An Appeal

To the Republicans of the Country and All Those Who Aided Them:

The Republican success in the 1920 election has been commensurate with the quality of our candidates and the righteousness of our cause. This success is the partnership accomplishment of all Republicans everywhere and of hundreds of thousands of well-wishers of good government regardless of past party affiliations. To all of these we now appeal, because it is the mutual responsibility of us all who will share alike in the consequent mutual benefit of good government. The plan of limiting campaign contributions to \$1,000, adopted by your national organization, has left your party unmortgaged. It has been a most advanced step in placing the business of politics on the highest plane, and has brought an interest on the part of thousands who never before have been concerned with politics. Some weeks before election it was apparent that the expenses provided for in our budget, with the strictest economy, would exceed the contributions, but we were unwilling either to leave undone any legitimate effort essential to complete success or to change the method of raising money. We were then sure and we are now sure that every Republican desires that the expenses of the campaign be distributed in this manner. Your presidential campaign this year cost no more than that of 1916, when a dollar went nearly twice as far as it does today. Four years ago the bulk of the campaign fund came from 750 contributors, while this year the approximately \$2,000,000 contributed to date for the presidential election has come from 50,000 givers. The victory won, the raising of the deficit would be easy, indeed, if your committee were willing to abandon the policy of keeping down the average of contribution. This we are determined not to do. It was a fight of all the people. The result speaks for itself. It lifted a burden from the minds of millions and points the way to better and happier days. We ask now for that additional help from all which is merited both by the successful conclusion of the effort and by the consequent contribution to the welfare of all of our people and the glory of the nation. Let us now have help from every American who is grateful for the victory and all that it means to the country. It might well be in the nature of a thanksgiving offering for the return to a certainly safe, sane, constitutional progressive government. Let us by general and generous giving put the seal of approval upon the policy of putting a national administration in power free from any possible embarrassment of special obligation to any man, men or group of men. Let us make the contribution, whether large or small, and whether or not we have heretofore given, commensurate with our means and our appreciation, always within the maximum limit heretofore fixed. Let us get our names on the cornerstone of a sturdier political structure, upon the roll of those who have helped make possible a campaign of which, in methods and result, we may as Republicans and patriots be justly proud. Most earnestly we urge that this aid be given quickly, that your committee may be enabled to discharge the party's obligations and turn to further constructive work in behalf of party and country.

Make Work Easier

Wauseon People Are Pleased to Learn How It Has Been Done. It's pretty hard to attend to duties with a constantly aching back. With annoying urinary disorders. Doan's Kidney Pills have made work easier. So thousands have gratefully testified. They're for bad backs. They're for weak kidneys. Wauseon people gratefully recommend Doan's. Mrs. Byron Green, 510 E. Chestnut St., Wauseon, says: "It was several years ago I suffered with backache. My back hurt and pained all the time. It was a great effort for me to do my work. When I stooped to pick up anything, a pain would catch me in my back and I could hardly straighten. In the morning when I got up, I felt tired and didn't have much ambition. Once in awhile I had a dizzy spell so severe that I had to take hold of a table or chair until I could get my balance. I learned of Doan's Kidney Pills and gave them a trial. They helped my back and put my kidneys in good condition. Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Green had. Quit Laxatives, Purges; Try NR

NR Tonight—Tomorrow Feel Right

It is a mistake to continually dose yourself with so-called laxative pills, cathartics, purges and enemas. You can do so if you get a 25c box of Nature's Remedy (NR Tablets) and take one each night for a week or so. NR Tablets do much more than merely cause pleasant easy bowel action. This medicine acts upon the digestive tract, cleanses the bowels and promotes good digestion, causes the body to receive the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, prevents indigestion, regulates kidney and bowel action and gives the whole body a thorough cleansing out. This accomplished you will not have to take any other medicine. An occasional dose of NR Tablets will keep your body in condition and you can always feel your best. Try Nature's Remedy (NR Tablets) and prove this. It is the best bowel medicine that you can get. Each box only 25c per box, containing enough to last you five days. Nature's Remedy (NR Tablets) is sold guaranteed and recommended by FINK & HAUMESSER, Wauseon, Ohio.

to hear and his personality is such that when he has finished his lecture the listeners are conscious that they have been living with human conditions as portrayed by an intensely human speaker. The Mammoth (Ill.) Daily Review says: "Mr. Bailey is truly a lecturer, but more than that he at his first appearance makes the audience realize that he is one of them." A Bailey lecture is not only inspirational and character-building but is filled with humor.

Indigestion

Do you know that indigestion can be cured, permanently cured so that you can eat any kind of food that you crave? It has been done not only once, but in almost every case when Chamberlain's Tablets are used. An instance: Mr. J. Pomtville, Stillwater, Minn., who had spent over \$2,000.00 for medicine and treatment was permanently cured by these tablets.

"GLOWORMS"
 By Pat McShane
 "Pat, an' what do yez think uv how it is that the electric company has been after treatin' us people uv Wauseon uv late?" says O'Toole as he warmed himself by the fire wan evenin' not long since.
 "Oh," sez oi, "o' think the rumpy is a foine company. Now listen uv me a bit an' be reasonable. Ain't the company got a foine power plant in our town an' ain't they got a lot uv motoraters in their plant an' ain't they put up a lot uv new poles an' wire on the country round about us an' don't they furnish power to us? Of course they do. Be reasonable, O'Toole, be reasonable."
 "But, Pat," sez O'Toole, what's the use uv this power plant an' poles an' wire an' motoraters if they don't make our lights anny better?"
 "Ye've lookin' at it from the wrong side uv the street," sez oi. "The company never promised to make our lights anny better. They said they would be after furnishin' us power. Maybe Oi do have to spill candle grease all over Nora's table cloth an' maybe oi do have to eat gravey on me peaches an' cream on me bread all because Oi could not see which Oi was puttin' where when Oi was day-distributin' them. An' maybe Oi have a black nose turned round toward me west ear all because Oi ran into wan uv them electric light poles when Oi was goin' to the store to get some paregic for Patrick junior when he was achin' in the front soide uv his back, but ain't the company brought the lights?"
 "Oh," sez O'Toole, whin yez ask me to be reasonable yez want me to be onable to reason; Yez want me to act like Oi was in the bug-house an' sez down with me paper in me hand and me glasses on under wanuvthin' glow-worms an' make meself think Oi'm radin'."
 "Be calm, O'Toole, didn't yez see the glowworm wiggel?" There, now, who wants a better light than that? An' it was a foine light for just wan second as the light swelled into near sunburst an' then rayduced itself to its own swate self agin' in a dim misty glow. Before we could say anything it disappeared altogether. O'Toole left the house in a rage an' fell over Patrick's junior wagon at the door step. The last Oi heard was sayin' something about a company wirin' up a town with glowworms."

FORDSON
 TRADE MARK
FARM TRACTOR

The Fordson way of farming is easier, quicker, better. It will help you to do more work per day. It will help the farmer to do all of his work more quickly—not only in the field, but any and all power work on the farm. And because it will do more and better work for you, it is a money maker.

The Fordson tractor is a product of the mechanical genius of Henry Ford; it is his idea of the universal power plant for all kinds of work on all kinds of farms. It is a light tractor; it is easy to handle; and it gives you a steady, reliable power. It endures.

Fordson service—Fordson repair parts and expert repairmen—are always handy. We carry a stock of parts and employ mechanics who understand just how to get the best results from the Fordson. Let us tell you about the Fordson.
