DON'T BE FOOLED!
 Take the genuine, original **ROCKY MOUNTAIN TEA** Made only by Madison Medicine Co., Madison, Wis. It keeps you well. Our trade mark cut on each package. Price, 25 cents. Never sold in bulk. Accept no substitutes. Ask your druggist.

In the "good old days" a man's care for his health was marked by the completeness of the armor in which he locked himself up. It was very unhealthy in those "merry days" of jovial robber barons, to be outside of the steel case of knighthood. It was steel vs. steel every hour of the day. In our times a man needs to be armed inside rather than out. The gentle germ is like love in that he "laughs at locksmiths." You can't lock him out, but you can make it so mighty uncomfortable for him that he'll be glad to get out and seek some other lodging.
 The greatest protection against disease is a healthy condition of the stomach and other organs of digestion and nutrition. Health is the true armor against the germ. The health of the stomach and allied organs is assured to those who use Dr. Pierce's Golden Medical Discovery. It purifies the blood, strengthens the stomach, nourishes the nerves and gives new life to the lungs.
 There is no alcohol or other intoxicant contained in "Golden Medical Discovery."
 "I used ten bottles of Dr. Pierce's Golden Medical Discovery and several vials of his 'Pleasant Pellets' a year ago this spring, and have had no trouble with indigestion since," writes Mr. W. T. Thompson, of Townsend, Broadwater Co., Montana. "Words fail to tell how thankful I am for the relief, as I had suffered so much and it seemed that the doctors could do me no good. I got down in weight to 125 pounds, and was not able to work at all. Now I weigh nearly 160 and can do a day's work on the farm."
 Dr. Pierce's Pellets cure biliousness.

Paint Neglect Costs Money.
 Many who care little for appearances are equally regardless of the preservation value of paint. Such economy brings an actual loss. A poorly protected building suffers more damage in one year than it should in ten.
 Good paint is always worth twice its cost. It is worth its cost as a beautifier, and it is worth still more for the protection it affords.
 We handle nothing in paints that is not of the most worthy quality, and our prices will appeal to all who seek real economy.

NOTICE.
 Estate of Elizabeth Fullerton, deceased.
 The undersigned has been appointed and qualified as Administrator of the estate of Elizabeth Fullerton, late of Washington county, Ohio, deceased.
 Dated this 28th day of March, A. D. 1901.
WILLIAM FULLERTON,
 March 29--3wks--Fri.

It's up to You.
 The blush of the wild rose will tinge the uncultivated flush of your complexion and the soul of health will lie in the shade of your existence, cooling the hot fevers of your blood that are burning to burst their confines and grapple with you in the grip of death if you take Cranberry Tone—the one easy way of pulling out of the dumps. I could fill this paper with testimonials telling of Cranberry-Tone cures but you are not interested in the affairs of others. Now let's get together, be honest, tell me how many bottles of spring wash you have guzzled? How many beautiful little pills have stuck in your throat until coasted down on a gag? Now don't look coy, but tell me, do you feel better? No, of course not, and you've coughed up from \$5 to \$2 to help buy a horse for a patent medicine fakir.
 Say, Cranberry Tone is the only really, truly remedy for that dreamy, drowsy, lazy languor that saps the snap of life away, caused by a pathetic liver, indolent kidneys and supine blood.
 Brace up—be a man.
 Cheer up—be a woman.
 And take Cranberry Tone.
 Price 75c a bottle, 3 bottles \$2.00.

 The readers of this paper will be pleased to learn that there is at last one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

HEADACHE FOR TWO YEARS.
 A constant headache for over two years, cured as if by magic. Miss Nettie Matthews, a dressmaker of Church Alley, West Side, says: "I have been troubled constantly for years with severe headache, to such an extent that I sometimes had to quit my work entirely, and for the last two years I have had headache constantly. I was advised to see Dr. H. P. Lorbach, scientific optician, at the Norwood Hotel, which I am very glad to say I did. I found the doctor thoroughly posted in his work. After he had made an examination of my eyes, he furnished me with a pair of glasses, with which I can see both near and far better than I ever could. My headache has entirely disappeared. I would not have believed that there was so much comfort in glasses. I work as long as I please and with perfect ease. I certainly can recommend the doctor to any one having headache or eye trouble as competent in his profession, and a pleasant gentleman to deal with."

TEN WEEKS.

H. P. Lorbach, Scientific Optician, is Compelled to Stay Another Week.—Thursday, April 25th, Will be His Last Day.

Thursday, April 25th, will be the last day in Marietta for H. P. Lorbach, scientific optician (Norwood Hotel, rooms 15-17). This will make his tenth week in the city, during which time hundreds of our most influential citizens have been fitted with glasses by him. And from the number of personal testimonials, he has given entire satisfaction in each and every case. Incurable headaches, some of over 12 years standing, as well as a good deal of nervousness, have been entirely cured by his glasses.
 A glass to have merit in it must be properly ground to suit each individual case, and then it is just as important to have the frame fit properly, so as to have the lenses set square before the eye, as it is to have the right lens. All this is his business, with over sixteen years of practical experience in lens work.
 Examination and consultation free, after which you are under no obligation to leave an order for glasses.
 Come or telephone at once for appointment, as his time is being rapidly taken up. Office hours, 9:00 to 11:30 a. m.; 1:30 to 4:30; 6 to 7 p. m., Standard time.

MISS L. ZIMMER, OF 306 WASHINGTON STREET, SAYS SHE CAN MAKE SMALL TUCKS BY THE HOUR WITHOUT ANY TROUBLE.
 This certifies that Dr. H. P. Lorbach, Scientific Optician, at the Norwood Hotel, examined my eyes, and fitted me with a pair of Bifocal lenses (compound cylinder) which gave me perfect vision and entire satisfaction in every way. That prior to that, either with or without the glasses I had, I was subject to severe eye strain and headache, when making small tucks on the machine, especially on striped goods. But with the glasses he furnished me, my sight is perfect and no strain; headaches are also much better. I can recommend the doctor as reliable in his profession.
MISS L. ZIMMER,
 306 Washington street.

MR. C. H. KILMER, WITH THE HUTCHISON'S BARGAIN STORE, SAYS THE DOCTOR AND HIS WORK ARE ALL RIGHT.—TO WHOM IT MAY CONCERN.
 This certifies that Dr. H. P. Lorbach, scientific optician at the Norwood Hotel, examined my eyes and fitted me with a pair of glasses that have given me entire satisfaction in every respect. That prior to that time I had been troubled with defective vision, a burning and smarting sensation of the eye, and a feeling sometimes as if there were sand in them. They would water to such an extent that was very disagreeable and annoying. Since using the glasses prescribed by him, the trouble has entirely disappeared. I can certainly recommend the doctor in as far as my experience goes as thoroughly practiced in his profession.
