

FULTON COUNTY HULSTEINS

Herd of Ten Holstein Cattle Selected by Fulton County Holstein Association Wins Third Place at Ohio State Fair. Ten Other Premiums Taken by Individuals in The Fulton County Herd, Two Seconds, Five Fourths and One Fifth

The Fulton County Herd selected to go to the Ohio State Fair, at Columbus, by the Fulton County Holstein Association, returned to Wauseon Monday, and the Association is well pleased with the results of their trip. The 10 herd was entered as a County Herd. There were 6 county herds in the contest, and the money went as follows: Montgomery County 1st prize, \$200. Lorain County 2nd prize, \$150. Fulton County 3rd prize, \$100. Wayne County 4th prize, \$50. Lucas County 5th prize, \$50. Union County 6th prize, \$25. Those of the herd animals entered in the individual classes that drew prize money were as follows: Bulls 3 years old or over: Wauseon John Komdy No. 164278, 4th money, Fred Grandy owner. Bulls 18 and under 24 months: King Alvan Veeman Rag Apple No. 271426, 4th money, William F. Smith owner, Swanton. Bulls over 12 and under 18 months: (10 shown), King of the Celinas No. 298271, 2nd money, G. C. Hawkins, Morenci, Michigan. Bull calf under 6 months: Son of Pride Ormsby, Jay C. Burr, owner, 4th money. Cows 4 years old or over (19 shown): Rose Alvan Wadnah No. 200, 525, 4th money, W. L. Biddle & Son, owners.

THE FULTON COUNTY SCHOOLS

All Set For 1920-1921 Schools of the county will open Sept. 13th with the exception of Fayette whose opening date was Sept. 6th. Teachers Meeting Meeting of all of the teachers of the county under District Supervision will be held at the high school building Wauseon Saturday Sept. 11th, beginning at nine o'clock a. m. This is one of the most important meetings of the year for teachers. The plans for the year will be discussed, course of study given out and new phases of it explained. Doubtless a number of working committees will be arranged for the year. Book Adoptions This is the year for the readoption of text books and the changes made are so arranged that the minimum purchase of new books will be necessary for pupils. They are as follows: Arithmetic, Pupils entering 3rd grade should secure Hamiltons Essentials of Arithmetic Book 1. Pupils entering 4th grade should secure Hamiltons Essentials of Arithmetic Book II. No other changes. Geography, Both old and new books will be used. Those needing to buy books for 5th or 6th grades should buy Brigham and Mariane Geography 1st Book. Those needing to buy books for the 7th and 8th grades should buy Brigham and Mariane Geography 2nd book. By this arrangement those having the old text may use it. History, For 5th and 6th grades "Our Beginnings in Europe and America" will be used. In the 7th and 8th grades those needing to buy books should buy "History of the American People" rather than the Montgomery book. Spelling: A complete change is made in this text. Pearson's and Suzzallo's Essentials of Spelling will be used. The great superiority of the newly adopted books over those now in use is so evident that the change really becomes a necessity when we take into consideration the welfare of the pupils. Any one making a careful comparison of them with reference to materials and the educational principles upon which they are based will be convinced of the wisdom of the change. Superintendent's Meeting A most interesting meeting of the superintendents of the county was held at Wauseon last week. A committee was appointed to work out a system of public programs by various schools of the county. This is to be in the nature of a contest whereby schools winning a certain number of contests will be permitted to take part in the final tournament. New Superintendents Lyons, Supt. E. E. Roberts; Wauseon, Supt. W. L. Bowsher. All the others are the same as last year. Special Levy Six districts voted on the extra mill levy. All carried except Chesterfield which lost by one vote. Several districts will vote on the extra levy at the November election. RE-ENLISTED Raymond R. Harnes, son of Mr. and Mrs. W. Harnes, has re-enlisted in the U. S. Navy for two years, and left last Saturday for Detroit from which point he will go to Mare Island, California. Raymond served two years in the Navy during the World War receiving his discharge in February 1919. He has been engaged at the Overland plant in Toledo since his discharge. Men and Boys Caps in the latest Fall styles at Samuel Ruppert.

