In Ford sizes, plain tread, 6,000 miles; Kant Slip, 7,500 miles. All other sizes, plain tread, 5,000 miles; Kant Slip tread, 6,000 miles.

The word "adjust" is merely figurative, because in 1914 the total adjustment in Kelly-Springfield Tires for the whole United States was less than 1%.

Highwood, Mich.—"I was in a serious condition, and my life was nearly gone," writes Mrs. Clara Avery, of this place, "but I am feeling well now, as the result of having taken Cardui, the woman's tonic."

My sufferings extended over many years, and were made up of female troubles, such as backache, pain in my side, and dreadful dry spells.

I was all run down, and hardly able to drag around, when my oldest daughter got me a bottle of Cardui.

I had no faith in it, but took it nevertheless, and before I had finished half a bottle, I got better. Now I am well and able to do all my work."

It should be a comfort for them to know that for such pains and weakness, there is at hand, on every druggist's shelf, a remedy, Cardui, the woman's tonic.

This successful tonic, prepared from nature's harmless herbs, aids nature in building up strength, for the worn-out womanly constitution.

It relieves the symptoms. It reaches the cause. It helps to make you well. Try Cardui—EBS
