

## TAXES FOR 1913

Totals of Levies For 1913 in Fulton County Taken From Abstract of Tax Duplicate. Sent to Columbus This Week. Changes Effected By Warnes Law.

This week the county auditor completed the abstract of the tax duplicate of Fulton county for the year 1913 and filed copies with the State Tax Commission and with the Auditor of State. The county auditor's office heaved an audible sigh of relief when this task which is one of the most tedious ones was completed. The total tax valuation of Fulton county for this year was \$37,727,350, which is just about one million dollars more than it was last year. The total amount of taxes in the county for 1913 exclusive of the delinquent taxes to be collected and the dog tax is \$422,224.39. This amount when collected will be distributed as follows: State Sinking Fund, \$244,426; State University Fund, \$3,441.68; State Common Schools, \$12,464.45; State Highway Improvement, \$18,603.67.

Total State Tax	\$5,756.29
County Fund	\$1,592.63
County Poor Fund	7,651.90
County Bridge Fund	25,221.61
County Building Fund	4,585.01
County Indigent Soldiers	5,608.44
County Road Fund	7,651.60
County Agricultural Fund	1,016.04
Total County Tax	\$8,326.58
Township Levies	\$9,822.36
Local Schools	107,261.61
Village Levies	49,502.29
Miscellaneous, including all special taxes and municipal road funds	\$9,655.00

The delinquent taxes for 1912 and former years on real estate amounts to \$13,498.62 and on personal property \$4,582.18.

The dog tax for 1913 amounts to \$2,050.00.

The new tax assessing machinery which goes into effect next year will change in the appraisal and assessment of taxes which is popularly supposed to take a heavy burden from the work from the auditor's office, but the relief, unless the law is amended this winter, will not be so great as many suppose. By February of next year the auditor must prepare an abstract of all taxable property in the county with valuations as they now are, this is necessary in order to give the new district assessor a basis from which to work and will only have to be done once.

The district assessor will have charge of the deputy assessors and the auditor relieved of that duty but the auditor will act as secretary of the new Board of Complaints, as he has for the former Board of Equalization, further more under the law as it stands at present the auditor will act as a member of the Budget Committee so from this end of the work he gets precious little release from work. When it comes to the clerical work of making up the tax duplicate part of the work will fall to the office of the district assessor; it will be the duty of this office to make out the tax books in triplicate, up to the valuations, two sets of these are to be handed over to the auditor who will make out the extensions and deliver one set to the treasurer, retaining one set in his own office. The major part of the work lies in this figuring out of the amount of the district taxation on each tax valuation as determined by the district assessor.

Persons desiring to know in advance what their taxes will amount to will have to apply to the auditor as at present, the set of books retained by the district assessor are not required by the law as it now stands, to have the extensions carried out, nor does the law require the district assessor to file out these extensions. State levies will be certified direct to the district assessor but all special tax for ditches, streets, buildings, etc., will be certified to the auditor's office as at present. The idea that the auditor's office will be robbed of most of its work is a mistaken one.

## COUNTY AFFAIRS

Orders Drawn, Land Deals, New Cases in Court, Marriage Licenses, Probate Court, Etc.

- ### Warrants Drawn.
- Chas. Peterson, gross election, \$2.00
  - Wm. A. Wood, Wauseon E. election, \$2.00

## BIG MEETING

At Wauseon Saturday, November 22. Teachers Institute and General County Meeting of Persons Interested in Good Schools.

At the request of the governor, a number of meetings were held throughout the county to select delegates to the meeting which is to be held at Columbus the 6th and 7th of next month. It has been suggested that a general county meeting be held at Wauseon to discuss some of the proposed legislation and the Executive Committee of the Fulton County Teachers Association desire to extend an invitation to have this meeting held in connection with their meeting at Wauseon next Saturday, November 22.

Professor Marzolf of Ohio University will be with us and every one in this county ought to hear his message. A part of the afternoon meeting will be set aside for the discussion and treatment of some of the changes proposed by Mr. Brittain. Inasmuch as some very radical changes in our school system are recommended, and inasmuch as some of these changes would, if enacted into law, very vitally affect the schools of this county, we ought to give them a thorough discussion.