REPUBLICAN RALLY

Anniversary of Signing The Constitution of The United States To Be Celebrated By Republican Rally at The Court House in Wauseon Friday evening September 17th. An Interesting Program and Stirring Address Promised.

September 17th, 1787, just one hundred and thirty-three years ago, what has been called and doubtless is the greatest governmental document in all the history of the race was signed by thirty nine members of the Federal Constitutional Convention and submitted to the Congress of the Confederation that they in turn might submit it to the various states of the Confederation for ratification. That constitution made of those confederated states a distinct and autonomous state composed of many all bound together in one indissoluble union. Under this constitution the Supreme Law of this nation has prospered, developed and progressed until it has come to occupy first place among the Nations of the World. It is eminently fitting that the political party which in this campaign of 1920 stands pledged to continue in this country the constitutional form of government and this great American Constitution inviolate as opposed to those movements which tend to subordinate it to a covenant with other nations which would render it impotent and merge the Nation of which it has been the vital center into an idealistic but impractical super government, should commemorate the anniversary of the birth of that constitution. Following the action of Republicans all over the country the Republicans of Wauseon will celebrate this important anniversary by a public mass meeting. There will be a good program of music, vocal and instrumental and one or more stirring addresses by out of town speakers known ability. First every man and woman in the community and no collection. Through the good offices of Congressman C. J. Ives, the Hon. Martin Madden of Chicago, one of the best campaign speakers in the country has been secured as one of the speakers for this Rally. Don't fail to hear Mr. Madden, Friday evening September 17th at the Court House in Wauseon.

DON'T DESECRATE THE FLAG

There are reasons enough without going into details or arguing the matter, why American citizens should respect and honor the American Flag, but in case there should be some American citizens who through ignorance or lack of the true American spirit should carelessly or thoughtlessly fail to show proper respect to the National Emblem, the law makers of Ohio have placed the statute books of the State the following: Section 12396 of the General Code of Ohio Whoever prints, paints or places a word, figure, mark, picture or design upon a flag, standard, color or ensign, or causes to be exposed, such flag, standard, color or ensign upon which is placed or appended a word, figure, mark, picture or design or manufactures or has in possession an article of merchandise or representation of such flag, standard, color or ensign or publicly mutilates, defiles, defaces or casts contempt upon such flag, standard, color or ensign, shall be fined not more than One Hundred (\$100) Dollars or imprisoned not more than thirty days, or both. It may have been due to his exuberant enthusiasm but the Democratic Editor who pinned the pictures of Democratic candidates on the American Flag last week Thursday evening, as he is reported by an eyewitness to have done should restrain that enthusiasm and reflect that not yet has any candidate of any party attained to that degree of sanctity which entitles him or them to have their portraits placed on the American Flag even in the presence of a purely Democratic audience. There is only one object that may with impunity be placed on the Flag and that is the Bible. The Flag may fittingly appear above the heads of those who reverence it and are ready to defend and uphold it. It may fitly rest upon the casket that contains the lifeless form of one who has hazarded his life in defense of the country and the principles of Liberty and justice for which it stands. The American Flag to Americans is something more than a piece of bunting to be used for decorative purposes. It is the emblem of our country just as the Bible is the emblem of our God.

AMERICAN LEGION BASE BALL

Labor Day Base Ball Game Draws Big Crowd To Legion Ball Park Monday Afternoon. Wauseon Team Lose To Adrain in Two Hard Fought Games. Boy Scout Band Enlivens The Game with their Music

