The body was brought on to Styker where it was identified and undertaker Deck of Bryan was called and took the body back to Bryan. Section men walking along the track about one half mile east of Bryan found the body of Miss Leonard at about 2 o'clock Monday morning.

Why Should I Pay By Check?

BECAUSE— Your check automatically becomes a receipt. You can thus pay a bill to the exact cent without the bother of making change.

If you lose your check book there's no harm done. If you lose cash, you're usually "up against it."

In a word, it is safe, sure and simple.
