HAPPY AND HEALTHY.

A Beautiful Canadian Girl Saved From Catarrh of the Lungs by Pe-ru-na.

MISS FLORENCE KENAH. Miss Florence E. Kenah, 434 Maria street, Ottawa, Ont., writes: "A few months ago I caught a severe cold, which settled on my lungs and remained there so persistently that I became alarmed. I took medicine without benefit, until my digestive organs became upset, and my head and back began to ache severely and frequently. I was advised to try Peruna, and although I had little faith I felt so sick that I was ready to try anything. It brought me blessed relief at once, and I felt that I had the right medicine at last. Within three weeks I was completely restored and have enjoyed perfect health since. I now have the greatest faith in Peruna." F. E. KENAH.

WOMEN should beware of contracting catarrh. The cold wind and rain, slush and mud of winter are especially conducive to catarrhal derangements. Few women escape. Upon the first symptoms of catching cold Peruna should be taken. It fortifies the system against colds and catarrh. The following letter gives one young woman's experience with Peruna: Miss Rose Gerbing is a popular society woman of Crown Point, Ind., and she writes the following: "Recently I took a long drive in the country, and being too thinly clad I caught a bad cold which settled on my lungs, and which I could not seem to shake off. I had heard a great deal of Peruna for colds and catarrh and I bought a bottle to try. I am pleased that I did, for it brought speedy relief. It only took about two bottles, and I considered this money well spent. "You have a firm friend in me, and I not only advise its use to my friends, but have purchased several bottles to give to those without the means to buy, and have noticed without exception that it has brought about a speedy cure wherever it has been used."—Miss Rose Gerbing. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.
