

WAUSEON MONEY

How Much of it Stays in Wauseon? How Much is Lost Outside of Wauseon? Why Not Make Wauseon Money Work in Wauseon?

Some copy reached the editor's desk this week that set the editor's "thinner" running and as thinking is a beneficial exercise the editor is passing on this copy to his fellow citizens of Wauseon.

Turning aside from things political, there is a business campaign in Columbus now which is attracting some attention, not only because it is unique, but because it is being conducted by a "youngster."

So when a manufacturer appears in the Chamber of Commerce to say his factory was ready to expand, and that he could just double his working force if he could get \$5,000 more capital, Mr. Kelly couldn't understand why he couldn't get the \$5,000 in about five minutes and start in right away to get \$5,000 for some other manufacturer who wanted to double his capacity.

So he started an investigation, and found out that within ten years Columbus people have lost \$3,000,000 in money unwisely invested in big mining propositions to say nothing of the small ones, but that it was harder to get the money for home industries than it is to pull a hook-rooted tooth out of a horse's head.

He is writing letters to the newspapers, and when they don't print what he wants to say, he writes papers and puts it in anyway. He is writing letters, making speeches in public and private, and, of course, is getting other advertisements in papers and he thinks it is a campaign which might be carried on in every city in the state, with result that Ohio would soon have all the money it needed for any legitimate purpose.

When you have a bad cold you want a remedy that will not only give relief, but effect a prompt and permanent cure, a remedy that is pleasant to take, a remedy that contains nothing injurious, Chamberlain's Cough Remedy meets all these requirements.

AKRON STOMACH VICTIMS ARE RESTORED BY MAYR'S REMEDY

A. M. George Gets Rid of Malady After Several Years of Suffering. A. M. George, who has offices at 304 Walsh Building, Akron, was for many years a sufferer from stomach ailments. He tried a good many treatments and took many medicines.

At last he found Mayr's Wonderful Stomach Remedy. The relief he sought came swiftly. He wrote: "It is wonderful what results I received. I haven't had a symptom of the old trouble that I suffered for several years."

Just such letters come from all over the country. Mayr's Wonderful Stomach Remedy convinces with the first dose—no long treatment. Mr. George's experience is typical.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accumulations and poisonous matter. It gives quick relief from stomach, liver and bowel troubles.

Because of the remarkable success of this remedy there are many imitations, so be cautious. Be sure it's MAYR'S. Go to Fink & Haumesser's drug store and ask about the wonderful results it has accomplished—send to Geo. H. Mayr, M.D., Chemist, 154-156 Whiting St., Chicago, Ill., for free book on stomach ailments and many grateful letters from people who have been restored.

Any drugist can tell you its wonderful effects.

ROLL OF HONOR

Loyal Pike Sends in Additional List. Pike School District No. 5 Takes The Banner—Subscribers to Monument Fund Responding To Call To Pay In.

Comrade V. W. Weeks has sent in an additional list of subscribers to the Monument Fund from Pike township and the response that has come from this township, to the call for funds to build a monument to the memory of "The Boys in Blue" who answered their country's call from Pike township, certainly entitles it to the honorable title of "Loyal Pike."

One feature of this list sent in by Mr. Weeks that deserves special mention is the contribution from School District No. 5 of Pike, which amounts to \$13.50. Miss Tressa Struhsacker is the teacher who has earned the honor of making her school the banner school of the county in point of contribution to the Monument fund.

This is not the time to cease the effort to bring this fund up to the \$3000 mark there is still over a thousand dollars short of this mark. There has been a fairly good response to the call to pay in; at the present time there are \$491.25 in the treasury, which gives some idea of the amount that is still to be collected. The form of the certificates has been decided upon and they will soon be ready to issue; they will be on the best obtainable paper "Japan parchment" printed in three colors and suitable for framing, every loyal citizen of the county will want one and we wish we could hang one in every school house in the county.

THE SLOGAN

What Will Wauseon Watchword Be? Everybody Has a Chance to Vote On It—Also an Opportunity To Win The Five Dollar Prize Offered By The Wauseon Boosters Club.

The Wauseon Boosters Club has offered a prize of \$5.00 to the person submitting the most acceptable slogan for Wauseon, the aim of the club, being to adopt a slogan for the town and endeavor to have it worked out in some sort of electrical sign that will be visible by day and by night.

