SPICES that SPICE
Fresh, undiluted spices—that true natural products—clean and potent. That's the only kind that has true flavoring qualities. We ask you to give them a trial knowing full well that we will not have to invite you the second time to use them in preference to others. Besides, they cost no more than the ordinary "near" spices, in fact they are far cheaper in the end.

DOWELL SCHOOL NEWS LETTER
Dear Editor: It is with pleasure that I report the following record of the Dowell school for the month of November. Our mail clerk, Glen Rupp, reports a total of ninety pieces of mail received during the month. There were fifty-three pieces of mail sent making a total of one hundred and forty-three pieces of mail handled by him. Our police officer reported no arrests which shows that his authority was respected. In the November election of officers, Wilbur Miller was elected chief of police, with Eldon Rupp, assistant; Wilbur is one of our finest boys and is respected by all the pupils. Our new mail clerk is Ada Waldvogel. The bad storm spoiled our record of attendance somewhat. Those perfect in attendance for the month were: Bruce Taylor, Vernon King, Nola Taylor, Ethel Van Ness, Ada Waldvogel, Estell Mohr, Orvin Miller and Raymond Sommers. Our boxing gloves, ropes and iron work are here and our extra school room is being rapidly converted into a play room for the pupils this winter. The school board has kindly given us permission to use the old room for this purpose and we hereby extend them a hearty vote of thanks. A Christmas program is already being prepared and all the neighbors and friends of the school are cordially invited to attend our exercises. Visitors are welcome at all times. Don't rap! Open the door and walk in. Yours, The Dowell School.

DON'T DOPE A PUNY CHILD
Parents—don't give that puny, ailing, underweight child any of those so-called "tonics" containing alcohol or dangerous drugs; such stuff won't give relief and health to grown people, let alone children. Its purpose is to stimulate for a short time after each dose, but as the alcohol and morphia does, thus making you believe it is doing real good. Give that child something that will really build it up—refresh the wasted tissues—feed the stunted, dwarfed, puny muscles—make it lively, strong, well full of the animal spirits children are meant by nature to have. Give it Rexall Olive Oil Emulsion. Rexall Olive Oil Emulsion is wholesome, nourishing, free from alcohol and dangerous drugs. It's the ideal nerve, blood and body builder. It does the work it is planned to do better than any other medicine we know of, and our faith in it is so great that we not only urge you to use it and give it to your children—but we guarantee that it will do all we say it will, or cost you nothing. Rexall Olive Oil Emulsion should be given to children who catch cold easily. Begin right now, and use it to build up the child's system to such an extent that it will resist cold, croup, grippe, bronchitis, catarrh, pneumonia, and other cold weather diseases. You who are well now, but are liable to suffer from various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. For the tired-out, run-down, nervous, or debilitated child—the convalescing—growing children—aged people—it is a sensible gift to renew life, invigorate, better spirits, glowing health. Rexall Olive Oil Emulsion—king of the celebrated Rexall Remedies—is for freedom from all ailments of your family. You'll be as enthusiastic about it as we are when you have noted its pleasant taste, its strengthening, invigorating, building-up, disease-preventing effects. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—of more than 7,000 leading drug stores in the United States, Canada and Great Britain.—Read & Wager, Wauseon, Ohio.

Mayr's Wonderful Stomach Remedy
Is Recommended and Praised By Thousands Who Have Been Restored
I was a sick man for about three months and I cannot find the cause of my illness. I was told by three of our most prominent physicians of the Liver and I was told to submit to an operation to get relief, but I heard of your wonderful Stomach Remedy and secured a full treatment and took it according to directions and passed hundreds of Gall Stones. Since taking your medicine I feel better in health than I have for years. I am a strong, free man and healthy. I have had no more of the trouble that has done in thousands of other cases. Whether it is taken you will hear nothing but the highest praise. So to your druggist—ask him about the great results it has been accomplished in cases of people he knows or send to Geo. H. Mayr, Mfg. Chemist, 154-156 Whitehall Street, New York City, for a free book on Stomach Ailments and many grateful letters from people who have been restored.
