### These Are The Words of a Very Rich Man

"The American people are prodigal, and our extravagance will have to be paid for by someone. People are taking advantage of prosperity, such as has never been excelled in this country, to be wasteful and extravagant. We are not saving up for the rainy day, for the time of need."

How is it with yourself?  
Are YOU saving for the "rainy day," and putting aside a fund which will work tirelessly for you when perhaps you are sick, tired or worn out?  
Don't you see that common sense demands that you should look to the future?
