THE GREAT OHIO APPLE SHOW America has seen many exhibits of the products of the soil, but one of the most notable that has ever been held will be the great show of Ohio grown apples, that will be held in Cleveland, January 20 to 23 next. This show will be held under the auspices of the Ohio State Horticultural society, but the convention committee of the Cleveland Chamber of Commerce has taken charge of the local arrangements and with the enthusiasm for which the Sixth City is justly famous this show is rapidly

rounding into a great event. It will be held in Central Armory one of the largest buildings in the state. At the rate at which fruit is arriving in storage for the show it is now quite evident that all of the space will be occupied. The armory will be decorated in a most attractive manner, there will be fine music by one of the best bands in the country and the amount of money that has been hung up will warrant every apple brought in sending his best fruit to this show. A prize won at such an exhibit will be a prize indeed, for it will be sure proof of the quality of the fruit that takes it.

In connection with the show will be held the meetings of the State Horticultural society. The show will be started off with a monster public meeting at which Governor Cox has promised to speak. The Ohio Agricultural Commission will also attend and it is assured that Dr. Harvey W. Wiley, the famous authority on foods, will attend and speak.

This will be a remarkable exhibit for Ohioans. Many do not know that some of the finest apples in the world are produced within the borders of the Buckeye state---that the finest apples in the world grow on Buckeye

trees. But they do, and here they will be seen in all their glory. It will be an inspiration to prospective orchardists and a revelation to the great army of consumers of the world's finest fruit.

The premium list may be had by addressing F. H. Ballou, Newark, O.

HOW TO TAKE GOOD CARE OF YOUR HAIR

Nothing spoils your good looks so much as homely hair---stringy, dull-colored, harsh. Nothing adds to good looks so much as beautiful hair---soft, silky, wavy and glossy.

No matter how beautiful your hair is now, you can improve its good looks by using Harmony Hair Beautifier. If your hair is homely and ugly now, Harmony Hair Beautifier will make it softer, silkier, glossier, more beautiful in every way. It also makes it easier to put up and helps it to "stay put". Its rich rose odor hides the unpleasant, oily smell of the hair. Harmony Hair Beautifier is rightly named; it beautifies the hair.

Very easy to apply---simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a

quick and thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness---just a sweet-smelling cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c.

Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store---The Retail Store---one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made. Read & Wager, Wauseon, O.

We will deliver your cemetery wreaths to the Wauseon cemetery and plants and flowers to any part of the town for Christmas.

A wonderful variety of Christmas presents for boys and girls, at Dimke's Xmas store.

Gifts for girls that are just what they want---at Dimke's Xmas store.

All the Difference. When a man is in love he thinks of nothing but her. A woman can be in love and still spend most of the time thinking of her clothes.

ALCOHOL FOR AUTOMOBILES

The Challenge Oil & Paint Company, Toledo, Ohio, has a folder showing "Frost Proof" Oils for Winter use for farm and automobiles. Their TWO-IN-ONE Alcohol is also making a hit; it keeps cooling water from freezing, cleans all dirt and scale, and is approved by leading engineers. Enough for Winter season costs \$3.50, including Benzene Hydrometer for testing. This would look like cheap insurance. They also want automobile owner with some spare time who could look after their business in this locality. It might be well to write them if interested.

"THE ROSARY"

Every woman thinks she knows how to keep alive the love of her husband. Wonder if the girls in this city know that art? Sometimes it is said they don't. At any rate, they will know after they witness a performance of "The Rosary", which is playing a return engagement at the Princess Theatre next Wednesday, December 24th.

In "The Rosary" there are three distinct love stories. The principal love affair is that of Bruce and Vera Wilton. This husband and wife love each other with their whole hearts. She is a devout woman, but he is a born atheist. Being a man of much business interests, Mr. Wilton neglects his home, and Vera resorts to the green-eyed monster to bring her husband back to her. She begins a flirtation with a man named Kenneth Wright. Circumstances bring Wright into the Wilton home, where he falls in love with Vera's sister, Alice. One night, when he and Alice had arranged for a secret elopement, Vera, entering the room as the couple are leaving through an open window, is discovered by her husband. The result is two broken hearts; therefore jealousy is an evil, and not an advisable way of keeping a man interested.

All of this love is in "The Rosary" and with a competent cast presenting it, the play is worth attending.