The cloudy and threatening weather all day Monday failed to keep the Wauseon crowd from Legion Ball Park Monday afternoon and as the business places of Wauseon all closed their doors at noon practically everyone in Wauseon who desired to do so had the opportunity to witness the "Big Double Header" between the Adrain Team and the Legion Team of Wauseon. Fans were disappointed over the failure of the Sunday game to materialize on account of the wet weather had their appetites sharpened for the Monday game and the Boy Scout Band was heard on the street the rest of the folks that had been undecided about going, fell in line and the consequence was a fine crowd of spectators to witness two hard fought games. The first game finished with a score of 4 to 0. Up to the seventh inning the score remained 0 to 0 then Long, pitching for Wauseon weakened and Adrain scored one run. Wauseon was unable to get a man past 3rd. Adrain scored three more and it was all over but the shouting with the honors to Adrain. In the second game only seven innings were played. Sandy Forrest pitching for Wauseon had the Adrain team at his mercy until the seventh when with a few hits coupled with errors they were able to score one run which put the game on ice. Wauseon came near tying the score when the Adrain catcher blocked a man at the home plate and spoiled Wauseon's chances. Mr. "Al" Hawley umpired for Wauseon and handled the game in a most satisfactory manner. When they are in need of an umpire again it would be a good plan to let "Al" do it.

MRS. HENRY OLDFIELD COURT HOUSE NEWS

Warrants Issued Besiege Gollins, September Mother's Pension \$8.00. C. D. Perry, expenses for August 1920, \$17.50. Judgment proved and approved, plaintiff decreed divorce from defendant on grounds of gross neglect of duty. Plaintiff to pay costs.

STATEMENT

Reports from several sources having reached me to the effect that I have made appointments to various persons as deputy's in event of my election to the office of sheriff at the November Election. I desire herewith to positively deny the truth of such statements. I am not aware that I have any authority to appoint or promise to appoint any person or persons as deputy sheriff until I have been duly elected to the office of Sheriff. I have done so nor do I intend to do so. If the people of Fulton county honor me by electing me to the office of Sheriff, I shall after my election make such appointments, not before. Respectfully, W. R. FORD Adv.

CHRISTIAN CHURCH

C. E. ROSTOFER, Pastor Preaching both morning and evening, subject for the morning will be "How to Secure a Prosperous Work". His evening subject, "Why I Give My Heart to the Ministry". Bible School at 9:30. Imperial Underwear, both light and heavy weight. Samuel Ruppert.

DISSOLUTION OF PARTNERSHIP

The firm of Smith and Zug, Real Estate Dealers has dissolved partnership. Mr. Vern C. Smith having purchased Mr. Henry W. Zug's interest in the firm, will continue the real estate business under his own name. Mr. Zug expects to devote his attention to his farm and other business interests.

COUNCIL MEETING HAD TIRE STOLEN

Last Friday evening Mr. C. H. Leist had the misfortune of having a spare tire and rim stolen from his Studebaker automobile. Mr. Leist had driven in to town to attend the Republican Club Meeting at the court house leaving his car parked in front of the C. H. Huffman Harnes Shop on Fulton street. After the meeting Mr. Leist drove home, placed his car in the garage and locked the door. Saturday morning when he unlocked the garage he discovered that the spare tire, a Goodrich, mounted on a rim had been taken from the rear end of his car. It seemed to be an unlucky week in the Leist family; for on Thursday the apartment of Miss Edna Leist was entered during her absence and about \$300 worth of wearing apparel taken leaving her with no clothing except that which she was wearing at the time. A "GOOD TURN" MUCH APPRECIATED Last Sunday afternoon the Wauseon Boy Scout Band under the supervision of Mr. C. J. Ives, Chief Scout Master went out to the County Home at Ottokeo and gave a concert of their best music for the benefit of the twenty-eight inmates of the Home. We dare say that the boys have never in all their history as a band, played to a more appreciative audience. The Superintendent and Matron, Mr. and Mrs. E. F. Jones wish to publicly express their thanks to the Boy Scouts and Scout Master Ives for this real and lasting pleasure which they were given to their charges. It surely was a "good turn" which was sincerely appreciated by the beneficiaries and one which will afford them pleasant memories for many days to come. SCHOOL BOOKS MUST BE CASH The School Board desires to state that owing to the small profit (10 per cent) allowed their agents and the added confusion in charging accounts during the first day's rush, all school book purchases must be cash. This is not only in the interest of better service but justice to our agents. 23-1-c

