# No More Lasting Gift Than Furniture

And there's scarcely a member of the family but whom can be appropriately remembered with Furniture—a Morris Chair or Turkish Leather Rocker for father, a Desk for brother, a Music Cabinet for sister, a High Chair for baby—and almost any piece needed about the house would delight the mother. When it comes to making the purchase it will pay you to come to Milner's—where nearly an entire floor is filled with appropriate gift pieces, and where prices are on the very low Cash basis for which this store is noted.