The Executive Committee of the Fulton County Teachers' Association, therefore cordially invite everybody interested in good schools to be present and to take part in the discussions.

Everyone who is interested in education and especially members of the Board of Education are earnestly requested to be present.

The Teachers' Institute will be held in the assembly room of the high school building, the morning session beginning at 9 a. m. and the afternoon session at 2 p. m., following being the program for the institute:

- Singing.
  - Devotional Exercises—Rev. W. T. Williams.
  - Athletics—W. L. C. Brown.
  - Reading—Fern Dabrow.
  - Impeachment and Trial of Andrew Johnson—C. L. Marzolf.
- 1:00 P. M.
- Singing.
  - Ohio and Ohioans—C. L. Marzolf.
  - Piano Solo—Chloe Edgar.
  - Address—Mr. D. J. Dodge.
  - Vocal Duet—Misses Dorothy Waldron and Bernice Parker.
- Every teacher is urged to be present at this meeting, as it will be one of unusual interest. A delegate will be elected to attend the meeting called by Gov. Cox, at Columbus, December 5 and 6.
- L. W. BATES, President.  
HELEN PAXSON, Sec.

## GOOD NEWS FOR THE GIRL WITH UGLY HAIR

Don't mourn over it! Don't envy others because they have beautiful hair. Begin right now to give proper, intelligent care and attention to your hair—and then let others envy you. Use Harmony Hair Beautifier, a delightful liquid hair dressing that is just what it is named—a hair beautifier.

To make the hair glossy, soft and silky—to make it easier to put up in smooth, wavy folds, and "stay put"—to restore to your hair the well-groomed appearance you want it to have—to overcome the unpleasant, oily odor of the hair and leave instead a delightfully dainty fresh rose fragrance—Harmony Hair Beautifier will please you, or your money back. Very easy to apply—simply sprinkle a little on your hair each time before brushing it. Contains no oil; will not change the color of the hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives a rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off as quickly, the entire operation takes only a few moments. Can't harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

Just a few preparations come in odd-shaped, very ornamental bottles, with sprinker tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made—Read & Wager, Wauseon, Ohio.

## VILLAGE COUNCIL

The Council met in regular session last Monday evening and all members were present. Routine work was disposed of and the engineers partial estimates for work as completed on East Elm, Brunell and Franklin streets were heard and the necessary provisions made to pay them. The contractors have concentrated their working forces on Brunell street in an endeavor to complete that street; the season is far advanced to complete the streets that are to have the asphalt finish this year and the work will have to wait until the sunshine of next spring. Several pieces of sidewalk were considered and orders were issued to property owners to build forthwith or the village would proceed to build for them. The conditions existing at the intersection of Commercial and Brunell streets, brought about by the installation of the new Lake Shore side track to the mill buildings, were considered and the street committee determined to view the premises and order such changes as should eliminate danger to vehicles passing from Commercial to Brunell streets, or vice versa, as far as possible.

Lights, sewers and street conditions furnished the old familiar subjects for discussion, subjects that are ever with the council members and which seem never to fail for problems more or less intricate.

But two more regular meetings remain for this present council. The first of January they will hand over their responsibility and their problems to their successors.

Whatever may or may not be charged against the present council they certainly cannot be justly charged of inactivity. They have "done things" and the things they have done will remain as memorials to their activities.

Birmingham, Ala., F. L. Willis suffered greatly from asthma and bronchitis. He writes: "I got no relief until I took Foley's Honey and Tar Compound. It entirely removed those choking sensations, and never failed to produce an easy and comfortable cough, with throat and lungs." Fink & Haumesser.

## DISTRICT ASSESSOR

Dr. G. B. Tutthill Appointed Tax Assessor For the District of Fulton County—General Satisfaction With the Appointment Expressed.

Dr. G. B. Tutthill was appointed last week to fill the new office created by the Warnes Law, in Fulton county. Dr. Tutthill is receiving the congratulations of his many friends and it is generally conceded that a wise choice has been made by the commission in selecting him to fill this new office in this county.

