A Few Questions.

You are invited to investigate how business is conducted by a leading Toledo Dry Goods house.

To the people of Perrysburg and the vicinity we wish to ask a few questions. First: Who have you been buying your Dry Goods?

Second: Did it ever occur to you that if you keep on trading at the same place and never look around, that you can never know what others are doing or what their prices are?

Third: Did you ever trade with Lamson Bros., 333 & 335 Summit St. Toledo, O? Remember they are the only house that advise people to look about in their interest, for they feel confident that careful purchasers who want reliable goods will come back to them every time.

They conduct a strictly cash, one price business and a child four years old can buy there just as cheaply as the most experienced purchaser.

A word to the wise is sufficient. It costs nothing to see our goods and may be the means of saving you a number of dollars on your fall purchases. If you have never traded at Lamson Bros. try them this fall.

To Our Subscriber.

The special announcement which appeared in our columns some time since, announcing a special arrangement with Dr. B. J. Kendall Co., of Enosburgh Falls, Vt., publishers of "A Treatise on the Horse and his Diseases," whereby our subscribers were enabled to obtain a copy of that valuable work free by sending their address to B. J. Kendall Co. (and enclosing a two-cent stamp for mailing same) is renewed for a limited period. We trust all will avail themselves of the opportunity of obtaining this valuable work. To every lover of the Horse it is indispensable as it treats in a simple manner all the diseases which afflict this noble animal. Its phenomenal sale throughout the United States and Canada make it standard authority. Mention this paper when sending for "Treatise."

The Laxative Gum Drop.

This new cathartic is the most delightful form of a laxative that has ever been offered to the public. It is in the form of an ordinary gum drop, but has no medicinal taste, and can be eaten like a piece of confectionery. The results, too, are pleasant. It is the most complete remedy for dyspepsia, summer troubles, biliousness, headache and all those maladies for which the ordinary cathartic is prescribed. It acts as a gentle stimulant, not violent, but perfectly safe, and certain. In this respect it is far superior to the ordinary pill, with the additional merit of not being disagreeable to take. It is just the thing for children on this account and for people with weak stomachs. Those gum drops are put up in packages, the small ones selling for ten cents and large ones for twenty-five cents. If your druggist does not have them we will send them to you by mail on receipt of the price. But we would prefer to have you get them of your druggist. SYLVAN REMEDY CO., Peoria, Ill.

Many Men of Many Minds

But of one mind this time. This is what brings the crowds to Mockett's double stores, intent on securing bargains. Bargains? Yes such bargains as were never before offered by any Toledo Clothier. For November scores of bargains will be offered the good people of Northwestern Ohio. We are making \$10 suits our leaders—Certainly the best bargains ever offered, worth nearly double. We offer equally big bargains in boys suits. We made heavy purchases early in the season and secured one choice of both styles and quality.

We have not room to show the immense stock of overcoats. The suits go to make room for them. Walk through our salesroom and see for yourself. We want to show you the latest and handsomest designs, the nobbiest shades. You are always welcome to look through our store whether you want to buy or not.

—The JOURNAL, with all others, rejoices over the rain with which the earth has been refreshed during the past week. We knew it was coming, because John A. Robertson, one of our local weather prophets, told us last week, that there would be no rain until after Thanksgiving day, and it is a sure sign of an approaching storm when he prophecies fair weather.

—The Township Trustees have at last succeeded in getting an appropriation of a small amount of money from the County Commissioners to expend in repaving the stone road through this township, and have been making this much needed improvement by hauling and spreading gravel on the road bed. It will take much more money than they have been allowed to put the road in as good condition as when it was turned over to the county. The people who use the road are thankful for small favors, however.

Financially Embarrassed.

A large manufacturer, whose affairs were very much embarrassed, and who was overworked and broken down with nervous exhaustion, was told that the only thing needed was to be relieved of care and worry, and have a change of thought. This doctor was more considerate of his patient's health than of his financial circumstances. He ought to have advised him to use Dr. Miles' Restorative Nervine, the best remedy for nervous prostration, sleeplessness, dizziness, headache, ill effects of spirits, tobacco, coffee, opium, etc. Thousands testify to cures. A Prize Picture Puzzle.