Whereas, investigation made by this department discloses the fact that the farmers and poultry raisers of Ohio suffer an annual loss of approximately one and one half million dollars in the production of eggs that are infertile in quality, due to fertilization, which produces in commercial eggs conditions commonly known and understood as heated eggs, blood rings, and chick rots that make them unwholesome for food, and

Whereas, after the hatching season is over there is no longer necessary for keeping the rooster with the laying hens, as repeated experiments have demonstrated that hens lay, as well or better, without the presence of the rooster, therefore, I, Sylvanus E. Strode, Commissioner-in-charge of the Ohio Agricultural Commission, do hereby designate Saturday, June 6th, 1914, as

ROOSTER DAY. Let us, the five million producers and consumers of Ohio, on this day separate the rooster from his flocks, by decapitation or other means, and thereby contribute to the production of quality eggs. Better that we should enjoy his sweet morsel on our tables and bless him for having fulfilled his mission than to tolerate longer his presence among the flocks and thereby suffer the losses that ensue.

In testimony whereof, I have hereunto set my hand and caused the seal of the Agricultural Commission of Ohio to be affixed at Columbus, this sixth day of May, in the year of our Lord, one thousand nine hundred and fourteen.

BOOSTERS NOT ROOSTERS.

There is a special and highly important reason why every member of the Wauseon Boosters' Club should be present at the meeting of that organization at Montauk Club hall next Monday night. The fate of every member of the club hangs upon a slender thread. The Ohio "poor food commission"—maybe it was the Dairy and Food Commission—anyway it was somebody that has the "approval of the governor," has issued a decree that June 6th shall be, throughout the length and breadth of Ohio, "Rooster Day" and on that day every rooster in the state is to be slain—killed dead and then roasted, boiled, fried or fried and then eaten. It will be a sad day for the rooster; but note the humane spirit of the commission; the rooster is to be first killed then roasted! While those who oppose the present administration are busy in season and out roasting every man and jack in said administration without any indication of having ever thought of killing a mercifully "killing" anybody before roasting. Ah, the brutal inhumanity of such "opposers" and the "illustrious" example of merciful kindness set before the people of this state by the authority which decrees the extermination of the rooster! But the point is this: The change of a "B" to "R" is a simple thing, liable to happen in any print shop and if such a change should happen to be made in connection with the name of this "Wauseon Club" Why, there you have it, Wauseon Rooster's Club! Then, if some one should be passing the building in which the club is in session and happen to hear some of the members cheering for Wauseon what more natural than to conclude that it was indeed and in fact a Rooster's club? Now if these things should actually happen, the conclusion is inevitable, every member of this club stands in line to get it in the neck along with the rest of the roosters on June 6th. This is only one reason why every member of the club should be present Monday evening to demonstrate that they are Boosters and not Roosters.

BASE BALL. Wauseon dropped First Game Of Season To Swanton. The Pitching Of Farrell And Errors By The Wauseon Team Was Responsible.

The Standing. G W L P.C. Wauseon 3 2 1 667; Swanton 3 2 1 667; Rollers 2 1 1 500; Archbold 3 1 2 333; Barouth 1 0 1 000; Delia 0 0 0 000; Jacobs 0 0 0 000.

In a pitchers battle between Farrell and Spies Sunday, our third County Judge, who has been in charge of the game, helped them bag the game.

Swanton started doing things as soon as play was called. Robinson the first to first and immediately walked. H. Pilioid sacrificed, catcher to first, Robasser hit to the score board for two bases scoring Robinson, Beecher singled to second, Sargent missed three, and L. Pilioid was fanned. Two runs.

Merickle the first man up got a free trip to first and immediately stole second, Powers was out via the strike out route, Funkhouser singled to center scoring Merickle, Selner sacrificed short to first, Garry hit to short who threw wild to first, Funkhouser scoring, Garry taking second, Williams missed three. Two runs.

It was one two three for both sides until the fourth. Beecher was hit by pitched ball, Sagert singled to center, L. Pilioid lifted a fly to Powers, who lost it in the sun and the bases were full, T. Pilioid tried hard but was out, Beecher was out, Merickle forcing Beecher in, Farrell hit one between pitcher and first, Sagert scoring, H. Pilioid was out pitched to catcher and Lochbiler was out trying to score. Two runs.

Wauseon could do nothing with Farrell's slants so Swanton was score headed.
