Now remember, we said "so far as we have seen" Mr. Wright showed us photographs of said garden the other day and from the looks of the photos, there is going to be plenty to eat in the Wright home this year. Have you a garden that will stand having its picture "looked"?

Wabash Flyer No. 28, St. Louis to Detroit, was wrecked near Adrian, Mich., last Monday when the three rear cars left the tracks and plunged down a high embankment about four miles east of that city about 3 o'clock p. m. Three persons—Fullam Conductor Cook and two porters, J. D. Carter and Dan Hughes, were killed outright, and Robert Fairbolt, negro porter, died from the effects of his injuries Tuesday morning. FOR PROSECUTING ATTORNEY I aspire to the office of Prosecuting Attorney of this county. I believe that by education, training and experience, I am qualified for the position. And if I am nominated and elected I will give the people not only an efficient and economical administration, but a fearless one, which is quite as essential. CLYDE L. CANFIELD. OBITUARY Mrs. Nora Clover, a well known former resident of Wauseon, died Tuesday evening at the home of her son, A. Croninger, two miles west of Calvary, near Toledo. She had suffered from cancer for a long time, having undergone an operation in the Wauseon hospital nearly two years ago. It was hoped at that time she would be relieved entirely from her trouble, but soon the disease again began to attack her and increased in intensity till she passed away. She knew her life was ebbing away and seemed anxious to go, making all preparations for her funeral, even to selecting the pall bearers. She was the oldest daughter of Mrs. Ann Serick of Wauseon. She was born in Henry county, September, 1850. She became the wife of Mr. George Croninger, to whom was born one son, Mr. A. A. Croninger. After a happy marriage of two years, Mr. Croninger passed away. Later she married the Rev. J. B. Clover of the Christian Union church, who also preceded her to the home beyond in May, 1914. She united with the Christian Union church at the age of 15 years and was a consistent member of the same until her death. She leaves, besides her mother and son, two grandchildren, three sisters, and two brothers to follow her to the home above. Funeral services will be conducted at Swanton Friday morning at the Methodist church, and interment will be made in the cemetery south of Swanton.

FAMILY REUNION On Friday, July 12, at Howard's Grove, the Isbell family held their annual reunion. They were having a very enjoyable time. The day was lovely, a good attendance, and surely there is no pleasanter place for a picnic in northwestern Ohio than the grove above. The natural beauty, blending with historic interest, and the grand colonial home in view on the hill beyond, all combine to make it an ideal place for a family reunion. The home was the same neighborhood—Howard and Isbell children going to the same school; though gray-haired heads of families now, they love to go back to the play-grounds of childhood. The Aldrich branch of the Isbell family, Mr. and Mrs. Fred H. Aldrich, and Mrs. Geo. H. Montilion (whose husband is in Camp Sheridan, Ala.) came to Maple Grove Home Friday afternoon, and remained until Sunday evening. On Saturday, Theo. Seibold and wife, Mrs. Mary Aldrich, Mrs. Florence Miley and Miss Adda Howard were added to the company. But all felt disappointed because Joe Aldrich failed to get a furlough at that time. He still hopes to come before he goes "overthere."

FOURTEEN STARS It was a red letter day in the Woman's Relief Corps when we dedicated our new flag, containing 14 stars, each star being lovingly placed by the mother's own hand. We are very proud of our sons represented by these stars, which stand for the following: Lawrence Bonnell Robert Gates Carl Gehring Roy Goodwin Gayler Goodwin Russell Golf Claude Marks Howard Furney Kenneth Miller Arthur Knight Carl Clark Owen Garmann Harlowe Palmer. The program was in harmony with the occasion and much appreciated. New members are coming into the corps at almost every meeting. Speak to Mrs. Samuel Borton, president, or some other member of the corps if you wish to join us.

INTERESTING LETTER FROM BOSTON KIMERER News, France, June 7, 1918. Dear Mr. Overland: Am going to try and write a letter during work for once. Have been so busy all the time that I have not had a chance, but am going to take one. You will notice that I have given the name of this place, and we have been here ever since we struck France. We have received instructions to the effect that the word given the name of the location where we were at, as we are what you, or the army officials, call S. O. S., but some of the boys around here call it S. O. L., which has a different meaning; but any way we can give you the location so you will know about where we are at, if that will help any. Have not received a letter from home for nearly two weeks now, but suppose that you have written right along. Received a letter from Smith the other day; it was written on the 13th of May; also one from a fellow out at the Overland, and also one from Mary, all the same day. Mail has not been coming regularly lately; do not know the reason. Mary has sent me several Saturday Evening Posts; but she has not sent me any more. We work nine hours each day, but do not work on Sundays any more; thanks for that. It has rained here now for a long time and it is just as dusty as it was muddy here some time ago. It is very hot during the day, but just as soon as the sun goes down it gets cool and I am sleeping with a less blanket now than I did during the coldest part of last winter. Some of the boys from Camp Custer, Mich., went through here the other day, so one of the boys said; he said that he saw one of his friends, so that is all I know about it. I am feeling fine and I guess looking good; I feel that way, so I should say. The paper says today that U. S. Marines drove the German crack troops back a mile. Old Bill will find out that he is not monkeying with somebody else when he gets a taste of Uncle Sam's army. There was a fellow over at the "Y" the other night giving a lecture and he said that he has been in France six months (nearly six and one-half); he spent four and one-half with the French and one month with the Americans; and that he saw more action while he was with the Americans during that one month than he did during the whole four and one-half with the French.

We go to bed now while it is still daylight, or nearly so. It does not get dark, what I would call dark, until about 10, and we turn in at 9:30. I have not heard of Grover since I left Washington, and only once while I was there. When you write him if he has my address, I will write him letters while I was in the hospital, but have not since. Well, I cannot write to all of them each week for it takes too much time; they possibly only have one or two to write, while I have all of them; then the lights go out at 9:30 and we do not have much time. I brought my short-handled books with me, thinking perhaps I could use them, but have not had the time to even hardly look inside of the cover. When I get the paper read and write my letters the time is taken up. I do not go out of camp only about three times a week, and sometimes only twice. Last night I was down to the railroad bridge, which is about 40 rods from the gate. Well, it is nearly supper time, so will have to close for this time. Remember me to all, and with best wishes and much love. Sincerely, BOSTON. P. S.—Just met a fellow from Wauseon by the name of Gideon Vine; that is, he was there some years ago. I never saw his name in the Tribune and that is how he came to know that I was here. If you put any more of my letters in the paper, it will be all right, but you will have to cut out the things and tell the editor that the letter was censored.

CAUSE OF DESPONDENCY Despondency is often caused by indigestion and constipation, and quickly disappears when Chamberlain's Tablets are taken. These tablets strengthen the digestion and move the bowels. WAUSEON WIDOW CRIES FOR JOY "I couldn't eat anything but raw eggs and sweet milk and was so weak I could hardly walk across the room. I would have been in my grave today if I hadn't taken Mayr's Wonderful Remedy when I did. When I think how I had suffered with my stomach and how good I feel now I cry for joy." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Pink & Haussner.