EXPLANATION.—The following picture contains four faces, a man and his three daughters. Any one can find the man's face, but it is not so easy to distinguish the faces of the three young ladies. The picture was published in a few newspapers some time ago, and attracted considerable attention to our standard remedies. We now offer a new prize competition in connection with it. As the sole object is to introduce our medicines into new homes, those who entered the former competition are requested not to compete in this one. As to the reliability of "The Ford Pill Co.," and the estimation in which their medicines are held in Toronto, Canada, where they are best known, patrons are referred to this daily newspaper, wholesale druggists and leading business houses generally of Toronto.

The proprietors of "The Ford Pill Co." will give an elegant pair of **Shetland Ponies—Carriage and Harness**, valued at \$600, (delivered free in any part of the United States, to the first person who can make out the three daughters' faces. To the second will be given an elegant **Lady's Gold Watch**, set in sapphires and diamonds. To the third will be given a pair of genuine **Diamond Ear-rings**. To the fourth will be given a handsome **China Dinner Service**. To the fifth will be given a **Kodak Camera**. To the sixth, a **Swiss Music Box**. To the seventh, a **French Mantel Clock**. To the eighth, an elegant **Banquet Lamp**. To the ninth, a pair of **Crown Derby Vases**. To the tenth, a complete **Lawn Tennis Set**, and many other prizes in order of merit. Every competitor must cut out the above "Puzzle Picture," distinguish the three girls' faces by marking a cross with a lead pencil on each, and enclose same with 15 U. S. two-cent stamps for one of the following "Prize Remedies":—"Ford's Prize Pills," "Ford's Prize Catarrh Remedy," or "Ford's Prize Cough Cure." Select any one of the above remedies you desire. Address "The Ford Pill Co.," Cor. Wellington & Bay Sts., Toronto, Canada. The person whose envelope is postmarked first will be awarded the first prize, and the others in order of merit. As this advertisement appears simultaneously throughout the United States, every one has an equal opportunity. To the person sending the last correct answer will be given an elegant **Upright Concert Grand Piano**, valued at \$500.00. To the first person from the last sending a correct answer will be given a gentleman's fine Gold "Sandox" Watch, which strikes the hours and quarter hours on small cathedral gong at pleasure, and valued at \$300.00. To the second from the last, a first-class **Safety Bicycle** pneumatic tires. To the third from the last, a first-class English **Shot-gun**. To the fourth from the last, a suite of **Parlor Furniture**. To the fifth from the last, a handsome **Silver Tea Service**. To the sixth from the last, an elegant **Piano Lamp**. To the seventh from the last, a handsome pair of **Portieres**. To the eighth from the last, a genuine English leather travelling **Trunk**. To the ninth from the last, two pieces of genuine **French Statuary**, and many other prizes in order of merit.

SPECIAL PRIZES FOR EACH STATE.

A special prize of a **Silk Dress Pattern** (sixteen yards, any color), or a **first-class Sewing Machine** (any make desired) will be given to the first person in each State in the U. S. who can make out the three daughters' faces. We shall give away 200 valuable prizes, besides special prizes, (if there should be so many sending correct answers). No charge is made for boxing and packing of prizes. The names of the leading prize winners will be published in connection with our advertisement in leading newspapers next month. Extra premiums will be given to only those who are willing to assist in introducing our medicines. Nothing is charged for the prizes in any way. They are absolutely given away to introduce and advertise "Ford's Prize Remedies," which are standard medicines, and will be used in every family for years where they have been once introduced. All prizes will be awarded strictly in order of merit, and with perfect satisfaction to the public. The remedies will be sent by mail, postpaid, and prizes free of duty.

A WATCH FOR EVERY CORRECT ANSWER.

An extra premium of a genuine "Fearless" Watch, (stem winder), will be awarded to every person who sends a correct answer within 30 days after this advertisement appears, in case they should not be fortunate enough to secure one of the larger prizes. That is, if any one can find the three faces and enclose them within 30 days from the time this advertisement appears in the newspaper, they are guaranteed either one of the leading prizes, or an extra premium of a watch on conditions stated. No answer will be noticed that does not contain 30 cents for one of Ford's Prize Remedies.