FARM BARGAIN

For quick sale, 68 acres good land, \$7000, good buildings, good water, West Elm street from Fulton street to end of brick pavement in front of cemetery. H. D. MEISTER, Owner, 23-1-p

RE-ENLISTED

Raymond R. Harnes, son of Mr. and Mrs. W. Harnes, has re-enlisted in the U. S. Navy for two years, and left last Saturday for Detroit from which point he will go to Mare Island, California. Raymond served two years in the Navy during the World War receiving his discharge in February 1919. He has been engaged at the Overland plant in Toledo since his discharge. Men and Boys Caps in the latest Fall styles at Samuel Ruppert.

SUGGESTIVE LETTER O. S. U. STADIUM

LETTER TO PRESIDENT OF WAUSEON WATER BOARD FROM DR. E. E. SHAW OF CAMERON, MISSOURI—HOW A TOWN CAN BE SUPPLIED WITH WATER AND WHAT IT COST.

Mr. Frank Harper, Wauseon, Ohio Dear Friend:— I promised I would try and find out a few facts concerning our water works and filtering plant, and now I try and write you. We built our Original Water Works System, including Reservoir, Pumping Station Water Tank (Tower) and Water Mains at a total cost of less than \$250,000. Some of the items as follows: 1. Land for Res. \$1600, 13-3-4 acres. Capacity 80,000,000 gallons. 2. Dam and Pumping Station, (see specs Motors) \$10,850. 3. Water power (tank) 95 feet high, capacity 70,000 gallons, \$4,168. The rest of the money was for water mains, motors, etc. The above may not interest you so much as it was built in 1906, but will give you some idea of size of ponds which spreads out or extends back so as to cover 22 1/2 acres and at deepest part is 35 feet deep. The area of drainage is the amount that I told you when I was in Wauseon. But the following will interest you as it concerns the filtering plant which was finished and put into operation six weeks ago. I told you I thought we voted \$45,000, but here I was wrong. We talked \$45,000 in the beginning, but when we voted for it, it was only \$35,000 and here are some figures on this which looks to me as though someone was looking for a little rake off back in Wauseon. 1. Land, one acre for building, \$500. 2. Building and setting basin, \$15,500. And then some other expenses which made the total expenses for a filtering plant cost \$22,416 (not including pumps). We also extended water mains 6500 feet, so to make a long story short, when we finished, we had used \$33,569.38 and everything installed in other words, a completed filtering plant with 6500 gallons daily, pumps capable of pumping 30,000 gallons per hour, Now Frank, if you can get this jumble through your mind, shall be glad, will help out a little. Yours very truly, E. E. SHAW. These figures were taken from contracts and so forth of file with the City Clerk.

A MIGHTY MONARCH FALLEN

Mr. Sam Klink has felled the big cotton wood tree that has stood for many years in the lawn in front of his residence on Beech street the first house West of the East School Building. The tree had grown to enormous size measuring three feet or more in diameter at the butt and was perfectly sound. Mr. Klink made five or six large saw logs out of the main body and larger limbs of the tree which will yield several thousand feet of lumber. A count of the rings at the butt indicated that the tree was sixty five years old. It was indeed one of the old land marks in Wauseon.

METHODIST CHURCH

S. R. DUNHAM, Pastor Church School at 9:15 A. M. Morning Worship at 10:30. Sermon subject: "The Poor in Spirit." This sermon will be the first of a series: "The Beatitudes in Modern Living." Epworth League at 6:30 P. M. Evening worship at 7:00. Sermon subject: "The Good Samaritan."

CARD OF THANKS

We desire to express our sincere thanks to the friends and neighbors who so kindly assisted us during the sickness and death of our husband and father, also for the beautiful floral offerings. Mrs. Vollmer and Children.

The W. B. A. of the Macabees will hold their monthly social at their hall on Monday September 13.
