Bad Cold and Cough Cured by Chamberlain's Cough Remedy
Several years ago C. D. Glass, Gardner, Me., contracted a severe cold and cough. He tried various medicines but instead of getting well he kept adding to it by contracting fresh colds. Nothing he had taken for it was of any permanent benefit until a druggist advised him to try Chamberlain's Cough Remedy. He says "I was completely cured by this remedy and have since always turned to it when I had a cold and soon find relief."

A Useful Pain
Wauseon People Should Heed Its Warning

Have you a sharp pain or a dull ache across the mall of the back? Do you realize that it's often a timely sign of kidney weakness? Prompt treatment is a safeguard against more serious kidney troubles. Use Doan's Kidney Pills. Profit by a Wauseon resident's experience.

Mrs. H. Trimble, 521 E. Chestnut St., says: "Many years ago I had trouble with my back. Every once in awhile, it would start to ache and pain. Sometimes, sharp pains caught me and it felt as though someone stuck a knife into my back. It was a terrible feeling and when I leaned over, the same sharp pains caught me. My kidneys didn't act as they should and caused me annoyance. I didn't feel well mornings and all strength seemed to leave me; I had no ambition. After I had taken Doan's Kidney Pills a short time, my back felt stronger and I had no more trouble with my kidneys. I am bothered but very little by my kidneys now. When I do have trouble, I take a few doses of Doan's Kidney Pills and I have never yet had them fail to help me."

Straighten Up

THE man or woman afflicted with backache, swollen muscles, stiff joints, rheumatic pains or other symptoms of kidney trouble is entitled to sympathy and should have help.

Nature gives early warning of kidney trouble by itching under the eyes, spots before the eyes, dry mouth, biliousness, weakness and pale, waxy, dry skin. It is unwise to neglect the slightest symptom of kidney trouble. Give the kidneys the help they are calling for.

Foley Kidney Pills

tone up weak, inactive, sluggish kidneys and help rid the body of poisons. With kidneys and bladder properly functioning, appetite is restored, refreshing sleep is possible, health, strength and energy come as a natural result.

C. F. Reynolds, Elmira, N. Y., writes: "Three months ago I was in bed with kidney trouble. My back ached so severely I could not get up. I tried all kinds of medicine but failed. I was told to try Foley's Kidney Pills. I took a few and commenced taking them. In a few days I was able to get up and my back was better. After a few more boxes I was able to go to work. Since I have used your pills my back aches and is trouble with my kidneys."
