the dress overcoats are the Inverness and opera cape to be worn with an opera hat, though these overcoats are not indispensable, but convenient; for they have been to some extent superseded by the **RAGLAN**. The Raglan has a distinct advantage over the other members of the overcoat family—it may be worn on every and all occasions, is quite as correct at a foot ball game as over evening clothes.

We have just 14 Raglan overcoats left. The color is oxford, the prevailing color. Will close them out at reduced prices. Don't miss this chance to get an up-to-date coat at a bargain.