Dr. Tutthill has been a resident of Wauseon for the past thirteen years during which time he has practiced his profession of dentistry. Associated first with Dr. F. L. Ames he later purchased Dr. Ames practice and during the last three years he has had associated with him Dr. A. S. Blake.

Dr. Tutthill has taken an active interest in public affairs since he has been a resident of Wauseon and made a record for faithful and efficient public service as a member of the Wauseon Board of Education during the building of the high school a period during which that office was no sinecure. As a Democrat Dr. Tutthill has been a prominent and

## EARNEST AND BENSON WAID IN THE BAY STATE

There is nothing which is more gratifying to the "folks back home" than to receive news of the success of the young people who have gone out from the home community and have set about the business of life in distant states. This time it is Professor Earnest D. Waid and his brother, Benson Waid, both Fulton county boys whose success we take real pleasure and pride in recording. The Springfield Sunday Union, of Springfield, Mass., in its issue of October 26th, publishes under the caption, "Prof. Waid's Farm Talk of Amherst," an article describing a big potato crop raised by Prof. Waid and his brother, Benson, this season; the article is illustrated with views of the potato field and pays glowing tribute to the skill and ability of these two Ohio boys. Earnest has for the past two years been the assistant director of the Extension Department of the Amherst Agricultural College. Soon after entering upon his duties at Amherst Prof. Waid purchased an old farm of 33 acres lying at the foot of Amity street in that town, and this past season, he planted a plot of 2 and 15-20 acres to potatoes, Green Mountain variety, securing a yield of 403 bushels to the acre without counting the small ones. The crop was sold at good prices and his seed potatoes are in great demand.

## SCHOOL SURVEY DAY AT NORTH DOVER

The patrons of District No. 6 in Dover township met at the North Dover school on the evening of November 14 to discuss the public Survey Day questions. The school gave a short program consisting of recitations, an essay and music from a graphophone, a very helpful address was given by Mr. E. P. Ames, of Wauseon. Questions on "How to better our schools" brought lively discussions by the patrons. The governor's proclamation was argued pro and con. Those present voted unanimously against the governor having the appointive power in our school affairs. Mr. B. F. Croninger was elected delegate to Columbus.

We have 12 new buggies mostly sample jobs which if taken soon can be bought from \$40.00 to \$70.00. Stotzer & Johnston.

Dr. Tutthill has the respect and confidence of all who know him and his appointment will give general satisfaction, among the people of the county, whether or not they are in favor of the new system of assessing tax valuations.

Dr. Tutthill will have no easy task when he assumes the duties of his new office early in the coming year; he will have no precedent to follow as to the conduct and work of the office as he would were he succeeding to some office already established, but will practically have to install a complete new system. Regardless of party lines Dr. Tutthill deserves and should have the co-operation of all citizens in the discharge of his duties.

How to Treat Sprains  
For sprains and bruises rub on and rub in thoroughly Hanford's Balsam of Myrrh. Rub it on with your finger tips and rub it in with the palm of your hand. One good application at first will give you quick relief and is better than several light ones.

## THANKSGIVING DAY

Merchant Tailors and Clothiers

## DR. GUY B. TUTTHILL

Dr. G. B. Tutthill Appointed Tax Assessor For the District of Fulton County—General Satisfaction With the Appointment Expressed.

Dr. G. B. Tutthill was appointed last week to fill the new office created by the Warnes Law, in Fulton county. Dr. Tutthill is receiving the congratulations of his many friends and it is generally conceded that a wise choice has been made by the commission in selecting him to fill this new office in this county.

Dr. Tutthill has been a resident of Wauseon for the past thirteen years during which time he has practiced his profession of dentistry. Associated first with Dr. F. L. Ames he later purchased Dr. Ames practice and during the last three years he has had associated with him Dr. A. S. Blake.

Dr. Tutthill has taken an active interest in public affairs since he has been a resident of Wauseon and made a record for faithful and efficient public service as a member of the Wauseon Board of Education during the building of the high school a period during which that office was no sinecure. As a Democrat Dr. Tutthill has been a prominent and
