**Money Comes in Bunches**

to A. A. Chisholm, of Treadwell, N. Y., now. His reason is well worth reading: "For a long time I suffered from indigestion, torpid liver, constipation, nervousness, and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old-time health and vigor. Now I can attend to business every day. It's a wonderful medicine." Infallible for Stomach, Liver, Kidneys, Blood and Nerves. 50c at C. P. Champney, Perrysburg.

**More Than Enough is Too Much.**

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. **CURES REMOVE DOUBT ABOUT ECYEMA CURE**

Read What Your Druggist Says About Oil of Wintergreen Compound.

Druggist C. P. Champney, submits the following to the readers of the Perrysburg Journal.

For several years we have announced, with our recommendation, that we had found a positive cure for eczema; a simple skin wash, oil of wintergreen compounded with other healing ingredients. Yet we know there are people right in this town who have eczema, and still have never tried this remedy.

We have, therefore, arranged with the D. D. D. Laboratories of Chicago, for a special offer of a trial bottle at 25 cents instead of the \$1.00 bottle as regularly sold.

We offer this trial bottle with our recommendation and assurance that just as soon as the patient washes his itching skin, this mild liquid will take the itch away instantly. C. P. Champney, druggist.

**Shoes that Will Please You**

The time for shoe buying is here, surely. Most everyone naturally turn their attention to the solution of the problem as to "where is the best place to buy?" Now, we don't claim to have found ALL the good things in the market, but we have devoted considerable time and study to prepare for an extra good Shoe business this fall and winter and we believe that many people who have not taken the trouble to take a look at our SHOE STOCK could profit by so doing. A new line of Good-year Glove Rubbers is here also. There are no better, but a good many that are not as good. We don't charge any MORE for SHOES or RUBBERS than any one else does, and a good many people think the values we offer are better. It don't cost you anything to look. Try it for your own satisfaction.
